3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Donated dental services program.

- 1. The state department of health shall contract with the North Dakota dental association or any other appropriate and qualified organization to develop and administer a donated dental services program through which volunteer dentists provide comprehensive dental care for needy, disabled, aged, and medically compromised individuals. Under the program, volunteer dentists will use their private offices to treat individuals and, with the exception of certain dental laboratory costs, will fully donate services and supplies.
- 2. The department's contract with the administering organization must provide for the administering organization to:
 - Establish a network of volunteer dentists, including dental specialists,
 volunteer dental laboratories, and other appropriate volunteer professionals to donate dental services to eligible individuals;
 - b. Establish a system to refer eligible individuals to appropriate volunteers;
 - Develop and implement a public awareness campaign to educate eligible individuals about the availability of the program;
 - d. Provide appropriate administrative and technical support to the program;
 - e. Submit an annual report to the department which accounts for all program funds; reports the number of individuals served by the program; reports the number of dentists and dental laboratories participating as providers in the program; and includes any other information required by the department; and
