HOUSE CONCURRENT RESOLUTION NO. 3065

Introduced by

1 A concurrent resolution directing the Legislative Council to study whether water resource district
2 board members or water managers should be elected rather than appointed.

3 **WHEREAS**, under current law, water resource district boards may have three, five, or
4 seven water managers, who are appointed by the board of county commissioners; and

5 **WHEREAS**, water managers are responsible for managing water resources within the
6 boundaries of the water resource district and have the authority to develop and finance water
7 projects, enforce illegal drainage, remove negligent obstructions to drains and watercourses,
8 and prohibit the illegal construction of dikes, dams, and other devices; and

9 **WHEREAS**, the governing bodies of most local entities are elected by their
10 constituencies and the citizens of North Dakota cherish representative government and the
11 exercise of their elective franchise; and

12 **WHEREAS**, water managers are responsible for implementing public policy regarding
13 the regulation of the state's water resources and they may be more responsive to the people's

15 **NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES**
16 **OF NORTH DAKOTA, THE SENATE CONCURRING THEREIN:**
