5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1. AMENDMENT.** If House Bill No. 1045 does not become effective, section
7 15-40.3-01 of the 1999 Supplement to the North Dakota Century Code is amended and
8 reenacted as follows:

9 **15-40.3-01. Open enrollment - Procedure.** A student's parent or legal guardian who
10 wishes to enroll the student in a North Dakota school district other than the student's district of
11 residence shall, not later than February first of the school year preceding the year of
12 enrollment, apply to the school board of the student's district of residence, on forms provided by
13 the superintendent of public instruction, for approval to enroll the student in a district other than
14 the student's district of residence. By March first of the school year preceding the year of
15 enrollment, the school board of the district of residence shall act on the application, notify the
16 parent or legal guardian of the board's decision within five days, and if the application is
17 approved, immediately transmit the application to the admitting district. By April first, the board
18 of the admitting district shall approve or disapprove the application. The board of the admitting
19 district shall notify the board of the district of residence and the student's parent or legal
20 guardian within five days regarding its decision. Notice of intent to enroll in the admitting district
21 obligates the student to attend the admitting district during the following school year, unless the
22 school boards of the resident and the admitting districts agree in writing to allow the student to
23 transfer back to the resident district, or the student's parents or guardians change residence to
24 another district. All applications must be reviewed in the order that they are received. A

1 student whose school district of residence does not offer the grade level in which the student
2 requires enrollment may not participate in open enrollment. For purposes of determining
3 whether the grade level in which a student requires enrollment is offered, the several school
4 districts cooperating with each other for the joint provision of educational services under a plan
5 approved by the superintendent of public instruction must be considered to be a single district.
6 A child placed at a group or residential care facility or a residential treatment center in
7 accordance with section 15-40.2-08 is not eligible for open enrollment under this section. The
8 school board of a school district of residence and of an admitting district shall waive the
9 application, consideration, and approval dates in this section for any student who, together with
10 the student's parent or legal guardian, moves from the student's school district of residence to
11 another school district and who wishes to enroll in a school district, other than the district to
12 which the student moved. The school board of a school district of residence and of an
13 admitting district shall waive the application, consideration, and approval dates in this section
14 for any student who, together with the student's parent or legal guardian, moves into this state
15 from out of state and who wishes to enroll in a school district other than the district to which the

2 ~~athletic activities during the 1992-93 school year, at a school in a district other~~
3 ~~than the student's district of residence or at a school outside the boundary~~

14 a hearing and accept testimony and evidence regarding the complaint. If the
15 superintendent finds that a school district has violated this subsection, the
16 superintendent may withhold some or all of the transportation aid payments to
