

Fifty-eighth
Legislative Assembly
of North Dakota

SENATE BILL NO. 2064

Introduced by

Industry, Business and Labor Committee

(At the request of the Office of Management and Budget)

1 A BILL for an Act to amend and reenact section 54-23.2-09 of the North Dakota Century Code,
2 relating to state radio communications collection of 911 service fees for wireless access lines;
3 and to declare an emergency.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Section 54-23.2-09 of the North Dakota Century Code is
6 amended and reenacted as follows:

7 **54-23.2-09. Mobile data terminal and 911 service fees.** State radio communications
8 shall establish and charge fees to provide mobile data terminal service to interested local law
9 enforcement agencies. The fees must be based on actual costs incurred by state radio
10 communications for providing the service.

11 State radio communications may provide 911 services to a political subdivision with a
12 population of fewer than twenty thousand and shall charge at least twenty cents per telephone
13 access line and wireless access line for 911 services provided to political subdivisions. The fee
14 for 911 wireless services must be charged to and paid by the political subdivision receiving
15 services from state radio communications under this section from and after the date of the
16 agreement entered into by the political subdivision or its designee under section 57-40.6-05,
17 whether the date of that agreement is before or after the effective date of this Act. Each county
18 currently receiving 911 services from state radio communications shall abide by the standards
19 established by law.

20 **SECTION 2. EMERGENCY.** This Act is declared to be an emergency measure.
