1 A BILL for an Act to create and enact a new section to chapter 28-32 of the North Dakota
2 Century Code, relating to administrative rules committee review of existing administrative rules.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 28-32 of the North Dakota Century Code is
5 created and enacted as follows:

6 **Administrative rules committee review of existing administrative rules.** The
7 administrative rules committee may review any existing administrative rules. If the
8 administrative rules committee finds that, with regard to a rule reviewed under this section, any
9 consideration exists under subsection 1 of section 28-32-18 for which the committee may
10 declare a rule void, then the procedures of section 28-32-18 apply with regard to that rule and
11 the committee may proceed according to that section with consideration of whether to find the
12 rule void or agree with the adopting agency on an appropriate amendment.
