2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

SB 2050 with House Amendments changes the date of implementation of compliance with the streamlined sales and use tax agreement from December 31, 2005 to July 1, 2006.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The overall slight negative fiscal impact of the original estimate of compliance with the streamlined sales and use tax agreement is assumed in the Governor's budget (it was enacted in the 2003 Legislature). However, moving the effective date six months later is estimated to have a slight positive fiscal impact totaling \$150,000 in FY 06. By delaying the effective date, the negative fiscal impact is postponed one-half of a year. This legislation impacts the state general fund and the state aid distribution fund.

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
