SECTION 12. AMENDMENT. Subsection 1 of section 10-04-16 of the North Dakota Century Code is amended and reenacted as follows:

1. Issue any order including cease and desist, rescission, stop, and suspension orders, which the commissioner deems necessary or appropriate in the public interest or for the protection of investors. The commissioner may, in addition to any other remedy authorized by this chapter, impose by order and collect a civil penalty against any person found in an administrative action to have violated any provision of this chapter, or any rule or order adopted or issued under this chapter, in an amount not to exceed ten thousand dollars for each violation. The commissioner may bring actions to recover penalties pursuant to this section in district court. A person aggrieved by an order issued pursuant to this subsection may request a hearing before the commissioner if a written request is made within ten days after receipt of the order. Subsections 2, 3, and 4 of section 10-04-12 apply to any hearing conducted under this subsection. If, after a hearing, the commissioner sustains an order previously issued, the sustaining order is subject to appeal to the district court of Burleigh County by serving on the commissioner within twenty days after the date of entry of the sustaining order a written notice of appeal signed by the appellant stating:
 - a. The order of the commissioner from which the appeal is taken.
 - b. The grounds upon which a reversal or modification of the order is sought.
 - c. A demand for a certified transcript of the record of the order.

SECTION 13. AMENDMENT. Section 10-04-16.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

10-04-16.1. Investigations and subpoenas.

1. The commissioner may:
 - a. Make such public or private investigations within or outside of this state as the commissioner deems necessary to determine whether any person has violated, is violating, or is about to violate any provision of this chapter or any rule or order hereunder, or to aid in the enforcement of this chapter or in the prescribing of rules and forms hereunder. ~~Any investigation under this section may include an investigatory hearing held in accordance with section 28-32-08.~~ In the discretion of the commissioner, the expense reasonably attributed to an investigation under this section must be paid by the dealer, agent, investment adviser, or investment adviser representative whose affairs are investigated.
 - b. Require or permit any person to file a statement in writing, under oath or otherwise as the commissioner determines, as to all the facts and circumstances concerning the matter to be investigated.
 - c. Publish information concerning any violation of this chapter or any rule or order hereunder, and may keep confidential the information or documents obtained or

prepared in the course of any investigation conducted under this section but only during an active and ongoing investigation. If an investigation under this section extends beyond six months, the commissioner shall, upon a request by any party, state in writing that the need for confidentiality still exists, the general reason why the need exists, and the date, as can best be determined at the time, when the need for confidentiality will cease.

2. For the purpose of any investigation or proceeding under this chapter, the commissioner or any officer designated by the commissioner may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the commissioner deems relevant or material to the inquiry.
3. The commissioner may issue subpoenas in this state at the request of a securities agency or administrator of another state if the activities constituting an alleged violation for which information is sought would be a violation of this chapter if the activities had occurred in this state.
4. In case of contumacy by, or refusal to obey a subpoena issued to, any person, the district court, upon application by the commissioner, may issue to the person an order requiring the person to appear before the commissioner, or the officer designated by the commissioner, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. Failure to obey the order of the court may be punished by the court as a contempt of court.
4. 5. No person is excused from attending and testifying or from producing any document or record before the commissioner, or in obedience to the subpoena of the commissioner or any officer designated by the commissioner, or in any proceeding instituted by the commissioner, on the ground that the testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. No testimony or evidence, documentary or otherwise, compelled from an individual after a valid claim of the privilege against self-incrimination has been made may be used against the individual in any criminal proceeding, or in any proceeding to subject the individual to a penalty or forfeiture, except that the individual testifying is not exempt from prosecution and punishment for perjury or contempt committed in testifying.

SECTION 14. AMENDMENT. Section 10-04-18 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

10-04-18. Penalties.

Any person who willfully violates any provision of this chapter, except section 10-04-08.4 or subsection 4 of section 10-04-10, or any rule or order of the commissioner made pursuant to the provisions of this chapter, or who engages in any act, practice, or transaction declared by any provision of this chapter to be unlawful shall be guilty of a class B felony.
2. As used in this section, the term "willfully", except as it applies to subdivisions a and b of subsection 1 of section 10-04-10.1 and subsections 2 and 4 of section 10-04-15, means that the person acted intentionally in the sense that the person was aware of what the person was doing. Proof of evil motive or intent to violate the law or knowledge that the law was being violated is not required.
3. Each violative act or omission constitutes a separate offense, and a prosecution or conviction for any one offense shall not bar a prosecution or conviction for any other offense.
4. An information must be filed or an indictment must be found under this chapter within five years after the alleged violation.

5. No action may be brought under this chapter by the commissioner after five years from the date that the commissioner knew or reasonably should have known about the facts that are the basis for the alleged violation. This subsection does not apply to any action under sections 10-04-09, ~~10-04-10.1~~, and 10-04-11, ~~and 10-04-15~~.
