SECTION 4. AMENDMENT. Section 43-17-32.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

43-17-32.1. Temporary suspension - Appeal.

1. When, based on verified evidence, the board ~~has probable cause to believe that the suspension of a physician's license is required to reasonably protect the public from imminent or critical harm~~ determines by a clear and convincing standard that the evidence presented to the board indicates that the continued practice by the physician would create a significant risk of serious and ongoing harm to the public while a disciplinary proceeding is pending, and that immediate suspension of the physician's license is required to reasonably protect the public from that risk of harm, the board may order a temporary

suspension ex parte. For purposes of this section, "verified evidence" means testimony taken under oath and based on personal knowledge. The board shall give prompt written notice of the suspension to the physician, which must include a copy of the order and complaint, the date set for a full hearing, and a specific description of the nature of the evidence, including a list of all known witnesses and a description of any documents relied upon by the board in ordering the temporary suspension which, upon request, must be made available to the physician.

2. An ex parte temporary suspension remains in effect for not more than sixty days, unless until a final order is issued after a full hearing or appeal under this section or until the suspension is otherwise terminated by the board.
3. The board shall set the date of a full hearing for suspension or revocation of the physician's license for conduct a hearing on the merits of the allegations to determine what disciplinary action, if any, shall be taken against the physician who is the subject of the ex parte suspension. That hearing must be held not later than sixty thirty days from the issuance of the ex parte temporary suspension order. Within three days after the issuance of the ex parte suspension order the board shall serve the physician with a copy of the order along with a copy of the complaint and notice of the date set for the full hearing. The physician is entitled to a continuance of the thirty-day period upon request for a period determined by the hearing officer.
4. The physician may appeal the ex parte temporary suspension order prior to the full hearing. For purposes of appeal, the district court shall decide whether the board acted reasonably or arbitrarily. The court shall give priority to the appeal for prompt disposition thereof.
