2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

We estimate the engrossed bill causes no fiscal impact

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

No revenue impact is expected from this bill.

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

We estimate no substantial expenditures under the engrossed bill.

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

We have not estimated any need for an additional appropriation because we would expect to employ such outside experts under our existing appropriation. However, it is possible that if operating expenses are tight, we will need to obtain Emergency Commission approval for these expenditures, and a corresponding increase to our appropriation to cover the cost.
