SEED COMMISSION MEMBERSHIP AND SEED LABELING

AN ACT to amend and reenact sections 4-09-03, 4-09-13, 4-09-14.4, 4-09-16, 4-09-17, 4-09-17.1, and 4-09-18 of the North Dakota Century Code, relating to state seed commission membership and seed labeling.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 4-09-03 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-03. State seed commission - Members - Meetings - Appointment and duties of commissioner.

1. The state seed commission is the governing board of the seed department and shall adopt rules and regulations pursuant to chapter 28-32 to effectuate the purposes of this section.
2. The state seed commission consists of a representative of the North Dakota crop improvement association, a representative of the North Dakota certified seed potato growers association, a representative of the North Dakota dry edible bean seed growers association, a representative of the North Dakota agricultural association, an elected member of the North Dakota potato council selected by the North Dakota potato council, a representative of the red river valley potato growers association who is a North Dakota resident, a representative of the North Dakota grain dealers association who also operates a state-approved seed conditioning plant selected by the board of directors of the North Dakota grain dealers association, and the agriculture commissioner, or the commissioner's designee, who shall serve as chairman. The associate dean and director of the experiment station, or the director's designee, of the college of agriculture of the North Dakota state university of agriculture and applied science is an advisory, nonvoting a voting member of the commission.
3. The commission shall meet ~~during the months of November and June of each~~ a minimum of two times each calendar year and may hold special meetings at the call of the chairman or by request of any two members of the commission. Members of the commission must be reimbursed for mileage and travel as specified in section 54-06-09 and expenses as specified in section 44-08-04 for attendance at regular and special meetings. A commission member unable to attend a meeting of the commission may be represented by a proxy who has written authorization from such commission member.

4. The commission shall appoint a qualified manager of the seed department who must be known as the state seed commissioner. The commission shall fix the salary of the commissioner within legislative appropriation therefor. The commissioner's appointment must be reviewed annually by the commission, and the commissioner is subject to removal for cause. In the event of a vacancy in the office of seed commissioner, the commission may appoint a temporary state seed commissioner to serve until such time as a permanent commissioner is appointed. The state seed commissioner has responsibility for preparing the biennial budget and annual salary schedules which must be approved by the commission prior to submission to the state budget director. The commissioner is directly responsible to the commission and shall make semiannual reports to the commission and such other reports as requested by the commission.

³⁴ **SECTION 2. AMENDMENT.** Section 4-09-13 of the North Dakota Century Code is amended and reenacted as follows:

4-09-13. Tolerances. The tolerances used in determining correctness and accuracy in labeling seed as described in this chapter must be those tolerances used under the Federal Seed Act of August 9, 1939, and subsequent amendments ~~thereto~~ as of July 1, 2001, except if the commissioner, by rule, establishes tolerances that meet or exceed Federal Seed Act tolerances.

SECTION 3. AMENDMENT. Section 4-09-14.4 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-14.4. Permit. The commissioner is authorized at the commissioner's discretion, under such rules as may be promulgated, to issue a permit to any person to label agricultural, vegetable, flower, and tree and shrub seeds in North Dakota. The person shall apply to the commissioner for a permit and shall furnish the seed department with ~~periodic statements~~ an annual statement of all seeds sold in North Dakota when requested by the seed commissioner. ~~Each statement must be itemized to show the number of each class of containers referred to in section 4-09-14.3.~~ Statements that must be furnished for each reporting period, must be delivered to the commissioner not later than thirty-one days after the end of each reporting period, and must be accompanied by the appropriate fee. A penalty fee of ten dollars, or five percent of the total amount due, whichever is greater, will be assessed for reports that are not postmarked within thirty-one days after the end of the reporting period. Any person to whom a permit is granted shall show such information in connection therewith as the commissioner may require as part of the label on all seed sold. The commissioner or the commissioner's authorized agent has the right at all reasonable times to examine the records of any permit holder to verify the correctness of its statements. ~~The commissioner, when requested, may grant a farmer who grows his own seed and sells only his own seed, the right to report annually.~~

SECTION 4. AMENDMENT. Section 4-09-16 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

³⁴ Section 4-09-13 was also amended by section 1 of Senate Bill No. 2204, chapter 62.

4-09-16. Certified seed. The commissioner shall:

1. Establish a seed certification system for this state and adopt rules governing application for service, acceptance of suitable seed stocks for the production of a foundation, registered, certified, or inspected crop, field inspection, bin inspections, harvesting, handling, storage, conditioning, and preparation and handling of such seed for market.
2. Designate kinds, varieties, and names of seed stocks, and establish standards of quality, degree of disease infection, and amounts of any admixtures, foreign seeds, noxious weeds, or other weed seeds that are allowed in any lot or stock of seed, which may be or become eligible for field inspection or for final certification of the seed crop.
3. Prescribe all labels, seals, certificates, or similar statements that must be used for, or in relation to, any seed, or the various kinds and qualities grown, handled, stored, held for sale, sold, or offered or exposed for sale in this state as "breeders", "foundation", "registered", or "certified"; ~~or "inspected"~~ seed, and shall specify what words, terms, or figures such labels, seals, certificates, or the containers of such seed must bear.
4. Cooperate with the managers of any seed conditioning plants, or any commercially established seed firm, or any person within or outside of the state having proper facilities and equipment to store, condition, and otherwise handle seed which is eligible for certification, for the purposes of handling and marketing "breeders", "foundation", "registered", or "certified"; ~~or "inspected"~~ seed.
5. Cooperate in the selection, testing, and growing of seed for certification purposes and in the arrangement for increase of foundation seed stocks suitable for the production of certified seed.
6. Establish an equitable schedule of fees and charges, which must be uniform throughout the state, for inspecting, testing, analyzing, and recording such seed, and for other work and duties incident to the growing, handling, marketing, and certifying of North Dakota seed, and shall collect all such fees and charges.

SECTION 5. AMENDMENT. Section 4-09-17 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-17. Certified seed - Regulations governing labeling and representing. Seed grown in North Dakota, or grown elsewhere and transported into this state, which is sold, offered or exposed for sale, stored, transported, or distributed, or held with intent to sell or plant the same, may not be represented, advertised, labeled, or characterized in any way, either orally or in writing, with or by the use of the term "breeders", "foundation", "registered", "certified", "pedigreed", or "elite"; ~~or "inspected"~~ seed, or any term or terms conveying a meaning substantially equivalent to the meaning of any of said terms, without the approval and authorization of the commissioner, who may adopt such rules as the commissioner finds necessary for the proper regulation and protection of the certified seed industry.

SECTION 6. AMENDMENT. Section 4-09-17.1 of the North Dakota Century Code is amended and reenacted as follows:

4-09-17.1. Plant Variety Protection Act. Any seed advertised, offered for sale, or sold by variety name and for which a certificate of plant variety protection has been issued under the Plant Variety Protection Act, as amended, [Pub. L. 91-577; 84 Stat. 1551; 7 U.S.C. 2481 et seq., effective as of July 1, 2001] as being for sale only as a class of certified seed must be certified by an official seed certifying agency in order for the seed to be advertised, offered for sale, or sold by variety name in the state of North Dakota. Seed from a certified lot may be labeled as to variety name when used in a blend or mixture by or with approval of the owner of the variety.

SECTION 7. AMENDMENT. Section 4-09-18 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-09-18. Certified seed standards - Fees. The rules, and requirements, ~~and fees~~ for certification of crop seeds, other than potatoes, must be those prescribed and set forth in the state seed department bulletin number 51, published in March 1945, and subsequent announcements and revisions of the bulletin.

The rules, and requirements, ~~and fees~~ for seed potato certification must be those prescribed and set forth in the state seed department bulletin number 49 as revised in August 1950, and subsequent announcements and revisions of the bulletin.

SEED CLASSIFICATION AND NOXIOUS WEED SEEDS

AN ACT to create and enact a new section to chapter 4-09 of the North Dakota Century Code, relating to the establishment of a seed classification system; to amend and reenact section 4-09-13 and subsection 1 of section 4-09-14 of the North Dakota Century Code, relating to noxious weed seeds; and to provide an expiration date.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

³⁵ **SECTION 1. AMENDMENT.** Section 4-09-13 of the North Dakota Century Code is amended and reenacted as follows:

4-09-13. Tolerances. The tolerances used in determining correctness and accuracy in labeling seed as described in this chapter must be those tolerances used under the Federal Seed Act of August 9, 1939, and subsequent amendments ~~thereto~~ as of July 1, 2001, except that the tolerance for yellow starthistle must be zero and the commissioner may, by rule, establish tolerances that are more strict than the Federal Seed Act tolerances.

SECTION 2. A new section to chapter 4-09 of the North Dakota Century Code is created and enacted as follows:

Seed classification system - Weed tolerances. The seed commission shall establish a seed classification system for annual crops and perennial crops which references tolerances for each restricted noxious weed species.

SECTION 3. AMENDMENT. Subsection 1 of section 4-09-14 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

1. It is unlawful for any person to sell, offer for sale, expose for sale, transport for sale, or hold or store with the intent to sell, any agricultural, vegetable, flower, or tree and shrub seed within this state if:
 - a. The test to determine the percentage of germination required under sections 4-09-10, 4-09-11, 4-09-11.1, and 4-09-11.2 has not been completed within a nine-month period, exclusive of the calendar month in which the test was completed, immediately prior to the sale, offering for sale, or transportation, provided that seeds contained in a hermetically sealed container, as defined by regulation issued by the seed commissioner, may be sold,

³⁵ Section 4-09-13 was also amended by section 2 of Senate Bill No. 2104, chapter 60.

transported for sale, or held for sale unless the test provided in this subdivision has not been completed within a thirty-six-month period, exclusive of the calendar month in which the test was completed, immediately prior to the sale, offering for sale, or transportation for sale;

- b. ~~Such~~ The seed is not labeled in accordance with the provisions of this chapter or bears false or misleading labeling;
- c. There has been false or misleading advertising in connection with ~~such~~ the seed;
- d. ~~Such~~ The seed contains prohibited noxious weed seeds;
- e. With regard to agricultural or vegetable seed, ~~such~~ the seed is not labeled to show the rate of occurrence of restricted noxious weed seeds, as required under sections 4-09-10 and 4-09-11;
- f. ~~Such~~ The seed is designated, offered, represented, or advertised under any name or identification other than that by which it was known originally;
- g. ~~Such~~ The seed contains restricted noxious weed seeds in excess of ~~ninety~~ twenty-five seeds per pound [453.59 grams]; or
- h. The percentage by weight of all weed seeds in the seed exceeds one percent.

Any person, under rules ~~and regulations to be made therefor~~ adopted by the commissioner, may submit to the commissioner a sample of any seed which the person claims to be a new variety, distinct from any commonly known variety of ~~such~~ the seed, together with a proposed, distinctive name ~~therefor~~. The commissioner, within one year, shall make ~~such~~ any tests as the commissioner considers necessary, and if the commissioner finds as a result of ~~such~~ the tests that ~~such~~ the seed or plant is of a new variety, distinct from any known variety of ~~such~~ the seed ~~known theretofore~~ and that the proposed name ~~proposed therefor~~ will properly distinguish ~~said~~ the seed from any and all other varieties ~~thereof~~, the commissioner shall issue to the ~~person applying therefor~~ applicant a permit to designate ~~such~~ the seed by ~~said~~ the proposed name. The purchaser, vendor, or any person receiving any seed shipped into this state from without the state, shall have the same labeled in accordance with ~~and in conformity to the requirements of~~ this chapter. Certain standardized grades and labeling of seed in use elsewhere may be permitted by the commissioner in connection with shipments of seed into this state from points outside ~~thereof~~ this state in lieu of the labeling provided for in this chapter.

SECTION 4. EXPIRATION DATE. This Act is effective through July 31, 2003, and after that date is ineffective.

GENETICALLY MODIFIED CROP SAMPLING

AN ACT relating to the sampling of genetically modified crops.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Genetically modified seed - Patent infringement - Sampling - Mediation.

1. For purposes of this section, farmer means the person responsible for planting a crop on, managing the crop, and harvesting the crop from land on which a patent infringement is alleged to have occurred.
2. a. Before a person holding a patent on a genetically modified seed may enter upon any land farmed by another for the purpose of obtaining crop samples to determine whether patent infringement has occurred, the person holding the patent:
 - (1) Shall notify the agriculture commissioner in writing of the person's belief that a patent infringement has occurred and include facts from the allegation;
 - (2) Shall notify the farmer in writing of the allegation that a patent infringement has occurred and request written permission to enter upon the farmer's land; and
 - (3) Must obtain the written permission of the farmer.
- b. If the farmer withholds written permission, the person holding a patent may petition the state district court for an order granting permission to enter upon the farmer's land.
3. The farmer may accompany the person holding the patent at the time any samples are taken.
4. If requested by the farmer or the person holding the patent, the state seed commissioner shall accompany the person holding the patent at the time any sample is taken. The state seed commissioner may impose a fee for providing that service. The patent holder and the farmer shall each pay one-half of the fee charged by the commissioner.
5. If the person holding a patent believes that the crop from which samples are to be taken may be subject to intentional damage or destruction, the person may seek a protection order from the state district court. The protection order may not interrupt or interfere with normal farming practices, including harvest and tillage.

6. The person holding the patent may take samples from a standing crop, from representative standing plants in the field, or from crops remaining in the field after harvest.
7. The person holding the patent may obtain no more samples than those reasonably necessary to make a determination regarding patent infringement. An equal number of samples must remain in the custody of the state seed commissioner or the farmer for future comparison and verification purposes. All samples taken must be placed in containers, labeled as to the date, time, and location from which they were taken, and the labels must be signed by the farmer, the person who took the samples, and the state seed commissioner if the commissioner was present at the time the samples were taken. The patent holder and the farmer shall share equally the cost of the containers needed for the second set of samples which are retained by the state seed commissioner or the farmer. The farmer and the person holding the patent shall share equally the cost of the containers and the cost of obtaining the samples.
8. Within sixty days from the date the samples are taken, an independent laboratory shall conduct all tests to determine whether patent infringement has occurred. The person holding the patent shall notify the farmer of the test results, by certified mail or by any other method of delivery for which a signature is required, within twenty-one days from the date the results were reported to the person holding the patent.
9. The parties may participate in mediation at any time. The mediation must be conducted by a mediator jointly selected by the farmer and the person holding the patent. If the farmer and the person holding the patent are unable to select a mediator, the mediation must be conducted by an independent agricultural mediation service.
10. If the case is not settled after mediation, either party may file a claim for relief with the federal district court having jurisdiction over the claim. Unless otherwise specified in a contract between the farmer and the person holding the patent, the appropriate state district court is the one that has jurisdiction over that portion of this state in which the farmer's land is located.

- ~~33.~~ 31. "Skim milk solids or solids-not-fat" means the total solids in milk after all fat has been removed.
- ~~34.~~ 32. "Testing" means an examination of milk, or milk products by sight, odor, taste, or laboratory analysis to determine the quality, wholesomeness, or composition thereof.
- ~~35.~~ 33. "3A Standards" means standards which have been established for certain equipment, utensils, and other items by the 3A Sanitary Standards Committee of the International Association of Milk and Food Sanitarians, Incorporated.
- ~~36.~~ 34. "Transfer station" means a place where milk or milk products are regularly transferred from one vehicle to another. This definition shall

not be interpreted to include the warehouses, docks, loading platforms, or storage rooms of commercial carriers.

- ~~37.~~ 35. "Wholesale" means the sale of milk or milk products to a retail dealer for purposes of resale.

SECTION 2. AMENDMENT. Section 4-30-02 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-02. Licenses required - Fees - Term. Every producer-processor, peddler, distributor, every person purchasing milk or milk products for processing or manufacturing, or owning, operating, or leasing a creamery, cheese factory, condensery, drying plant, ice cream plant, ice milk plant, ~~cream station~~, milk plant, every other business engaged in the processing or manufacturing of milk or milk products and every organization acquiring milk or milk products as an agent for sale on behalf of others and doing business within this state shall obtain the license required by this section for each such place of business. Application for license must be made to the commissioner upon forms as the commissioner may require. Upon making application for license, it is implied that consent is given by the applicant for inspection by the department. If the commissioner finds that the applicant conforms to the North Dakota laws and the rules and regulations of the department, the commissioner shall issue a license for conducting those operations listed on the application form. If a licensee wishes to conduct operations other than those listed, the licensee may request that the commissioner approve them, and if the commissioner finds that the proposals are in conformance with North Dakota laws and the rules of the department, the commissioner shall approve them. The license must be posted conspicuously in each licensed business. All licenses issued under this section must expire on the thirtieth day of June of each year and are not transferable. The fee for licenses is twenty-five dollars. Every organization acquiring milk or milk products as an agent for sale on behalf of others is, for the purposes of this chapter, deemed to be a purchaser of milk ~~or cream~~ from a dairy producer.

SECTION 3. AMENDMENT. Section 4-30-02.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-02.1. Records release required with application for licensure. A purchaser of milk ~~or cream~~ in North Dakota shall file with the license application a release authorizing the commissioner access to the applicant's financial records held by financial institutions, accountants, and others. The release must be in a form approved by the commissioner. The commissioner may use the release in the course of licensing or relicensing the applicant or in the course of an investigation of the applicant due to a complaint against the applicant or when based upon evidence establishing probable cause of a violation of this chapter. Information gained through the use of a release is confidential. The commissioner may furnish information obtained through the use of the records release to any state agency and to any prosecutorial official requiring the information for use in performing official duties.

SECTION 4. AMENDMENT. Section 4-30-03.1 of the North Dakota Century Code is amended and reenacted as follows:

4-30-03.1. Financial condition - Assurance of prompt payment. Each applicant for a license under section 4-30-02 who purchases milk ~~or cream~~ from a dairy producer shall have first satisfied the department that the applicant's financial condition is such as to reasonably assure prompt payment to the dairy producers for purchased milk ~~and cream~~.

SECTION 5. AMENDMENT. Section 4-30-03.2 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-03.2. Statement of business operations or financial condition - Filing - Review by Bank of North Dakota - Confidential - Audited. Each applicant for a license under section 4-30-02 who purchases milk ~~or cream~~ from a dairy producer shall annually file with the department an audited financial statement prepared by an independent certified public accountant or licensed public accountant in accordance with generally accepted accounting practices and principles, verified by the accountant as accurately representing business operations and financial conditions of the plant business for which the statement is rendered, prepared as of the close of the plant's most recent fiscal year. In lieu of filing an audited financial statement an applicant may file other forms of security as provided in section 4-30-03.3. All audited financial statements shall be reviewed by the Bank of North Dakota. All statements shall be confidential and shall not be open for public inspection. The department may require additional statements to be audited by a certified public accountant or a licensed public accountant.

SECTION 6. AMENDMENT. Section 4-30-03.3 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-03.3. Surety bond, trustee agreement, other security or assurances. In all cases where it appears that the financial condition of any applicant or licensee who purchases milk ~~or cream~~ from a dairy producer is not adequate to reasonably assure payment to dairy producers when due for the milk ~~or cream~~ to be purchased, or in lieu of annually filing with the department an audited financial statement as required in section 4-30-03.2, the department shall require from an applicant or licensee security or other assurances in one of the following forms:

1. The filing of a surety bond acceptable to the department. The amount of the surety bond must be determined on the basis of average purchases of milk ~~or cream~~ from dairy producers during the previous year. Where payment for milk ~~or cream~~ purchased from dairy producers is made on a weekly basis, the amount of the surety bond must be at least in an amount equal to the average weekly purchases of milk ~~or cream~~. Where payment for milk ~~or cream~~ purchased from dairy producers is made on a semimonthly basis, the amount of the surety bond must be at least in an amount equal to the average semimonthly purchases of milk ~~or cream~~. Where the period of payment for milk ~~or cream~~ purchased from dairy producers is made on a basis involving periods of time greater than semimonthly, the amount of the surety bond must be at least in an amount equal to the average purchases of milk ~~or cream~~ for that greater period of time. The amount of the bond for each period of payment must also include an amount equal to at least the average purchases for three days following the close of the period of payment. The amount of the surety bond of any licensee who pays assignments to creditors of a producer of milk ~~and cream~~ at a lesser frequency than the licensee pays the producer must also include an amount equal to the value of assignments from the prior payment period. The commissioner must be named as obligee, but the bond or draft must be held for the purpose of protecting, and for the benefit of, any dairy producer, and the full and complete payment to ~~the seller~~ that dairy producer for all milk ~~or cream~~ purchased by the licensee. The aggregate liability of the bonding company or the department to all dairy producers must in no event exceed the amount of the bond.

2. The providing of an amount of protection for dairy producers, from whom milk ~~or cream~~ is purchased, equal to the amount of protection provided in subsection 1, whereby the security is to be held by the department solely for the protection of dairy producers, in one or more of the following forms:
 - a. Cash deposited with a bank or trust company and held under an escrow agreement with the department.
 - b. Bonds of the United States deposited with the department.
 - c. Stocks, bonds, or other marketable securities at current market values, which securities have regularly reported quotations, deposited with the department.
 - d. A certified bank draft, certified check, irrevocable letter of credit, or certificate of deposit held in favor of the department.
3. The filing of an agreement providing for the complete control over all manufactured or processed milk and dairy products by a trustee to be selected at least annually by the dairy producers. The trustee shall make and file a trustee's bond and contracts signed by the owner or operator and the purchaser of the dairy products requiring that payment for all dairy products sold be made to the trustee. The trustee shall maintain a separate bank account for that purpose and shall at least annually render a true and correct account of trustee dealings to the department and to the dairy producers.

SECTION 7. AMENDMENT. Section 4-30-03.4 of the North Dakota Century Code is amended and reenacted as follows:

4-30-03.4. Financial basis for license - Statement to producer - Notification to department. All milk ~~or cream~~ purchasers licensed under section 4-30-02 shall inform producers delivering milk ~~and cream~~ of the financial basis on which the license was issued including the type and amount of security, if any, filed under section 4-30-03.3 by a written statement to each producer patron at least once every year. No person may receive milk ~~or cream~~ which will increase the amount due and accrued beyond the amount represented as a basis for the issuance of a license without first notifying the department.

SECTION 8. AMENDMENT. Section 4-30-03.5 of the North Dakota Century Code is amended and reenacted as follows:

4-30-03.5. Additional security. Whenever the department determines that the value of milk ~~or cream~~ purchased or received from producers has increased or that an increase may reasonably be anticipated, so that the total amount of security does not comply with the amount required by subsection 1 or 2 of section 4-30-03.3, the department shall require additional security as will afford producers the protection intended by section 4-30-03.3. The department may suspend or revoke any license if the licensee fails to provide the additional security required by the department pursuant to this section.

SECTION 9. AMENDMENT. Section 4-30-03.6 of the North Dakota Century Code is amended and reenacted as follows:

4-30-03.6. Filing of security before license year. Surety bonds or other security for the license year must be filed with the department not later than the first day of the month before the beginning of each license year. If any applicant or licensee who purchases or receives milk ~~or cream~~ from dairy producers has not filed a surety bond or other security, and has not been relieved from filing a surety bond or other security, by the first day of the month of the license year, the department shall notify producers selling milk ~~or cream~~ to the applicant or licensee that the applicant or licensee has not filed any security or made other provisions for assuring payments for milk ~~or cream~~ purchases, for the license year.

SECTION 10. AMENDMENT. Section 4-30-03.7 of the North Dakota Century Code is amended and reenacted as follows:

4-30-03.7. Failure to file security - Notice to producers. Whenever an applicant or licensee fails to file a surety bond or other security within the time fixed by section 4-30-03.6 or the department's demand for additional security, the department shall publish in a newspaper or newspapers having circulation in the area or areas in which the producers whose milk ~~or cream~~ is sold or delivered to the applicant or licensee reside, a notice stating that the department made demand or request of the applicant or licensee; that the applicant or licensee has failed to comply; that the department does not have on file a surety bond or other security as demanded; and that adequate security to protect producers may not be available to them. In addition to published notice to producers, the department shall send by registered mail, a copy of the notice to each producer delivering milk ~~or cream~~ to the applicant or licensee as may be able to be determined from available records and the notice must be addressed to the producer's last known place of residence.

SECTION 11. AMENDMENT. Section 4-30-03.8 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-03.8. Out-of-state dealers, processors, or producers not exempt. Sections 4-30-03.1 through 4-30-03.10 apply to all milk ~~or cream~~ purchasers licensed under section 4-30-02 doing business in whole or in part within the state. The protection to producers afforded by sections 4-30-03.1 through 4-30-03.10 is available to the producers of any state selling milk ~~or cream~~ to any licensee licensed under section 4-30-02, but the surety bond or other security required by sections 4-30-03.3 and 4-30-03.5 is payable only for the benefit of producers who are located within this state.

SECTION 12. AMENDMENT. Section 4-30-13.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-13.1. Commissioner to investigate complaint. Upon receiving a ~~written~~ statement claiming that any provision of this chapter or the rules of the department have been violated, the commissioner shall investigate the complaint as thoroughly and as soon as possible and practicable. If the commissioner finds upon conducting such investigation that a provision of this chapter or the rules of the department have been violated, the commissioner may take any action deemed appropriate.

SECTION 13. AMENDMENT. Section 4-30-18 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-18. Sampling and testing procedures - Equipment - Supplies. The laboratory procedures, equipment, chemicals, and other apparatus or substances used in the sampling, hauling, or testing of milk or milk products must conform to that

described in the ~~latest~~ sixteenth edition of "Standard Methods for the Examination of Dairy Products" published by the American public health association, incorporated, a copy of which shall be on file in the department. No equipment, chemicals, or other apparatus or substance used in the sampling, hauling, or testing of milk or milk products which is not in conformance with the requirements of this chapter may be sold or offered for sale. The commissioner through the adoption of rules may alter, amend, or prohibit any specific requirement of this section and may approve other sampling, hauling, or testing procedures or equipment. The commissioner, where appropriate, may check calibration of farm bulk milk tanks and equipment.

SECTION 14. AMENDMENT. Section 4-30-20 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-20. Sampling of milk. Every purchaser of milk from a dairy producer shall collect a minimum sample of two ounces [59.15 milliliters] from each bulk tank of milk received from a producer. Samples must be collected and maintained in accordance with those procedures contained in the ~~latest~~ sixteenth edition of "Standard Methods for the Examination of Dairy Products" published by the American public health association, incorporated. Records must be kept which readily identify the sample with those items used to determine payment for the milk. Such items must include: weight, butterfat content, protein, solids-not-fat, and the total amount of money paid for the milk. ~~All milk samples must be kept for at least twenty-four hours after testing has been completed.~~

SECTION 15. AMENDMENT. Section 4-30-36 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-36. Standards for grade A milk and milk products - Adoption of amendments. Only grade A milk may be sold as fluid beverage for human consumption. The minimum standards for milk and milk products designated as grade A are the same as the minimum requirements of the "Grade A Pasteurized Milk Ordinance, ~~1989~~ 1999 Recommendations of the United States Public Health Service" including "Grade "A" Condensed and Dry Milk Ordinance 1995 Revision, Grade A Condensed and Dry Milk Products and Condensed and Dry Whey Supplement 1" and all supplements added thereto except that the minimum requirements for solids not fat in all grade A milk is eight and one-half percent and the butterfat content of grade A whole milk is three and one-fourth percent. The commissioner may adopt as department regulations other standards in addition to any amendments, supplements to, or new editions of the milk ordinance which are in the interest of public safety, wholesomeness of product, consumer interest, sanitation, good supply, salability, and promotion of grade A milk and milk products.

SECTION 16. AMENDMENT. Section 4-30-36.2 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-36.2. State milk sanitation rating and sampling surveillance officer - Duties - Guidelines. The state milk sanitation rating and sampling surveillance officer is responsible for the rating and certification of milk and dairy products. The rating and certification of milk and dairy products must be in accordance with the procedures outlined in the public health service/food and drug administration publication entitled "Methods of Making Sanitation Ratings of Milk Supplies - ~~1989~~ 1999 revision corrected Edition" and the sampling of milk and dairy products must be in accordance with the guidelines recommended in the ~~latest~~ sixteenth edition of "Standard Methods for the Examination of Dairy Products" published by the American public health association.

SECTION 17. AMENDMENT. Section 4-30-36.3 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-36.3. Milk laboratory evaluations officer - Duties - Guidelines. The milk laboratory evaluations officer is responsible for the certification and evaluation of milk and dairy products laboratories within the state. Evaluations and certification of milk laboratories must be made in accordance with the ~~latest~~ sixteenth edition of "Standard Methods for the Examination of Dairy Products" published by the American public health association and the procedures outlined in the public health service/food and drug administration publication entitled "Evaluation of Milk Laboratories - ~~1989~~ 1995 Edition".

SECTION 18. AMENDMENT. Section 4-30-36.4 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-36.4. Grade A pasteurized milk ordinance. Dairy producers, processors, and manufacturers shall comply with the "Grade A Pasteurized Milk Ordinance of ~~1989~~ 1999" and its supplements and follow the procedures standards set by "Governing the Cooperative State-Public Health Service Food and Drug Administration Program of the National Conference on Interstate Milk Shipments 1999 revisions".

SECTION 19. AMENDMENT. Section 4-30-37 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-37. Quality records to be kept - Term. Adequate records for testing and grading in conformance with this chapter and the rules ~~and regulations~~ of the department must be kept by each business sampling or testing milk ~~or cream~~ for at least twelve months in a manner approved by the commissioner.

SECTION 20. AMENDMENT. Section 4-30-38 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-38. Transportation of milk ~~and cream~~ for manufacturing, processing, or bottling purposes - Commissioner to adopt rules. The commissioner may adopt rules governing the transportation of milk ~~and cream~~ to be used for manufacturing, processing, or bottling purposes. No facility or vehicle ~~shall~~ may be used or operated in violation of these rules.

SECTION 21. AMENDMENT. Section 4-30-47 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-47. Dispute over test - Official test made - By whom - Other tests - Fees. If a disagreement between a seller and a buyer or the legal representatives of both or either arises over the percentage of butterfat contained in any quantity of milk ~~or cream~~ sold or offered for sale at the request of the owner and in the owner's presence, a sample of such milk ~~or cream~~ obtained as provided in ~~sections 4-30-19 and section~~ section 4-30-20 and mutually agreed upon by the interested parties as being a representative sample, must be sealed satisfactorily and mailed by the buyer to the office of the dairy commissioner. There must accompany each sample a statement giving the name and address of the seller and the buyer of the milk ~~or cream~~ in question, the net weight thereof, the percentage and amount of butterfat contained therein, the price per pound [.45 kilogram] for butterfat, and the amount of money paid or offered in payment for the same and bearing the signature of the seller and the buyer. The commissioner or the commissioner's agent shall determine the percentage of butterfat contained in the sample and shall make a report of the result

in triplicate, the original to be filed in the commissioner's office, one copy to be sent to the seller, and one to the buyer of the milk ~~or cream~~. The percentage of butterfat so determined and reported constitutes the "official butterfat test" and is the basis on which final settlement must be made. The fee for the making of the official butterfat test and any other tests required must be in such amount as set by regulation of the dairy commissioner, considering the actual costs of making the test, and such fee must be mailed to the dairy commissioner at the time of forwarding the sample for such official butterfat or other test.

SECTION 22. AMENDMENT. Section 4-30-48 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-30-48. Failure to agree on sample for official test - Procedure to be followed. Whenever it is impossible to secure or mutually agree upon a sample of milk ~~or cream~~ as provided in section 4-30-47, then the party selling or offering for sale such milk ~~or cream~~ may require that the buyer or prospective buyer forward to the department the sample taken in compliance with sections 4-30-19 and 4-30-20. Each sample so forwarded must be accompanied by a statement in the form of an affidavit from the buyer or prospective buyer, stating that the sample was taken in compliance with the provisions of sections 4-30-19 and 4-30-20, and the statement also must contain all information required in section 4-30-47, except that the signature of the seller is not required thereon. Each sample must be tested and reported on as prescribed in section 4-30-47, and the percentage of butterfat so determined and reported constitutes the "official butterfat test" and is the basis on which final settlement must be made.

SECTION 23. REPEAL. Sections 4-30-19, 4-30-21, 4-30-22, 4-30-23, 4-30-24, 4-30-25, 4-30-26, and 4-30-42 of the North Dakota Century Code are repealed.

(Senators Solberg, Nichols, Wanzek)
(Representatives Boehm, Huether, Nicholas)

BEEF PROMOTION AND BEEF COMMISSION

AN ACT to amend and reenact sections 4-34-01 and 4-34-03 of the North Dakota Century Code, relating to beef promotion and the qualifications of members of the North Dakota beef commission.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 4-34-01 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-34-01. Purposes. The purposes of this chapter are:

1. To provide and participate in programs to increase the consumption of domestic beef through such means as advertising, research, consumer information, industry information, sales promotion, and education, but at no time may false or unwarranted claims be made on behalf of the beef industry.
2. To support beef promotion, research, and education activities of the national beef promotion and marketing organizations ~~with not less than fifty percent of the assessments collected.~~
3. To initiate, encourage, and sponsor research designed to solve problems in the beef industry.
4. To enhance the sale and production of North Dakota beef cattle.

SECTION 2. AMENDMENT. Section 4-34-03 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-34-03. North Dakota beef commission - Appointments - Vacancies - Qualifications.

1. There is hereby created a North Dakota beef commission consisting of nine members who must be appointed by the governor. The commission must be composed of three beef producers, one cattle feeder, one dairy producer, one public livestock market representative, and three representatives at large. The commission may also appoint up to two nonvoting ex officio members.
2. Three initial members must be appointed for one year; three members must be appointed for two years; and three members must be appointed for three years. All subsequent members must be appointed for three years unless the appointment is to fill a vacancy in which case such appointment must be for the unexpired term. No members may serve more than two successive three-year terms. In the event a position on the commission becomes vacant for any reason, the unexpired term of

such position must be filled in the same mode and manner as the original appointments.

3. Each member must ~~be~~:

- a. Be a United States citizen and a resident of this state; ~~must be or have been;~~
- b. Be actually engaged in that phase of the cattle industry the member represents;
- c. Have been actually engaged in that phase of the cattle industry for a period of five years, ; and ~~must have~~
- d. Have during that period derived a substantial portion of the member's income therefrom.

CROP PROTECTION PRODUCT HARMONIZATION AND REGISTRATION BOARD

AN ACT to create and enact a new section to chapter 4-35 of the North Dakota Century Code, relating to creation of a crop protection product harmonization and registration board; to amend and reenact sections 4-35-06.2 and 4-35-06.3 of the North Dakota Century Code, relating to funds received for expenses paid relating to the registration of pesticides and the minor use pesticide fund; to repeal section 11 of chapter 31 of the 1999 Session Laws, relating to the crop harmonization committee; and to provide an appropriation.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 4-35-06.2 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-35-06.2. ~~Commissioner of agriculture - Pesticide control~~ Crop protection product harmonization and registration board - Recovery of funds. ~~The commissioner of agriculture~~ The crop protection product harmonization and registration board may accept, ~~on behalf of the pesticide control board,~~ funds received for expenses paid ~~by the pesticide control board~~ relating to the registration of pesticides or donations offered to or for the benefit of the ~~pesticide control board~~. All moneys received under this section must be deposited in the minor use pesticide fund to pay expenses relating to the registration of pesticides or for the specific purpose for which they are given. ~~The pesticide control board~~ shall attempt, whenever possible, to recover funds expended relating to the registration of pesticides and shall adopt rules to administer ~~provisions of this section.~~

SECTION 2. AMENDMENT. Section 4-35-06.3 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-35-06.3. Minor use pesticide fund - Continuing appropriation. The minor use pesticide fund is created as a special fund in the state treasury. All moneys in the fund are appropriated on a continuing basis to the ~~pesticide control~~ crop protection product harmonization and registration board for the purpose of conducting or commissioning studies, investigations, and evaluations regarding the registration and use of pesticides for minor crops, minor uses, and other uses as determined by the board.

³⁶ **SECTION 3.** A new section to chapter 4-35 of the North Dakota Century Code is created and enacted as follows:

³⁶ Section 4-35-30 was amended by section 3 of House Bill No. 1009, chapter 9.

Crop protection product harmonization and registration board - Duties - Grants.

1. The crop protection product harmonization and registration board consists of the governor or the governor's designee, the agriculture commissioner, the chairman of the house agriculture committee, the chairman of the senate agriculture committee, one crop protection product manufacturing industry representative appointed by the chairman of the legislative council, and two consumers of crop protection products appointed by the governor. The governor or the governor's designee shall serve as chairman of the board. The board shall:

 - a. Identify and prioritize crop protection product labeling needs;
 - b. Explore the extent of authority given to this state under the federal Insecticide, Fungicide, and Rodenticide Act [7 U.S.C. 136a];
 - c. Identify the data necessary to enable registration of a use to occur in a timely manner;
 - d. Determine what research, if any, is necessary to fulfill data requirements for activities listed in this section;
 - e. Request the agriculture commissioner to pursue specific research funding options from public and private sources;
 - f. Request the North Dakota state university agricultural experiment station to pursue specific research to coordinate registration efforts; and
 - g. Pursue any opportunities to make more crop protection product options available to agricultural producers in this state through any means the board determines advisable.
2. The board may contract with a consultant to conduct studies or provide research or information regarding crop protection product registration and labeling needs.
3. The board may administer a grant program through which agriculture commodity groups established under this title may apply for funds to be used by the groups to address issues related to the registration of crop protection products. To be eligible for receipt of a grant, an applicant must submit an application to the board which requests a specific amount of funds, specifies the exact purposes for which the grant would be used, and provides a detailed timetable for the use of the grant funds. The board may impose any additional conditions it determines appropriate for grant recipients, including requiring periodic reports and furnishing of matching funds. The board may terminate funding of a previously approved grant at any time if the board is dissatisfied with the performance of the grant recipient.
4. The board may use not more than fifteen percent of the funds under its supervision for administrative purposes, including the cost of contracting for administrative services and reimbursement of board member expenses. The members of the board who are members of the

legislative assembly are entitled to compensation from the legislative council for attendance at board meetings at the rate provided for members of the legislative assembly for attendance at interim committee meetings and are entitled to reimbursement for expenses incurred in attending the meetings in the amounts provided by law for other state officers.

5. The board may adopt rules to implement this section.

SECTION 4. REPEAL. Section 11 of chapter 31 of the 1999 Session Laws is repealed.

SECTION 5. APPROPRIATION. There is appropriated out of any moneys in the environment and rangeland protection fund in the state treasury, not otherwise appropriated, the sum of \$250,000, or so much of the sum as may be necessary, and from special funds derived from grants or donation income, the sum of \$200,000, or so much of the sum as may be necessary, to the crop protection product harmonization and registration board for the purposes of addressing crop protection product registration and labeling needs and providing grants as provided in section 3 of this Act, for the biennium beginning July 1, 2001, and ending June 30, 2003.

PESTICIDE APPLICATOR FINANCIAL RESPONSIBILITY

AN ACT to amend and reenact section 4-35-09.1 of the North Dakota Century Code, relating to proof of financial responsibility for commercial pesticide applicators; and to provide for a legislative council study.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 4-35-09.1 of the 1999 Supplement to the North Dakota Century Code is amended and reenacted as follows:

4-35-09.1. Proof of financial responsibility - Exceptions.

1. A commercial pesticide applicator certificate may not be issued or renewed unless the applicant furnishes proof of financial responsibility as provided in this section. A commercial pesticide applicator shall furnish proof of financial responsibility on demand to the agriculture commissioner as provided in this section. Minimum financial responsibility must be ~~demonstrated annually~~ maintained in the amount of one hundred thousand dollars, and may be demonstrated by a notarized letter from an officer of a financial institution or from a certified public accountant attesting to the existence of net assets equal to at least one hundred thousand dollars, a performance bond, or a general liability insurance policy. The performance bond or insurance policy must contain a provision requiring the issuing company to notify the agriculture commissioner at least ten days before the effective date of cancellation, termination, or other modification of the bond or insurance policy. The agriculture commissioner ~~must~~ shall immediately ~~request the suspension of~~ suspend the certification of a person who fails to maintain the minimum financial responsibility standards of this section. If there is any recovery against the certificate holder, the holder ~~must~~ shall demonstrate continued compliance with the minimum standards of this section. An employee of a commercial pesticide application business is not required to meet these standards separately if the business documents compliance with the minimum financial responsibility standards of this section. An application for reinstatement of a suspended certificate under this section must be accompanied by proof of satisfaction of any judgment previously rendered.
2. This section does not apply to:
 - a. A rancher who is required to obtain a commercial pesticide applicator certificate for controlling noxious weeds on the leased federal acreage as a condition of a federal grasslands lease.
 - b. A grazing association and its members if either the association or any member is required to obtain a commercial pesticide applicator

certificate for controlling noxious weeds on the leased federal acreage as a condition of a federal grasslands lease.

- c. A person required to be certified in the right-of-way category.
- d. An applicator who holds a commercial pesticide certificate and is controlling noxious weeds on grassland, land producing tame hay, or other lands not devoted to the production of an annual crop.

SECTION 2. LEGISLATIVE COUNCIL STUDY - FINANCIAL RESPONSIBILITY REQUIREMENTS FOR COMMERCIAL PESTICIDE APPLICATORS. PESTICIDE AND CONTAINER DISPOSAL PROGRAM

AN ACT to provide for the continuation of an agricultural pesticide and pesticide container disposal program; and to provide an expiration date.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. Pesticide and pesticide container disposal program - Pesticide container management - Compensation.

1. The definitions contained in section 4-35-05 apply to this section.
2. In consultation with an advisory board consisting of the state health officer, director of the North Dakota state university extension service, two individuals representing agribusiness organizations, and two individuals representing farm organizations, all of whom must be selected by the agriculture commissioner, the agriculture commissioner shall continue to implement the project authorized by section 1 of chapter 63 of the 1999 Session Laws, which is known as project safe send. The purpose of the project is to:
 - a. Collect and either recycle or dispose of unusable pesticides and unusable pesticide containers. The commissioner shall provide for the establishment and operation of temporary collection sites for the pesticides and pesticide containers. The commissioner may limit the type and quantity of pesticides and pesticide containers acceptable for collection.
 - b. Promote proper pesticide container management. In consultation with the director of the North Dakota state university extension service, the commissioner shall evaluate and promote proper methods of pesticide container management, including information on the variety of pesticide containers available.
3. Any entity collecting pesticide containers or unusable pesticides shall manage and dispose of the containers and pesticides in compliance with applicable federal and state requirements. When called upon, any state agency shall assist the commissioner in implementing the project.
4. For services rendered in connection with the design and implementation of this project, the members selected by the agriculture commissioner are entitled to reimbursement for mileage and travel expenses in the same manner and for the same amounts provided for state employees and officials. Compensation and expense reimbursement must be paid from the environment and rangeland protection fund.

SECTION 2. PROJECT SCOPE AND EVALUATION - PROPOSED LEGISLATION. The project described in section 1 of this Act must occur in areas to be determined by the agriculture commissioner in consultation with the advisory board under subsection 2 of section 1 of this Act. Before December 12, 2002, the agriculture commissioner shall determine whether the project implemented and continued under section 1 of this Act should be continued. If the commissioner determines that the project should be continued or expanded, the commissioner shall introduce appropriate legislation in the fifty-eighth legislative assembly.

SEED AND CROP INSPECTION

AN ACT to create and enact a new chapter to title 4 of the North Dakota Century Code, relating to the inspection, analysis, and verification of seeds and crops; and to provide for a report.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new chapter to title 4 of the North Dakota Century Code is created and enacted as follows:

Definitions. As used in this chapter, unless the context otherwise requires:

1. "Analysis" means the laboratory examination of seeds, crops, or plant tissue to determine the genetic identity or physical traits of the seeds or crops.
2. "Commission" means the state seed commission.
3. "Commissioner" means the state seed commissioner.
4. "Department" means the state seed department.
5. "Inspection" means a visual field inspection of seeds or crops.

Commissioner - Genetic identity - Physical traits - Analysis and verification. The commissioner shall establish procedures for inspecting, analyzing, and verifying the genetic identity or physical traits of seeds or crops. The procedures must address the compilation of all necessary documentation and other administrative functions.

Inspection and analysis - Procurement of samples. The commissioner may inspect and analyze seed or crop grown, sold, or otherwise situated in this state to determine and verify the genetic identity or physical traits of the seed or the crop. The commissioner may procure samples of seed or crop grown in this state, sold in this state, or otherwise situated in this state or may accept for analysis and verification samples submitted from any public or nonpublic entity that is the owner of the seed or crop. The commissioner shall determine the size and nature of each sample to be submitted to the laboratory, the manner in which each sample is to be taken, the purposes for which each sample is to be taken, the manner in which each sample's identity is to be preserved, and the manner in which each sample is to be delivered to the laboratory.

Field inspections. The commissioner shall determine the criteria for field inspections.

Inspection and analysis - Fee. The commissioner, with the approval of the commission, shall establish and charge a fee for inspecting, analyzing, and performing any other services permitted by this chapter.

Laboratories and facilities. The commissioner shall provide and maintain laboratories and other facilities necessary to conduct the analyses authorized by this chapter and to effect any other work necessary to implement this chapter.

Identity preservation - Segregation - Traceability. The commissioner shall establish a procedure for the identity preservation, segregation, and traceability of seeds or crops inspected or analyzed under this chapter.

Labels - Documentation. The commissioner shall prescribe the type of labels and other identifying documentation to be affixed by the commissioner to seeds or crops inspected and analyzed under this chapter. All labels and other identifying documentation affixed by the commissioner must clearly bear the identification of the department and may be used only by the commissioner in conjunction with the verification services provided under this chapter.

Contract for services - Protection of growers. The commissioner may contract with any public or private entity to provide protection, inspection, analysis, or verification of seeds or crops, as provided by this chapter.

Deposit of fees - Investment. The commissioner shall deposit all moneys arising from the collection of fees under this chapter with the state treasurer for credit to the seed department revolving fund. At the direction of the commission, the state treasurer shall provide for the investment of available moneys from the revolving fund. The state treasurer shall deposit twenty percent of the income from the investment of the moneys in the general fund and the remaining eighty percent of the investment income in the seed department revolving fund.

Warranties regarding seeds or crops. The commission, the commissioner, and the department make no warranties of any kind, either expressed or implied, including warranties of merchantability, fitness for a particular purpose, or absence of disease, as to seed or crop that is inspected, analyzed, or verified under this chapter.

SECTION 2. STATE SEED COMMISSIONER - REPORT. Before July 1, 2002, the state seed commissioner shall present a report to the legislative council regarding the regional, national, and international status of genetically enhanced or modified seeds and crops, with attention to the ecological, environmental, health, and marketing aspects of genetically enhanced or modified seeds and crops.

MEATPACKING PLANT BONDS

AN ACT to create and enact a new chapter to title 4 of the North Dakota Century Code, relating to a loan program and the issuance of revenue bonds or other evidences of indebtedness by the industrial commission of North Dakota for the establishment of meatpacking plants.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new chapter to title 4 of the North Dakota Century Code is created and enacted as follows:

Definitions. As used in this chapter, unless the context otherwise requires:

1. "Bank" means the Bank of North Dakota.
2. "Bonds" means revenue bonds or other evidences of indebtedness issued by the commission under this chapter.
3. "Commission" means the industrial commission.

Powers. The commission may:

1. Contract for the performance of its duties and functions under this chapter.
2. Sue and be sued.
3. Borrow money through the issuance and sale of bonds as provided under this chapter.
4. Invest proceeds of its bonds not needed for immediate disbursement, including any reserve funds, in securities the commission determines to be prudent, subject to any agreements with the holders of the commission's bonds.
5. Procure insurance, a guaranty, or a letter of credit for the payment of its bonds, including the payment of premiums or other fees, from any public or private entity.
6. Make loans to persons establishing meatpacking plants in this state through the loan program provided for under this chapter and charge the borrowers fees approved by the commission.
7. Prescribe and approve the forms and procedures for loan applications under this chapter by persons establishing a meatpacking plant in this state.

8. Prescribe the terms and conditions of loans to be made under this chapter.
9. Consent to any changes in the terms or provisions of its bonds, or of any other contract to which the commission is a party, subject to any contracts with the holders of the commission's bonds.
10. Purchase bonds issued under this chapter out of any funds available to the commission for such purpose and not pledged to or necessary for some other purpose, and hold, cancel, or sell the bonds, subject to any contracts with its bondholders.

Bank of North Dakota. The commission may delegate to the Bank, and the Bank is authorized to exercise, all administrative powers granted to the commission under this chapter, including processing and reviewing applications for, and closing and servicing loans made to, persons establishing meatpacking plants in this state.

Issuance and sale of bonds - Use of bond proceeds. The commission may issue its bonds in such principal amounts as the commission determines is necessary to provide sufficient funds to perform its powers under this chapter. The proceeds may not be used other than to make loans, pay the costs of bond issuance, pay accrued or capitalized interest or capitalized principal, and provide any reasonably required reserve funds. The bonds must be authorized by resolution of the commission and must bear such date, mature at such times, bear interest at such rates, be in such denominations, be payable from such sources, and be subject to such terms of redemption as may be provided by the resolution. The bonds may be sold by the commission at public or private sale at the times and at the prices allowed by the commission. The commission may provide for refunding or refinancing of the bonds.

Agreement with bondholders. Any resolution of the commission authorizing the issuance of bonds under this chapter may contain contractual provisions:

1. Setting aside of reserves or sinking funds.
2. Limiting the purposes to which the proceeds from the sale of bonds may be applied and pledging the proceeds to secure the payment of the bonds.
3. Limiting the issuance of additional bonds, the terms upon which additional bonds may be issued and secured, and the refunding of outstanding or other bonds.
4. Providing the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent to such amendment or abrogation, and the manner in which the consent may be given.
5. Vesting in a trustee such property, rights, powers, and duties in trust as the commission may determine, and limiting or abrogating the right of bondholders to appoint a trustee, or limiting the rights, powers, and duties of the trustee.
6. Defining the acts or omissions, which constitute a default of the obligations and duties of the commission to the bondholders, and

providing for the rights and remedies of the bondholders in the event of a default, provided that the rights and remedies must be consistent with the laws of this state.

7. Including any other matter that affects the security or protection of the bondholders.

Reserve fund.

1. The commission shall establish and maintain a reserve fund for bonds issued under this chapter. The commission shall deposit in the reserve fund:
 - a. All bond proceeds required to be deposited in the reserve fund by the terms of any contract between the commission and the bondholders or by the terms of any resolution of the commission concerning the use of bond proceeds.
 - b. All moneys made available to the commission for deposit in the reserve fund.
2. Moneys in the reserve fund may not be used other than to make payments of the principal and interest on bonds, including any premium required to be paid when bonds are redeemed prior to maturity, and sinking fund installments as they become due and payable.
3. Moneys in the reserve fund may be withdrawn in accordance with the terms of any contract between the commission and the bondholders or any resolution of the commission concerning the use of bond proceeds.

Exemption from state and local taxes. All bonds issued under this chapter and the interest and income payable to and received by bondholders are exempt from taxation by the state or any political subdivision of the state.

Payment of bonds. Bonds issued under this chapter by the commission are not obligations or debt of the state, and are payable solely from revenues or other funds available to the commission under this chapter. The bonds do not constitute a charge, lien, or encumbrance, legal or equitable, upon any property of the commission or the Bank, other than the revenues and property pledged under this chapter. Each bond issued under this chapter must contain a statement that neither the faith and credit nor the taxing power of the state is pledged to the payment of the principal of or interest on the bond.

Legal investments. Bonds issued under this chapter by the commission are legal investments in which all public officers or public bodies of the state, its political subdivisions, and all banks organized under the laws of the state and engaged in the business of banking may invest funds.

Validity. Bonds issued under this chapter must be executed by a member of the commission or by facsimile signature and the manual signature of an authenticating agent. Any bond bearing the signature of a member of the commission in office on the date of execution is valid for all purposes for which it was issued. After issuance, all bonds issued under this chapter by the commission

are conclusively presumed to be fully authorized and issued under the laws of the state, and any person is estopped from questioning their authorization, issuance, execution, sale, or delivery by the commission.
