22 division and the director of the department of human services to be exempted from the merit
23 system. The request must describe a plan and policy that assures the political subdivision has
24 developed a merit system plan that meets federal standards for personnel administration. The

10 department of human services determine that a political subdivision has failed to maintain
11 compliance with federal merit system principles, the division and the department shall notify the
12 political subdivision of the noncompliance and order the political subdivision to take corrective
13 action. If a political subdivision does not take the necessary corrective action to comply with
14 federal merit system principles, the division and the department of human services shall revoke
15 the political subdivision's exemption from the state merit system and return the political
16 subdivision to the state merit system. The political subdivision is responsible for any penalty
17 assessed by a federal authority for a noncompliant political subdivision merit system.
