19 b. The individual admitted the violation, was found to have committed the  
20 violation by the official having jurisdiction, or pled guilty to, was found guilty of,  
21 or adjudicated to have committed the offense.

22 **SECTION 2. AMENDMENT.** Section 39-06-13 of the North Dakota Century Code is  
23 amended and reenacted as follows:

1           **39-06-13. Examination of applicants.** The director shall examine every applicant for  
2 an operator's license, except as otherwise provided in this chapter. The examination must  
3 include a test of the applicant's eyesight, ability to read and understand highway signs  
4 regulating, warning, and directing traffic, and knowledge of the traffic laws of this state. During  
5 testing, any written portion of the examination, except writing on illustrations of signs, must be  
6 made available to an applicant in any widely practiced language. The director may waive the  
7 written portion of the examination for an applicant who has successfully passed a written  
8 examination in another state and has a license that is not revoked, suspended, or canceled or  
9 in the process of being revoked, suspended, or canceled. An actual demonstration of ability to  
10 exercise ordinary and reasonable control in the operation of a motor vehicle is also required,  
11 but may be waived for an applicant who has successfully passed an actual ability test in this or  
12 another state. Operators' examinations must be given at locations designated by the director.  
13 The director may require any other physical or mental examination.

14           **SECTION 3. AMENDMENT.** Section 39-06-32 of the North Dakota Century Code is  
15 amended and reenacted as follows:

16           **39-06-32. Authority to suspend licenses.** The director may suspend the license of  
17 an operator, after hearing, upon proof by a fair preponderance of the evidence, that any of the  
18 following apply to the licensee:

- 19           1. Commission of an offense for which mandatory revocation of license is required  
20           upon conviction.
- 21           2. Incompetence to drive a motor vehicle.
- 22           3. Unlawful or fraudulent use of an operator's license.
- 23           4. Refusal to submit to an implied consent chemical test on an Indian reservation or  
24           in another state. For purposes of this subsection, the specific requirements for  
25           establishing a refusal used on the Indian reservation or in the other state may not  
26           be considered, and photostatic copies of the records of the other jurisdiction's  
27           drivers licensing authority are sufficient evidence of the refusal whether or not  
28           those copies are certified. The suspension must be for the same length of time as  
29           the revocation in section 39-20-04. If the refusal arose out of an arrest or stop of a  
30           person while operating a commercial motor vehicle, the period of suspension must  
31           be the same as the period of revocation provided in section 39-06.2-10.

- 1           5. Failure, as shown by the certificate of the court, to pay a fine or serve any other
- 2           sentence as ordered by a court upon conviction for any criminal traffic offense.
- 3           6. Failure, as shown by the certificate of the court, to appear in court or post and
- 4           forfeit bond after signing a promise to appear, if signing is required by law, in
- 5           violation of section 39-06.1-04, willful violation of a written promise to appear in
- 6           court, in violation of section 39-07-08, or violation of equivalent ordinances or laws
- 7           in another jurisdiction. Upon resolution by the operator of the underlying cause for
- 8           a suspension under this subsection, as shown by the certificate of the court, the
- 9           director shall record the suspension separately on the driving record. This
- 10          separate record is not available to the public.
- 11          7. An administrative decision on an Indian reservation or in another state that the
- 12          licensee's privilege to drive on that Indian reservation or in that state is suspended
- 13          or revoked because of a violation of that Indian reservation's or state's law
- 14          forbidding motor vehicle operation with an alcohol concentration of at least ten
- 15          one-hundredths of one percent by weight or, with respect to a person under
- 16          twenty-one years of age, an alcohol concentration of at least two one-hundredths
- 17          of one percent by weight, or because of a violation of that Indian reservation's or
- 18          state's law forbidding the driving or being in actual physical control of a commercial
- 19          motor vehicle while having an alcohol concentration of at least four
- 20          one-hundredths of one percent by weight. The specific requirements for
- 21          establishing the violation on the Indian reservation or in the other state may not be
- 22          considered and certified copies of the records of the Indian reservation's or other
- 23          state's drivers licensing authority are sufficient evidence of the violation. The
- 24          suspension must be for the same duration as the suspension in section
- 25          39-20-04.1, if the violation does not involve a commercial motor vehicle. If the
- 26          violation involves a commercial motor vehicle, the period of suspension must be
- 27          the same as the period of suspension provided in section 39-06.2-10. For
- 28          purposes of this section, originals, photostatic copies, or electronic transmissions
- 29          of the records of the drivers licensing or other authority of the other jurisdiction are
- 30          sufficient evidence whether or not they are certified copies.

8. Conviction of an offense under this title and it appears from the director's records that the offense contributed to causing an accident which resulted in death or serious personal injury or serious property damage. No suspension may be imposed if the person has been sanctioned for the same offense under section 39-06-31.

**SECTION 4. AMENDMENT.** Subdivision b of subsection 5 of section 39-06.1-03 of the North Dakota Century Code is amended and reenacted as follows:

b. The appellate court upon application by the appellant may:

- (1) Order a stay of any action by the licensing authority during pendency of the appeal, but not to exceed a period of one hundred twenty days;
