INVOCATION BY REVEREND LESTER WOLFGRAM

In the Name of the Father and of the Son and of the Holy Spirit. Gracious God, Loving Father. All good gifts come from You. Today we give thanks to You for people like St. Patrick who boldly proclaimed the Good News about Jesus and His Love. We are grateful that You sent Your Son to serve us sinners by giving His life on the cross in order that we may have forgiveness and eternal life. We pray for your care and blessing upon this gathering as we remember those who have served in the North Dakota State Senate who have died during the past two years. Thank You for giving them to us. We are grateful for the service they rendered to our state and their local communities during their respective terms. We pray your special care for the families of these former State Senators whom we commemorate this day. Grant to them Your perfect peace. Be present with us now as we celebrate and remember the lives of these fallen comrades. In Jesus' name we pray. Amen.

MEMORIAL ADDRESS BY FORMER SENATOR ROD ST. AUBYN

Mister President, members of the Senate, Senate staff, family members and friends of the Senators we are remembering and honoring here today:

I want to first thank you for the honor of speaking to you today. Today's ceremony is meant to honor those former Senators who served admirably in what I think is one of the most important duties we can fulfill - that of public service.

I didn't know all of those we are remembering today, but I know that they all served with distinction. To the family members and friends of Ralph Erikstad, Walter Fiedler, John Kusler, John Maher, J. H. Mahoney, Dave Robinson, Clarence Schultz, Robert Stroup, and Kent Vosper, we offer our condolences and thanks. To the family members, I want to thank you also for the sacrifices you all made. Whether it was assisting in the campaigns, answering phone calls from angry constituents, or holding the family together during the often long legislative sessions, believe me, those we are remembering and honoring today could not have been successful without your help.

As legislators, we get so wrapped up with the intense legislative session, that we often forget about those most important around us - our families. I recall one story which proves this point. Often times after my legislative week, after watching some of my children's weekend sports

events, I would go back to my office and work, trying to get caught up. It was not unusual for me to work close to midnight or even later on those Saturday evenings. One particular weekend, I crawled into bed, finding my wife still awake. She usually goes to bed earlier than I do, so it somewhat surprised me to find her still awake. She informed me that my parents had called. Her tone sounded serious, so my first reaction was something awful had happened. I asked why they had called. Her simple response was "to wish us a happy Anniversary." She took it probably better than I. I can proudly say that I have never forgotten my anniversary since. Luckily, my wife and I still laugh about that moment, but I think it illustrates the point that I am trying to make. The success of those we are honoring today was dependent upon the love and support of their family and friends.

I recall the instant acceptance from the Senate members when I left the North Dakota House and was elected to the Senate. I had the honor of serving on the Senate Appropriations Committee. At our first Appropriations Committee meeting, Senator Nething appointed me the "official keeper of the refrigerator." What this meant was that I was responsible for collecting assessments from the committee members and keeping the refrigerator stocked with necessary goodies. I had no idea what was expected of me and what the veteran members would desire stocked for their breaks. Senator Evan Lips came over to me, put his arm around me, and told me to wait around after that day's session. He then took me to a local grocery store, clued me in on my new duties, and we purchased the first refrigerator stock. That act of kindness showed me what type of friends we have in the Senate and why we all offer our prayers and support for Senator Lips and his family as he battles his illness.

Legislative issues can become quite contentious. Both sides of the aisle may have differing philosophical views and these are often debated vigorously. That is what makes our system work. During the next few weeks, I offer one bit of advice - don't make things personal and don't take things personal. One thing I realized long ago, after you adjourn Sine Die, your colleagues continue to be another part of your family. Friends I have made in the legislature from both parties will be my friends for life. I recall a few years back when my daughter was in a serious car accident adjacent to her high school in May of her senior year. As we waited with her in the intensive care unit, the love and support our family received from members of the Senate will never be forgotten. I think that is the moment when my wife realized why I was so close to my Senate colleagues. I still consider you part of my family. I know many of you have experienced similar incidents as well where your Senate family was there for you in trying times.

Thanks to the current Senators for your sacrifice by serving the people of North Dakota.

For those we are remembering today, it is more than just a ceremony to honor former Senators. It is a ceremony to honor one of our own. Even though God has taken them from their earthly home, there is one thing that can never be taken from them - that being part of the Senate family. Please accept this memorial tribute as an expression of appreciation from the citizens of this great State of North Dakota and from your Senate family.

And I want to thank you again for the privilege of being part of this special service. Thank you and may God bless you all.

BENEDICTION BY REVEREND LESTER WOLFGRAM

Lord of life. We thank You for Your presence with us during this service of remembrance. We are grateful for the opportunity to honor this unique group of individuals. Thank You for the sacrifices that they made in order to serve our great state of North Dakota. As the present Senators continue to serve in this Legislative Session, we ask that Your good and gracious will would be accomplished through these men and women. Grant to them wisdom and direction as they consider the best interest of our citizens and seek to carry out Your will. Help them to honor You and respect one another as they debate the important matters before them. We pray Your care for our President and for those in positions of authority who make decisions that impact our nation and our world. During this Lenten season, help us to take stock of our lives, recognizing our sin, and keeping our eyes on Jesus, the Lamb of God who takes away the sins of the world. Go with us now and grant us Your peace.

The Lord Bless and keep you. The Lord make His face shine on you and be gracious to you. The Lord look upon you with favor and give you peace.

REMARKS OF SENATOR WARDNER Dickinson High School State Class 'A' Boys Basketball Championship

On Saturday, March 15, 2003, the Dickinson High School Boys Basketball Team won the State Class 'A' Boys Basketball Tournament with a 42 - 32 victory over Williston High School. Dickinson had been rated number one in the state by the press power poll the second half of the season and were favored to win. However, the Midgets have been there before, rated number one and favored, but had never won a state title. Dickinson High School graduated its first graduate in 1894 and has never tasted the thrill of victory in a State Boys Basketball Championship game. But, in 2003 it was different. Coach Dean Winczewski, the Midget Coaching Staff, the Midget Team and the loyal Dickinson High School fans won the first State Class 'A' Boys Basketball Championship in the history of the school. At last the monkey is off our back!

The Midgets won the tournament by playing tough defense, rebounding and scoring clutch baskets. They displayed a "never give up" attitude and came from behind to win in the semifinal game, which makes the community proud to be represented by those student-athletes and coaches.

Coach Dean Winczewski was awarded the "North Dakota Class 'A' Boys Coach of the Year" award by the other Class 'A' coaches.

Congratulations to Dickinson High School, Coach Dean Winczewski, and the Dickinson High School Boys Basketball Team on winning the 2003 State Class 'A' Boys Basketball Championship.

REQUEST

SEN. COOK REQUESTED that his remarks be printed in the Journal, which request was granted.

REMARKS OF SENATOR COOK Mandan High School State Class 'A' Girls Basketball Championship

Mr. President: This past Saturday evening, two very fine girls high school basketball teams squared off for the right to be crowned the 2003 North Dakota State Class 'A' Girls High School Basketball Champions. In one corner stood the mighty Spartans from Fargo North; the decided favorite by all the basketball experts, a team with a 50 game winning streak and the defending State Champions. In the other corner were the Mandan Braves, a team without a standout star and the undeniable underdog.

But, Mr. President, champions are not crowned in the media or by the experts. Champions are crowned in the arena, and on this particular Saturday evening, the Mandan Braves were not to be denied. Going deep into their lineup, the Mandan Braves implemented a mind rattling full court press. Their defense cooled the hot shooting hands of Fargo North. When the final buzzer sounded, it was the Mandan Braves and their "never say die" attitude that prevailed.

Mr. President, may we all congratulate Coach Greg Amundson and the Mandan Braves on their excellent season and well deserved State Championship.
