SECTION 12. LEGISLATIVE INTENT - STATE COLLEGE OF SCIENCE - BLIKRE ACTIVITIES CENTER RENOVATION. It is the intent of the legislative assembly that the funding of \$531,720 included in the estimated income in subdivision 7 of section 1 of this Act for renovation of the Blikre activities center at the state college of science must be collected before renovation may begin. The state college of science, after receiving approval from the budget section, may obtain and utilize any available funds, in addition to the \$531,720, received from federal, public, private, or other sources which are appropriated to the state college of science to assist in the Blikre activities center renovation.

SECTION 13. AMENDMENT. Section 15-10-12 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

15-10-12. Board may accept gifts and bequests - Deposit and appropriation of institutional funds. ~~The Subject to the limitations of section 15-10-12.1, the state board of higher education may, subject to the limitations of section 15-10-12.1, receive donations, gifts, grants, and bequests offered or tendered to or for the benefit of any institution of higher education under its control or subject to its administration, and all moneys coming into the hands of the board as donations, gifts, grants, and bequests must be used for the specific purpose for which they are donated or given. A special revenue fund, for each institution of higher education under the control of the board or subject to its administration, must be maintained within the state treasury and all institutional income from tuition collections must be placed in the special fund for the use of the institution for which the money was raised. All rent, interest, or income from land, money, or property, donated or granted by the United States and allocated to specific institutions of higher learning under the terms of the Enabling Act and the Constitution of North Dakota must be deposited in the special revenue fund of each institution and expended in accordance with section 1 of article IX of the Constitution of North Dakota. Moneys in the special revenue fund are subject to legislative appropriations.~~ All other funds, unless restricted by the terms of a grant, donation, or bequest, received by the institutions from federal, state, and local grants and contracts, indirect cost recoveries, tuition, special student fees, room and board fees and other auxiliary enterprise fees, student activity fees, continuing education program fees, internal service fund revenues, and all other revenues must be deposited in the institution special revenue funds. The state treasurer shall immediately transfer the funds deposited in the special revenue funds to institution accounts in the Bank of North Dakota. Biennial estimates of revenue and expenditures of the other funds by source of funds must be presented at the same time biennial budget requests for appropriations from the special revenue fund and state general fund are prepared and submitted to the office of the budget pursuant to section 15-10-15. Payments from each institution's general fund appropriation must be made in amounts as may be necessary for the operation and maintenance of each institution, ~~except that at the close of the biennium the balance of funds not paid from the general fund appropriation must be deposited in the special revenue funds of the institutions.~~ The funds in the institution accounts are appropriated on a continuing basis to the state board of higher education. All such appropriations are subject to proration in the same manner as other appropriations are prorated if insufficient funds are available to meet expenditures from the general fund. Sinking funds for the payment of interest and principal of institutional revenue bonds must be deposited pursuant to section 15-55-06.

SECTION 14. AMENDMENT. Section 54-44.1-04 of the North Dakota Century Code is amended and reenacted as follows:

54-44.1-04. Budget estimates of budget units filed with the office of the budget - Deadline. The head of each budget unit, not later than July fifteenth of each year next preceding the session of the legislative assembly, shall submit to the office of the budget, estimates of financial requirements of his budget unit for the next two fiscal years, on the forms and in the manner prescribed by the office of the budget, with such explanatory data as is required by the office of the budget and such additional data as the head of the budget unit wishes to submit. The budget estimates for the North Dakota university system must include block grants for the university system for a base funding component and for an initiative funding component for specific strategies or initiatives and a budget estimate for an asset funding component for renewal and replacement of physical plant assets at the institutions of higher education. The estimates so submitted must bear the approval of the board or commission of each budget unit for which a board or commission is constituted. The director of the budget in ~~his~~ the director's discretion may extend the filing date for any budget unit if ~~he~~ the director finds there is some circumstance which makes it advantageous to authorize the extension. If a budget unit has not submitted its estimate of financial requirements by the required date or within a period of extension set by the director of the budget, the

director of the budget shall prepare such budget unit's estimate of financial requirements except such estimate may not exceed ninety percent of such budget unit's previous biennial appropriation. The director of the budget or such subordinate officer as ~~he shall designate~~ the director designates shall examine the estimates and shall afford to the heads of budget units reasonable opportunity for explanation in regard thereto and, when requested, shall grant to the heads of budget units a hearing thereon which must be open to the public.

SECTION 15. AMENDMENT. Subsection 7 of section 54-44.1-06 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

7. Drafts of a proposed general ~~appropriations act~~ and special appropriations acts embodying the budget data and recommendations of the governor for appropriations for the next biennium, and drafts of such revenues and other acts recommended by the governor for putting into effect the proposed financial plan. The recommended general appropriation for each budget unit must be specified in a separate section of the general appropriations act. The draft of the proposed appropriations act for the North Dakota university system must include block grants for a base funding appropriation and for an initiative funding appropriation for specific strategies or initiatives, and an appropriation for asset funding for renewal and replacement of physical plant assets at the institutions of higher education in the format approved by the fifty-seventh legislative assembly.

SECTION 16. AMENDMENT. Section 54-44.1-11 of the North Dakota Century Code is amended and reenacted as follows:

54-44.1-11. Office of management and budget to cancel unexpended appropriations - When they may continue. ~~The~~ Except as otherwise provided by law, the office of management and budget, thirty days after the close of each biennial period, shall cancel all unexpended appropriations or balances of appropriations after the expiration of the biennial period during which they became available under the law. Unexpended appropriations for the North Dakota university system are not subject to this section. The chairman of the appropriations committees of the senate and house of representatives of the legislative assembly with the office of the budget may continue appropriations or balances in force for not more than two years after the expiration of the biennial period during which they became available upon recommendation of the director of the budget for:

1. New construction projects.
2. Major repair or improvement projects.
3. Purchases of new equipment costing more than ten thousand dollars per unit if it was ordered during the first twelve months of the biennium in which the funds were appropriated.
4. The purchase of land by the state on a "contract for deed" purchase where the total purchase price is within the authorized appropriation.

SECTION 17. EXPIRATION DATE. Sections 13, 14, 15, and 16 of this Act are effective through June 30, 2003, and after that date are ineffective."

Renumber accordingly

¹ **University System Office** - This amendment reduces, from \$19,490 to \$16,499, the amount provided for a market equity salary increase for the counsel and human resources director. The amount included in the bill will provide for a salary increase of \$623 per month for counsel and \$162 per month for the human resources director for the last 18 months of the biennium.

² **University System Office** - This amendment increases funding for student grant programs by \$370,000, from \$6,623,559 to \$6,993,559. The Hoeven executive budget recommended an increase in funding for student grant programs of \$830,000.

³ **University System Office** - This amendment increases funding for competitive research by \$528,900, from \$3,471,100 to \$4 million, which represents a \$2,028,900 increase from the 1999-2001 biennium.

⁴ **State College of Science** - This amendment adds special funds of \$531,720 for renovation of the Blikre Activities Center and \$385,000 for renovation of the Skills and Technology Training Center. A section of legislative intent is also added requiring all funds for the renovation of the Blikre Activities Center be raised before the start of the renovation project and any necessary additional funding required for the renovation to be from non-general fund sources.

Mayville State University - This amendment adds \$4 million of special funds for renovation of the Lewy Lee Fieldhouse.

⁵ **North Dakota State University** - This amendment removes special funding of \$550,820 for Robinson Hall renovation as funding for the project was provided in Senate Bill No. 2137.

State College of Science - This amendment removes special funding of \$1 million for parking lot improvements as the funding would be addressed in Senate Bill No. 2023.

Minot State University - This amendment removes the local fund match requirement of \$2,774,000 and Section 7 of the bill as introduced relating to the Old Main renovation project. The university's local match requirement would be addressed in Senate Bill No. 2023.

Senate Bill No. 2003 - Other Changes - Senate Action

This amendment also:

- Provides for a Legislative Council study regarding the State Board of Higher Education's implementation of the performance and accountability measures report required by Senate Bill No. 2041.
- Provides a section of legislative intent regarding higher education accountability measures.
- Incorporates the provisions of Senate Bill No. 2037 relating to the appropriation of special funds and the carryover of unexpended appropriations and Senate Bill No. 2038 relating to the University System budget request and appropriations bill that would expire on June 30, 2003.
- Removes Section 6 of the bill as introduced relating to the local match requirement for Old Main renovation project at Minot State University as the university's local match requirement would be addressed in Senate Bill No. 2023.
- Removes Section 7 of the bill as introduced relating to the establishment of a reserve fund for utility and repair costs for the College of Business building to be constructed at North Dakota State University.

- Amends Section 11 of the bill as introduced to clarify that the estimated income appropriated in Subdivision 13 of Section 1 includes \$120,000 from the State Forester reserve account for the construction of the Towner Nursery tree storage building.
