5 created and enacted as follows:

6 **Optional consolidation of county mill levies.**

- 7 1. In lieu of determining its general fund levy limitation under section 57-15-01.1 or

12 24-05-01, 32-12.1-08, 40-38-02, 40-57.2-04, 49-17.2-21, 52-09-08, 57-15-06.4,
13 57-15-06.5, 57-15-06.6, 57-15-06.9, 57-15-10.1, 57-15-27.2, 57-15-54, 57-15-59,
14 57-47-04, 61-04.1-26, and 63-01.1-06 with its general fund levy under section
15 15-15-06 to provide for a county general fund levy which may not exceed one
16 hundred thirty-four mills on the dollar of taxable valuation of the county. A county
17 that elects to determine its general fund levy authority under this section may not
18 impose separate levies under the sections listed in this subsection.
- 19 2. The consolidation of mill levies under subsection 1 may be accomplished by
20 resolution of the board of county commissioners, subject to the right of referendum
21 by the county electors. The board of county commissioners may by majority vote
22 adopt a preliminary resolution providing for the consolidated levy. The board shall
23 publish the preliminary resolution in the official newspaper of the county, at least
24 once during two different weeks within the thirty-day period immediately following

1 the adoption of the preliminary resolution. The board of county commissioners
2 shall hold public hearings and receive comments regarding the consolidation of mill
3 levies. The preliminary resolution may be referred to the qualified electors of the
4 county by a petition protesting the consolidation. The petition must be signed by
5 ten percent or more of the total number of qualified electors of the county voting for
6 governor at the most recent gubernatorial election, and filed with the county auditor
7 before four p.m. on the ninetieth day after the preliminary resolution is adopted. If
8 the petition contains the signatures of a sufficient number of qualified electors, the
9 board of county commissioners shall rescind the preliminary resolution or submit
10 the resolution to a vote of the qualified electors of the county at the next regular
11 election or at a special election called by the board of county commissioners to
12 address the question. If a majority of the qualified electors voting on the question
13 approve the resolution, the consolidation is effective for the next tax year. If a
14 petition protesting the consolidation is not submitted within ninety days, the board
15 of county commissioners shall consider the comments received regarding the
16 consolidation and either adopt a final resolution implementing the consolidation or
17 rescind the preliminary resolution. The consolidation of mill levies may be reversed
18 by resolution of the board of county commissioners following the same procedure
19 provided for implementation of the consolidation or by a majority vote of the
20 qualified electors of the county voting on the question pursuant to submission of a
21 petition to reverse the consolidation signed by ten percent or more of the total
22 number of qualified electors of the county voting for governor at the most recent
23 gubernatorial election.
