31 shall take into account:

- 1 a. The reasonable damages sustained by the victim or victims of the criminal
2 offense, which damages ~~must be~~ are limited to those directly related to the

4 which the program is implemented or any subsequent biennium without first reporting to the
5 legislative assembly or, if the legislative assembly is not in session, the budget section of the
6 legislative council.

7 **SECTION 13. AMENDMENT.** Subsection 2 of section 54-23.4-12 of the 1999
8 Supplement to the North Dakota Century Code is amended and reenacted as follows:

- 9 2. ~~Prior to~~ Before bringing an action to recover damages related to criminally injurious
10 conduct for which compensation is claimed or awarded, the claimant shall give the
11 division written notice of the proposed action. If a claimant brings an action for the
12 recovery of damages related to criminally injurious conduct for which
13 compensation is claimed or awarded, the division is subrogated to the rights of the
14 claimant up to the total amount the division has paid. When there has been a
15 recovery of damages, the costs of the action, to be paid by the division from the
16 recovery, exclusive of attorney's fees, must be prorated and adjusted on the
17 percentage of the total subrogation interest of the division recovered to the total
18 recovery. If there is a recovery, the division shall pay attorney's fees to the
19 claimant's attorney from the recovery in the amount of twenty-five percent of the
20 subrogation interest recovered. For purposes of this section, recovery includes
21 proceeds paid pursuant to a settlement, confession of judgment, or judgment of a
22 court. The division may intervene in the action to recover compensation awarded.
23 The division has a lien on a recovery to the extent it has paid compensation. The
24 division is not liable for costs or attorney's fees when the claimant has not provided
25 the division prior written notice of the commencement of an action. If a claimant
26 does not bring an action for damages within six months from the date the division
27 awarded benefits, the division may bring an action or claim for relief in the
28 division's name and may retain as the division's subrogation interest the full
29 amount the division has paid in compensation and benefits to a claimant. The
30 division may bring an action within two years from the date the division first

- 1 awarded benefits, notwithstanding any other statute of limitation. This section
- 2 does not limit the claimant's right to bring an action to recover for other damages.
