2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

SB 2281 broadens the agricultural investment tax credit to include investments made by corporations and pass-through entities. The bill limits the number of agricultural commodity processing facilities in which taxpayers can invest to the first ten projects that qualify, however it does not limit the number of taxpayers who can claim the tax credit.

Currently, this tax credit is available only to individuals who invest in qualifying projects. The fiscal impact of expanding it to corporations and other types of businesses cannot be determined.
