SENATE AMENDMENTS TO REENGROSSED HOUSE BILL NO. 1141

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to create and enact three new sections to chapter 15.1-12 of the North Dakota Century Code, relating to school district reorganization; and to amend and reenact section 15.1-12-11.1 of the North Dakota Century Code, relating to school district reorganization bonuses.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 15.1-12 of the North Dakota Century Code is created and enacted as follows:

Reorganization plan - Building fund levy.The reorganization plan required by section 15.1-12-09 may propose the inclusion of up to ten mills as a building fund levy. If the reorganization plan is approved by a majority of electors residing within the boundaries of the proposed new district, the building fund levy becomes effective, notwithstanding any other voter approval requirement in section 57-15-16.

SECTION 2. A new section to chapter 15.1-12 of the North Dakota Century Code is created and enacted as follows:

Reorganization plan - Interim fund balance.

1. The reorganization plan must specify whether the balance in the interim fund of each district participating in the reorganization is to be wholly or partially allocated to the general fund of the newly reorganized district.
2. If the reorganization plan provides that the balance in the interim fund of each district participating in the reorganization is to be wholly allocated to the general fund of the newly reorganized district, the reorganization plan may also provide that the general fund mill levy applicable to property in those participating districts having a general fund mill levy that is lower than the proposed general fund mill levy for the reorganized district may be raised incrementally, over a period of five years, to the level proposed for the reorganized district.
3.
 - a. If the reorganization plan provides that the balance in the interim fund of each district participating in the reorganization is to be partially allocated to the general fund of the newly reorganized district, then each participating district shall divide the amount of its interim fund balance on the day preceding the effective date of the reorganization by the number of students in average daily membership in the district during the school year concluding on the day preceding the effective date of the reorganization.
 - b. The participating district having the lowest per student interim fund balance must contribute the total amount of its interim fund balance to the general fund of the newly reorganized district.
 - c. Each of the other participating districts shall multiply the lowest district's per student interim fund amount by the number of students in average daily membership in their respective districts during the school year concluding on the day preceding the effective date of the

reorganization. Each of the other participating districts must contribute the lesser of the amount arrived at under this subdivision or the total amount in its interim fund to the general fund of the newly reorganized district.

- d. If after complying with the requirements of subdivision c, a participating district has a balance available in its interim fund, the reorganization plan must allow that balance to be used by or on behalf of property owners residing within the boundaries of that participating district, as a proportionate credit against any property taxes owed by the property owners. The reorganization plan must determine the manner in which the proportionate credit must be used. The credit may be used either in its entirety on a single occasion or applied to several taxable years. The credit may not be used beyond the fifth taxable year.

SECTION 3. AMENDMENT. Section 15.1-12-11.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

 - b. One thousand dollars per student calculated by determining the lesser of the total fall enrollment of the newly reorganized district or seven hundred fifty and subtracting from that amount the fall enrollment in the district or portion of the district that had the largest student population of those districts or portions of districts participating in the reorganization during the school year immediately preceding the effective date of the reorganization; and
 - c. Fifty thousand dollars for each whole school district that formed the reorganized district.
3. The superintendent of public instruction shall distribute the reorganization bonus to each eligible reorganized district during the month of December, following the effective date of the district's reorganization.

SECTION 4. A new section to chapter 15.1-12 of the North Dakota Century Code is created and enacted as follows:
