REMARKS OF SENATOR COOK

Mr. President, on more than one occasion this session, members of this body have stood, and as a point of personal privilege, made complimentary remarks recognizing and congratulating home town high school sports teams. I, myself, have had that opportunity. Recognizing outstanding accomplishments of schools in our home district is a long standing tradition of the Senate.

Today, Mr. President, I would like to take that opportunity again. Only today, the students and educators that I would like to recognize come from throughout this great state. They come from all 47 legislative districts. They should be the pride of each and every one of us.

These individuals, some of whom are with us today, are our state's finest musicians.

Mr. President, by our Governor's proclamation, March is declared "Music in Our Schools Month". The focus on music is an integral part of the education process and development of the total child.

Starting today, the North Dakota All State Band, Choir, Orchestra, Jazz Band, and Women's Choir are rehearsing and performing here in Bismarck. Over 400 students are participating.

These students have been selected from over 2000 auditions. These 400 your musicians are truly champions. They set the standard high.

Let us all be proud of their outstanding accomplishments and let us thank them for a job well done.
