2 4-09-16, 4-09-17, 4-09-17.1, and 4-09-18 of the North Dakota Century Code, relating to state
3 seed commission membership, seed labeling, and seed fees.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 4-09-03 of the 1999 Supplement to the North
6 Dakota Century Code is amended and reenacted as follows:

7 **4-09-03. State seed commission - Members - Meetings - Appointment and duties**
8 **of commissioner.**

- 9 1. The state seed commission is the governing board of the seed department and
10 shall adopt rules and regulations pursuant to chapter 28-32 to effectuate the
11 purposes of this section.
- 12 2. The state seed commission consists of a representative of the North Dakota crop
13 improvement association, a representative of the North Dakota certified seed
14 potato growers association, a representative of the North Dakota dry edible bean
15 seed growers association, a representative of the North Dakota agricultural
16 association, an elected member of the North Dakota potato council selected by the
17 North Dakota potato council, a representative of the red river valley potato growers
18 association who is a North Dakota resident, a representative of the North Dakota
19 grain dealers association who also operates a state-approved seed conditioning
20 plant selected by the board of directors of the North Dakota grain dealers
21 association, and the agriculture commissioner, or the commissioner's designee,
22 who shall serve as chairman. The associate dean and director of the experiment
23 station, or the director's designee, of the college of agriculture of the North Dakota

state university of agriculture and applied science is ~~an advisory, nonvoting a~~
voting member of the commission.

3. ~~The commission shall meet during the months of November and June of each a~~
minimum of two times each calendar year and may hold special meetings at the
call of the chairman or by request of any two members of the commission.

Members of the commission must be reimbursed for mileage and travel as
specified in section 54-06-09 and expenses as specified in section 44-08-04 for
attendance at regular and special meetings. A commission member unable to
attend a meeting of the commission may be represented by a proxy who has
written authorization from such commission member.

4. The commission shall appoint a qualified manager of the seed department who
must be known as the state seed commissioner. The commission shall fix the
salary of the commissioner within legislative appropriation therefor. The
commissioner's appointment must be reviewed annually by the commission, and
the commissioner is subject to removal for cause. In the event of a vacancy in the
office of seed commissioner, the commission may appoint a temporary state seed
commissioner to serve until such time as a permanent commissioner is appointed.
The state seed commissioner has responsibility for preparing the biennial budget
and annual salary schedules which must be approved by the commission prior to
submission to the state budget director. The commissioner is directly responsible
to the commission and shall make semiannual reports to the commission and such
other reports as requested by the commission.

SECTION 2. AMENDMENT. Section 4-09-13 of the North Dakota Century Code is
amended and reenacted as follows:

16 seed, which may be or become eligible for field inspection or for final certification
17 of the seed crop.
- 18 3. Prescribe all labels, seals, certificates, or similar statements that must be used for,
19 or in relation to, any seed, or the various kinds and qualities grown, handled,
20 stored, held for sale, sold, or offered or exposed for sale in this state as "breeders",
21 "foundation", "registered", or "certified", ~~or "inspected"~~ seed, and shall specify what
22 words, terms, or figures such labels, seals, certificates, or the containers of such
23 seed must bear.
- 24 4. Cooperate with the managers of any seed conditioning plants, or any commercially
25 established seed firm, or any person within or outside of the state having proper
26 facilities and equipment to store, condition, and otherwise handle seed which is
27 eligible for certification, for the purposes of handling and marketing "breeders",
28 "foundation", "registered", or "certified", ~~or "inspected"~~ seed.
- 29 5. Cooperate in the selection, testing, and growing of seed for certification purposes
30 and in the arrangement for increase of foundation seed stocks suitable for the
31 production of certified seed.

6. Establish, with the approval of the state seed commission, an equitable schedule of fees and charges, which must be uniform throughout the state, for inspecting, testing, analyzing, and recording such seed, and for other work and duties incident to the growing, handling, marketing, and certifying of North Dakota seed, and shall collect all such fees and charges.

SECTION 6. AMENDMENT. Section 4-09-17 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-17. Certified seed - Regulations governing labeling and representing. Seed grown in North Dakota, or grown elsewhere and transported into this state, which is sold, offered or exposed for sale, stored, transported, or distributed, or held with intent to sell or plant the same, may not be represented, advertised, labeled, or characterized in any way, either orally or in writing, with or by the use of the term "breeders", "foundation", "registered", "certified", "pedigreed", or "elite", ~~or "inspected"~~ seed, or any term or terms conveying a meaning substantially equivalent to the meaning of any of said terms, without the approval and authorization of the commissioner, who may adopt such rules as the commissioner finds necessary for the proper regulation and protection of the certified seed industry.

SECTION 7. AMENDMENT. Section 4-09-17.1 of the North Dakota Century Code is amended and reenacted as follows:

4-09-17.1. Plant Variety Protection Act. Any seed advertised, offered for sale, or sold by variety name and for which a certificate of plant variety protection has been issued under the Plant Variety Protection Act, as amended, [Pub. L. 91-577; 84 Stat. 1551; 7 U.S.C. 2481 et seq., effective as of July 1, 2001] as being for sale only as a class of certified seed must be certified by an official seed certifying agency in order for the seed to be advertised, offered for sale, or sold by variety name in the state of North Dakota. Seed from a certified lot may be labeled as to variety name when used in a blend or mixture by or with approval of the owner of the variety.

SECTION 8. AMENDMENT. Section 4-09-18 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-18. Certified seed standards ~~—Fees~~. The rules, and requirements, ~~and fees~~ for certification of crop seeds, other than potatoes, must be those prescribed and set forth in the

1 state seed department bulletin number 51, published in March 1945, and subsequent
2 announcements and revisions of the bulletin.

3 The rules, and requirements, ~~and fees~~ for seed potato certification must be those
4 prescribed and set forth in the state seed department bulletin number 49 as revised in August
5 1950, and subsequent announcements and revisions of the bulletin.
