1 A section is added providing a \$240,000 contingent general fund appropriation for defending the state's school finance system if a lawsuit is filed during the 2003-05 biennium, the same as the House version.

2 Funding is added for two FTE identification technician positions for conducting additional criminal background checks during the 2003-05 biennium, the same as the House version.

3 The executive budget removed two FTE law enforcement training positions. The Senate restored one of the two positions. The House restored the other position with approximately 50 percent of the funding for the position being from the general fund and approximately 50 percent from an increase in peace officer license fees. This amendment restores the second position with funding from the general fund.

4 Section 4 is added allowing the Attorney General to retain the June 30, 2003, balance in the Attorney General refund fund estimated at \$594,984 rather than transferring the balance to the general fund. The March 2003 general fund revenue forecast did not anticipate any funds being transferred from the refund fund on June 30, 2003. The Attorney General will use \$394,984 of the funding to hire two additional FTE positions and for other costs associated with enforcing provisions of Senate Bill No. 2255 relating to telephone solicitations and \$200,000 for legal services relating to the State Water Commission. The Attorney General's 2003-05 biennium appropriation is not changed because the funds in the refund fund may be spent by the Attorney General pursuant to a continuing appropriation.

5 Funding for state employee health insurance premiums is reduced from \$493 to \$488.70 per month, the same as the House version.

6 This amendment reduces funding for information technology by \$111,382, of which \$98,453 is from the general fund and \$12,929 is from the Attorney General's operating fund, which represents a reduction in information technology funding from the general fund and special funds of approximately 5 percent.

7 An additional six FTE positions are authorized for administering the North Dakota lottery pursuant to provisions of House Bill No. 1243. Funding for the positions and other operating costs of the lottery are appropriated to the Attorney General pursuant to a continuing appropriation in House Bill No. 1243.

Section 3 is added allowing the Attorney General to continue up to \$66,000 of the Attorney General's 2001-03 biennium general fund appropriation for the purpose of defraying the expenses associated with conducting additional criminal background checks during the 2003-05 biennium, the same as the House version.

An emergency clause is added relating to Sections 3 and 4 which were added by this amendment, the same as the House version.

Engrossed SB 2003 was placed on the Seventh order of business on the calendar.
