

Fifty-eighth  
Legislative Assembly  
of North Dakota

ENGROSSED HOUSE BILL NO. 1378

Introduced by

Representatives Monson, D. Johnson, Maragos, Nelson, Svedjan

Senator Trenbeath

1 A BILL for an Act to provide for a study of the generation of electricity from the state's wind  
2 resource to produce hydrogen for fuel.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. Study of hydrogen production.** The state board of higher education  
5 shall require an institution under the board's jurisdiction to conduct a study of the feasibility and  
6 desirability of generating electricity from the state's wind energy resource for the purpose of  
7 producing hydrogen for fuel. The institution selected by the board shall present its report to the  
8 legislative council before August 1, 2004.
