All buildings and the contents of the buildings owned by the state mill and elevator association, in lieu of coverage under this chapter, may, at the option of the industrial commission, be insured by private insurance companies licensed to do business in this state, against at least all the types of hazards insured against by the fund. If the industrial commission exercises the option provided in this section, the commission shall seek competitive sealed bids, shall invite the fund to submit a bid, and may reject any or all bids received.

All public buildings owned by a political subdivision, in lieu of coverage provided for in this section, may at the option of the governing body of the political subdivision be insured on the basis of competitive sealed bids, through the fund which must be invited to submit a sealed bid or private insurance companies licensed to do business in this state, against damage resulting from hazards, which include those types of hazards that may be insured against by the fund. The governing body may reject any or all such bids.

All public libraries owned by the state or political subdivisions may, in addition to the coverage provided for in this section, be covered against damage through vandalism.
