2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill sets the base per student payment rate for state aid payments to school districts at \$2,726 the first year and \$2,826 the second year of the 2005-2007 biennium, reconfigures the weighting factor categories, increases the weighting factor adjustment percentage for isolated schools, increases the minimum salary level for full time teachers, provides that 70% of the increase in state aid and tuition apportionment must be used for increasing teacher compensation, provides a distribution basis for transportation funding, and provides for contingent payments for reorganization bonuses, English language learner programs, and additional per student payments.

HB 1154 also appropriates \$30,000 for providing transportation efficiency training to school district personnel.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

Funding for HB 1154:

HB 1013 Grants - State school aid \$512,153,759

HB 1154 Grants - Transportation efficiency training \$30,000

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

An additional appropriation of \$30,000 for the purpose of contracting to provide transportation efficiency training to school district personnel is authorized under this bill.
