11. Possessing a traffic control signal preemption device in violation of section 2 of this Act.

SECTION 2. A new section to chapter 39-21 of the North Dakota Century Code is created and enacted as follows:

Traffic control signal preemption devices - Definition - Penalty. Unless a traffic control signal preemption device is located on an authorized emergency vehicle, the device may not be installed on a motor vehicle, may not be transported in the passenger compartment of a motor vehicle, and may not be operated by the driver or passenger of a motor vehicle. A "traffic control signal preemption device" means any device that emits a pulse of light or other signal that when received by a detector attached to a traffic control signal changes that traffic control signal to a green light or if the traffic control signal is already green extends the duration of the green light. Violation of this section is an infraction.

SECTION 3. A new section to chapter 51-07 of the North Dakota Century Code is created and enacted as follows:

Sale of traffic control signal preemption devices prohibited - Penalty. A person may not sell a traffic control signal preemption device as defined in section 2 of this Act to any person unless the device is sold for use in an authorized emergency vehicle. Violation of this section is a class B misdemeanor.
