

Fifty-eighth
Legislative Assembly
of North Dakota

ENGROSSED HOUSE BILL NO. 1339

Introduced by

Representatives Kempenich, Wald

Senators Dever, Erbele

1 A BILL for an Act for resolution of electricity transmission export constraints.

2 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

3 **SECTION 1. Governmental public purpose - Electricity transmission export**

4 **constraint priority.** The legislative assembly finds and declares that it is an essential
5 governmental function and public purpose to assist with the removal of electrical transmission
6 export constraints and to assist with the upgrading and expansion of the region's electrical
7 transmission grid in order to facilitate the development of the state's abundant natural
8 resources for export to the region's consumers. The industrial commission shall give priority to
9 those projects, processes, or activities that assist with the resolution of electricity transmission
10 export constraints in this state.
