

Fifty-eighth
Legislative Assembly
of North Dakota

HOUSE BILL NO. 1412

Introduced by

Representatives Ekstrom, Herbel, S. Kelsh, Severson

Senators Fairfield, Taylor

1 A BILL for an Act to establish renewable energy goals for state agencies, departments, and
2 institutions.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. State agencies, departments, and institutions - Renewable energy**
5 **goals.** It is the objective of the state of North Dakota that by January 1, 2010, ten percent and
6 by January 1, 2020, twenty percent of the energy used by state agencies, departments, and
7 institutions is from renewable energy sources. This section does not apply to state institutions
8 under the jurisdiction of the board of higher education. As used in this section renewable
9 energy sources include biomass, hydro, geothermal, solar, and wind.
