**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. AMENDMENT.** Subsections 1 and 2 of section 57-35.3-02 of the North Dakota Century Code are amended and reenacted as follows:

1. In determining "taxable income" there must be added to federal taxable income:
  - a. The adjustments provided by subdivisions ~~d, e, and f~~ c, d, and g of subsection 1 of section 57-38-01.3;
  - b. Interest not subject to federal tax upon obligations of the state of North Dakota and its political subdivisions;
  - c. The amount of any charitable contribution deduction taken for federal income tax purposes under section 170 of the Internal Revenue Code;
  - d. In the case of a building and loan association or savings and loan association, the amount of any bad debt reserve deduction taken for federal income tax purposes under section 585 of the Internal Revenue Code; and
  - e. Dividends paid by a federal reserve bank to the extent not subject to federal tax.
2. In determining "taxable income" there must be subtracted from federal taxable income:
  - a. The adjustments provided by ~~subdivisions b, e, and f~~ subdivision b of subsection 1 of section 57-38-01.3;
  - b. In the case of a financial institution described in subdivision a of subsection 2 of section 57-35.3-01, the adjustment provided by subdivision g of subsection 1 of section 57-38-01.3;
  - c. In the case of a building and loan association or savings and loan association that uses the bad debt reserve method under section 585 of the Internal Revenue Code to account for bad debts for federal income tax purposes, an amount equal to the deduction for bad debts that would have been allowed under section 166(a) of the Internal Revenue Code if a deduction had not been claimed under section 585 or 593;
  - d. The amount of any adjustments taken into account for federal income tax purposes under section 593(g) of the Internal Revenue Code;
  - e. The amount of any interest and expenses relating to income not taxable for federal income tax purposes if the income is taxable under sections 57-35.3-01 through 57-35.3-12 and the interest and expenses were disallowed as deductions under

section 171(a)(2), 265, or 291 of the Internal Revenue Code in computing federal taxable income;

- f. The amount of any wage and salary expenses disallowed as deductions under section 280C(a) of the Internal Revenue Code in computing federal taxable income;
- g. An amount equal to the deduction for charitable contributions that would be allowed for federal income tax purposes under section 170 of the Internal Revenue Code if the percentage limitation of section 170(b)(2) of the Internal Revenue Code was applied in all relevant taxable periods to taxable income, rather than federal taxable income, but computed without regard to this subdivision and that portion of subdivision a that refers to subdivision g of subsection 1 of section 57-38-01.3. However, no deduction is allowable for a contribution if and to the extent that a credit is allowed for the contribution under section 57-35.3-05; ~~and~~
- h. The amount of net income not allocated and apportioned to this state under sections 57-35.3-13 through 57-35.3-17, but only to the extent that the amount of net income not allocated and apportioned to this state under those sections is not included in any adjustment made pursuant to the preceding subdivisions-; and
- i. The amount of federal income tax liability for the same taxable year for which North Dakota taxable income is being determined, to the extent that the federal taxes are computed upon income that becomes part of North Dakota taxable income. Provided, that no adjustment to federal income taxes, paid or accrued, is required because of allowable deductions to federal taxable income made under the cost recovery provisions of subdivision b of subsection 5 of section 57-38-01. Federal income taxes for prior periods assessed against the taxpayer by reason of audit or other adjustment by the internal revenue service, or voluntary disclosure by the taxpayer, are not deductible except in the period in which income so taxed was reported or reportable or in which an adjustment was required but only after an adjustment is made by or with the office of the state tax commissioner. A refund of federal income tax must be reported and included in North Dakota taxable income in the year in which the tax was originally deducted. Income must be further reduced by any federal alternative minimum tax when a federal credit for a prior year minimum tax is taken. This reduction is limited to any federal alternative minimum tax previously disallowed in computing North Dakota taxable income and may not exceed North Dakota taxable income computed before the North Dakota net operating loss deduction. Any excess may be carried forward to the next taxable year a federal credit for a prior year minimum tax is taken.

**SECTION 2. AMENDMENT.** Subsection 1 of section 57-38-01.3 of the North Dakota Century Code is amended and reenacted as follows:

- 1. The taxable income of a corporation as computed pursuant to the provisions of the Internal Revenue Code of 1954, as amended, must be:
  - a. Reduced by any interest received from obligations of the United States that is included in taxable income or in the computation thereof on the federal return.
  - b. Reduced by any other income included in the taxable income, or in the computation thereof, on the federal return which is exempt from taxation by this state because of the provisions of the Constitution of North Dakota or the Constitution of the United States.
  - c. ~~Reduced by the amount of federal income tax liability, as computed under chapter 4 of the Internal Revenue Code of 1986, as amended, for the same taxable year for which the North Dakota return is being filed, to the extent that the taxes are computed upon income which becomes a part of the North Dakota taxable income. Provided,~~

~~that no adjustment to federal income taxes, paid or accrued, is required because of allowable deductions to federal taxable income made under the cost recovery provisions of subdivision b of subsection 5 of section 57-38-01. Federal income taxes for prior periods assessed against the taxpayer by reason of audit or other adjustment by the internal revenue service, or voluntary disclosure by the taxpayer, are not deductible except in the period in which income so taxed was reported or reportable or in which an adjustment was required but only after an adjustment is made by or with the office of the state tax commissioner. A refund of federal income tax must be reported and included in North Dakota taxable income in the year in which the tax was originally deducted. Income must be further reduced by federal alternative minimum tax when a federal credit for prior year minimum tax is taken. This reduction is limited to federal alternative minimum tax previously disallowed in computing North Dakota taxable income and may not exceed North Dakota taxable income computed before the North Dakota net operating loss deduction. Any excess may be carried forward to the next taxable year a federal credit for prior year minimum tax is taken.~~

- ~~d.~~ Increased by the amount of any income taxes, including income taxes of foreign countries, or franchise or privilege taxes measured by income, to the extent that such taxes were deducted to determine federal taxable income.
- ~~e.~~ d. Increased by the amount of any interest and dividends from foreign securities and from securities of state and their political subdivisions exempt from federal income tax, provided that interest upon obligations of the state of North Dakota or any of its political subdivisions may not be included.
- ~~f.~~ e. Reduced by the amount of net income not allocated and apportioned to this state under the provisions of chapter 57-38.1, but only to the extent that the amount of net income not allocated and apportioned to this state under the provisions of that chapter is not included in any adjustment made pursuant to the preceding subdivisions.
- ~~g.~~ f. Reduced by dividends or income received by any person from stock or interest in any corporation, the income of which has been assessed and paid by a corporation under this chapter or sections 57-35.3-01 through 57-35.3-12, received by the taxpayer and included in the gross income within the income year if such corporation has reported the name and address of each person owning stock and the amount of dividends or income paid each such person during the year, but when only part of the income of any corporation has been assessed and income tax paid under this chapter or sections 57-35.3-01 through 57-35.3-12, only a corresponding part of the dividends or income received therefrom may be deducted.
- ~~h.~~ Repealed by S.L. 1999, ch. 487, § 3.
- ~~i.~~ g. Increased by the amount of any special deductions and net operating loss deductions to the extent that these items were deducted in determining federal taxable income.
- ~~j.~~ h. Reduced by dividends paid, as defined in section 561 of the Internal Revenue Code of 1986, as amended, by a regulated investment company or a fund of a regulated investment company as defined in section 851(a) or 851(g) of the Internal Revenue Code of 1986, as amended, except that the deduction for dividends paid is not allowed with respect to dividends attributable to any income that is not subject to taxation under this chapter when earned by the regulated investment company. Sections 852(b)(7) and 855 of the Internal Revenue Code of 1986, as amended, apply for computing the deduction for dividends paid. A regulated investment company is not allowed a deduction for dividends received as defined in sections 243 through 245 of the Internal Revenue Code of 1986, as amended.

Provided, however, that each adjustment in the above subdivisions authorized under law is allowed only to the extent that the adjustment is allocated and apportioned to North Dakota income.

**SECTION 3. AMENDMENT.** Subsection 3 of section 57-38-01.3 of the North Dakota Century Code is amended and reenacted as follows:

3. The sum calculated pursuant to subsection 1 must be reduced by the amount of any net operating loss that is attributable to North Dakota sources. If the net operating loss that is attributable to North Dakota sources exceeds the sum calculated pursuant to subsection 1, the excess may be ~~carried back or~~ carried forward for the same time period that an identical federal net operating loss may be ~~carried back or~~ carried forward. If a corporation uses an apportionment formula to determine the amount of income that is attributable to North Dakota, the corporation must use the same formula to determine the amount of net operating loss that is attributable to North Dakota. In addition, no deduction may be taken for a ~~carryback or~~ carryforward when determining the amount of net operating loss that is attributable to North Dakota sources.

**SECTION 4. AMENDMENT.** Section 57-38-30 of the North Dakota Century Code is amended and reenacted as follows:

f. ~~On all taxable income above fifty thousand dollars, at the rate of ten and one-half percent.~~  
2. A corporation that has paid North Dakota alternative minimum tax in years beginning before January 1, 1991, may carry over any alternative minimum tax credit remaining to the extent of the regular income tax liability of the corporation for a period not to exceed four taxable years.

**SECTION 5. AMENDMENT.** Subsection 3 of section 57-38-40 of the North Dakota Century Code is amended and reenacted as follows:

3. A corporation may file a claim for credit or refund of an overpayment of tax resulting from the carryback of a net operating loss under subsection 3 of section 57-38-01.3, or resulting from a federal capital loss carryback, within three years after the prescribed due date for filing the return, including extensions, for the tax year in which the loss was incurred. The provisions of this subsection applicable to net operating losses are ~~effective~~ ineffective for loss years beginning after December 31, ~~1986~~ 2002.

**SECTION 6.** A new subsection to section 57-38.4-02 of the North Dakota Century Code is created and enacted as follows:
