- d. A combined total land mass of at least one thousand five hundred square miles [388498 hectares] and have at least seven thousand five hundred students in average daily membership.
2. The school districts participating in the agreement are contiguous to each other or, if the districts are not contiguous to each other, the superintendent of public instruction shall verify that the participating districts can provide sound educational opportunities to their students in a fiscally responsible manner without injuring other school districts or educational associations governed by joint powers agreements and without negatively impacting the ability of other school districts or educational associations governed by joint powers agreements from providing sound educational opportunities to their students in a fiscally responsible manner. A decision by the superintendent of public instruction under this subsection may be appealed to the state board of public school education. A decision by the state board is final.
3. The joint powers agreement requires that the participating school districts maintain a joint operating fund and share various administrative functions and student services in accordance with subsection 4.
4. a. During the first two school years in which an educational association governed by a joint powers agreement is operational, each of the participating school districts shall share in at least two administrative functions and two student services, selected by the district.
- b. During the third and fourth school years in which an educational association governed by a joint powers agreement is operational, each of the participating school districts shall share in at least three administrative functions and three student services, selected by the district.

- c. During the fifth school year in which an educational association governed by a joint powers agreement is operational, and each year thereafter, each participating school district shall share at least five administrative functions and five student services, selected by the district.
- d. For purposes of this subsection:
 - (1) "Administrative functions" means:
 - (a) Business management;
 - (b) Career and technical education services management;
 - (c) Curriculum mapping or development;
 - (d) Data analysis;
 - (e) Federal program support;
 - (f) Federal title program management;
 - (g) Grant writing;
 - (h) School improvement;
 - (i) School safety and environment management;
 - (j) Special education services management;
 - (k) Staff development;
 - (l) Staff retention and recruitment;
 - (m) Staff sharing;
 - (n) Technology support; and
 - (o) Any other functions approved by the superintendent of public instruction.
 - (2) Student services means:
 - (a) Advanced placement classes;
 - (b) Alternative high schools or alternative high school programs;
 - (c) Career and technical education classes;

 - (f) Distance learning classes;
 - (g) Dual credit classes;
 - (h) Foreign language classes;
 - (i) Library and media services;
 - (j) Summer programs;
 - (k) Supplemental instruction programs; and
 - (l) Any other services approved by the superintendent of public instruction.

- e. For purposes of this subsection, if an educational association governed by a joint powers agreement became operational before July 1, 2005, the 2005-06 school year must be considered the association's first year of operation.
- 5. The joint powers agreement provides:
 - a. Criteria for the future participation of school districts that were not parties to the original joint powers agreement;
 - b. An application process by which school districts that were not parties to the original joint powers agreement can become participating districts; and
 - c. A process by which school districts that were not parties to the original joint powers agreement and whose application to participate in the agreement was denied can appeal the decision to the superintendent of public instruction.
- 4. 6. The joint powers agreement provides for the employment and compensation of ~~a chief administrator and other~~ any staff necessary to carry out the provisions of the agreement and the requirements of this ~~section and section 15.1-27-37~~ Act.
- 7. The joint powers agreement provides for a governing board that consists only of individuals who serve on the boards of the participating school districts or designees of the respective school board members, provided however that a joint powers agreement may allow for the inclusion of ex officio nonvoting members on the educational association's board.
- 8. The joint powers agreement provides that the board of the educational association shall meet at least quarterly.
- 9. The joint powers agreement does not permit the educational association to compensate members of the educational association board for attending meetings of the board and that it does not permit the educational association to reimburse members of the board for any expenses incurred in attending meetings of the educational association board.

SECTION 2. A new section to chapter 15.1-07 of the North Dakota Century Code is created and enacted as follows:

Compensation - Reimbursement - Extraordinary service. The board of an educational association established under section 15.1-07-28 may provide compensation and reimbursement to any board member who, at the direction of the board, performs extraordinary service on behalf of the board. For purposes of this section, "extraordinary service" means duties beyond those reasonably expected of members of the board and includes travel to and attendance at national meetings or conventions.

SECTION 3. AMENDMENT. Section 15.1-27-04 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-04. Per student payment. The per student payment to which each school district is entitled for the first year of the biennium is two thousand ~~five~~ nine hundred ~~nine~~ dollars. The per student payment to which each school district is entitled for the second year of the biennium is ~~two three thousand six hundred twenty three~~ fifteen dollars. The per student amount is the basis for calculating state payments to school districts, as provided in sections 15.1-27-06 and 15.1-27-07.

SECTION 4. AMENDMENT. Section 15.1-27-05 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-05. (Effective through June 30, 2008) School district equalization factor.

- 1. To determine the amount of payments due a school district, the superintendent of public instruction shall add the tuition ~~apportionment fund~~ payments, per student payments, special education aid, transportation aid,

and teacher compensation payments for which a school district is eligible and from that total subtract the following:

- a. The product of thirty-six mills times the taxable valuation of property in the district;
 - b. The amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars; and
 - c. If the mills levied by the district for general fund purposes, plus the mills levied for high school transportation and high school tuition purposes are fewer than one hundred forty, the number of mills by which the district's levies are below one hundred forty multiplied by the taxable valuation of property in the district.
2. Beginning July 1, 2006, and each year thereafter, the number of mills used by the superintendent of public instruction in determining the product required by subdivision a of subsection 1 must be increased by ~~two~~ three over the number of mills used in determining the product required by that subdivision the previous year.

(Effective after June 30, 2008) School district equalization factor.

1. To determine the amount of payments due a school district, the superintendent of public instruction shall add the tuition ~~apportionment fund~~ payments, per student payments, special education aid, transportation aid, and teacher compensation payments for which a school district is eligible and from that total subtract the following:
 - a. The product of the number of mills prescribed in subsection 2 times the taxable valuation of property in the district;
 - b. The amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars; and
 - c. If the mills levied by the district for general fund purposes, plus the mills levied for high school transportation and high school tuition purposes are fewer than one hundred forty, the number of mills by which the district's levies are below one hundred forty multiplied by the taxable valuation of property in the district.
2. The number of mills used by the superintendent of public instruction in determining the product required by subdivision a of subsection 1 must be increased by ~~two~~ three over the number of mills used in determining the product required by that subdivision the previous year.

SECTION 5. AMENDMENT. Section 15.1-27-06 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-06. Per student payments - Weighting factors - High school students. The superintendent of public instruction shall make payments each year, as provided for in this section, to each school district operating a high school and to each school district contracting to educate high school students in a federal school, subject to adjustment as provided in section 15.1-27-21.

1. Each district having under ~~seventy-five~~ one hundred twenty students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~4.625 adjusted by eighty-five percent of the difference between 1.625 and the~~ factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.~~

2. Each district having at least ~~seventy-five~~ one hundred twenty but fewer than ~~one three hundred fifty~~ students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~1.335 adjusted by eighty-five percent of the difference between 1.335 and the factor~~ representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
3. Each district having at least ~~one three hundred fifty~~ but fewer than ~~five hundred fifty~~ students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~1.24 adjusted by eighty-five percent of the difference between 1.24 and the factor~~ representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
4. ~~Each district having at least five hundred fifty students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor 1.14 adjusted by eighty-five percent of the difference between 1.14 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
5. 4. Each district having an approved alternative high school education program is entitled to receive the amount of money that results from multiplying the factor in:
 - a. Subsection 1 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if fewer than ~~seventy-five~~ one hundred twenty students in average daily membership are enrolled in the alternative education program.
 - b. Subsection 2 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least ~~seventy-five~~ one hundred twenty but fewer than ~~one three hundred fifty~~ students in average daily membership are enrolled in the alternative education program.
 - c. Subsection 3 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least ~~one three hundred fifty~~ but fewer than ~~five hundred fifty~~ students in average daily membership are enrolled in the alternative education program.
 - d. ~~Subsection 4 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least five hundred fifty students in average daily membership are enrolled in the alternative education program.~~
6. 5. In order to be eligible for enumeration under this section, a student:
 - a. Must have completed the work of the eighth grade;
 - b. Must not have completed the work of the twelfth grade; and

- c. Must be a resident of this state or a nonresident attending a school in this state under the auspices of a foreign student exchange program.
- 6. In calculating payments under this section and subsections 1 through 4 of section 15.1-27-07, the superintendent of public instruction shall use 1.0 as the factor that represents the lowest five-year average cost of education among all elementary and high school weighting categories other than kindergarten and shall use proportionately increased factors to represent the five-year average cost of education in all remaining weighting categories except kindergarten.

SECTION 6. AMENDMENT. Section 15.1-27-07 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-07. Per student payments - Weighting factors - Elementary school students. The superintendent of public instruction shall make payments each year, as provided for in this section, to each school district operating an elementary school and to each school district contracting to educate elementary students in a federal school, subject to adjustment as provided in section 15.1-27-21.

- 1. ~~a. Each district having only a one-room rural school is entitled to receive the amount of money that results from multiplying the factor 1.28 adjusted by eighty five percent of the difference between 1.28 and the factor representing the five year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through eight in that school, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment level provided for in this subdivision is applicable only to the first sixteen students.~~
- ~~b. If the one-room rural school has more than sixteen students in average daily membership in grades one through eight, the district in which the school is located is entitled to receive ninety percent of the per student payment provided for in section 15.1-27-04 for each additional student. The district is not entitled to any payment for more than twenty students in average daily membership.~~
- ~~c. If a one-room rural school is located in a district having another elementary school, the weighting factor for the students in grades one through six must be based on the average daily membership in the district in grades one through six, as provided in this section.~~
- ~~d. If a one-room rural school is located in a school district with another school that has students in grade seven or eight, the weighting factor for the students in grade seven or eight must be the same as that provided for in subsection 5.~~
- 2. 1. Except as provided in subsection 1, each Each school district having fewer than one hundred students in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor 1.09 ~~adjusted by eighty five percent of the difference between 1.09 and the factor~~ representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first twenty five students in average daily membership per classroom or per teacher.~~
- 3. 2. Each school district having at least one hundred students ~~but fewer than one thousand students~~ in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor .905 ~~adjusted by eighty five percent of the difference between~~

~~.905 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher.~~

4. ~~Each school district having at least one thousand students in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor .95 adjusted by eighty five percent of the difference between .95 and the factor representing the five year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five year average cost of the education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher.~~
5. 3. Each school district having students in grades seven and eight is entitled to receive the amount of money that results from multiplying the factor 4.01 adjusted by eighty five percent of the difference between 1.01 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades seven and eight in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher. ~~The payments provided for in this subsection are not available for students who attend a one-room rural school if that school is the only one in the district that offers educational services to students in grades seven and eight.~~
6. 4. Each school district having a special education program approved by the director of special education is entitled to receive, for each student who is enrolled in the program and who is at least three years of age but less than the compulsory age for school attendance, the amount of money that results from multiplying the factor 4.01 adjusted by eighty five percent of the difference between 1.01 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of special education students in average daily membership in the program who are at least three years of age but less than the compulsory age for school attendance, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction.
7. 5. a. Each school district operating a kindergarten as provided for in section 15.1-22-02 is entitled to receive the amount of money that results from multiplying the factor .50 adjusted by eighty five percent of the difference between .50 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of kindergarten students in average daily membership in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first twenty-five students in average daily membership per classroom or per teacher.

- b. In order to receive the full per student payment available under this section, a district must operate a kindergarten program that provides the equivalent of ninety full days of classroom instruction during a twelve-month period. A district is entitled to a prorated payment under this section if it operates a kindergarten program of shorter duration.
- 8. 6. Each school district that educates students who are also enrolled in nonpublic schools is entitled to receive proportionate payments under this section.
- 9. 7. Each school district is entitled to receive as much in total payments for elementary students as it would have received if it had the highest number of students in the next lower category.
- 10. 8. A school district is not entitled to any payments provided for by this chapter unless each teacher employed by the district:
 - a. Holds a teaching license issued by the education standards and practices board; or
 - b. Has been approved to teach by the education standards and practices board.
- 9. In calculating payments under subsections 1 through 4 and under section 15.1-27-06, the superintendent of public instruction shall use 1.0 as the factor that represents the lowest five-year average cost of education among the elementary and high school weighting categories other than kindergarten and shall use proportionately increased factors to represent the five-year average cost of education in all remaining weighting categories except kindergarten.

SECTION 7. AMENDMENT. Section 15.1-27-11 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-11. High school districts - Supplemental payments.

- 1. The superintendent of public instruction shall calculate the average valuation of property per student by dividing the number of students in average daily membership in grades one through twelve in a high school district into the sum of:
 - a. The district's latest available net assessed and equalized taxable valuation of property; plus
 - b. All tuition payments and county ~~and unrestricted federal~~ revenue received by the district, divided by the total of the district's general fund levy, high school transportation levy, and high school tuition levy.
- 2. ~~If the~~ The superintendent of public instruction shall verify that:
 - a. The quotient arrived at under subsection 1 is less than the latest available statewide average taxable valuation per student and if the;
 - b. The district's educational expenditure per student is below the most recent available statewide average cost of education per student;
 - c. The district has a general fund levy of at least one hundred eighty mills; and
 - d. The district's unobligated general fund balance on the preceding June thirtieth is not in excess of thirty-five percent of its actual expenditures, plus twenty thousand dollars.
- 3. If the superintendent of public instruction determines that the district meets all the requirements of subsection 2, the superintendent of ~~public instruction~~ shall:
 - a. Determine the difference between the latest available statewide average taxable valuation per student and the average taxable valuation per student in the high school district;

- b. Multiply the result determined under subdivision a by the number of students in average daily membership in grades one through twelve in the high school district;
 - c. Multiply the result determined under subdivision b by the number of general fund mills levied by the district in excess of one hundred fifty, provided that any mills levied by the district which are in excess of two hundred ten may not be used in this calculation; and
 - d. Multiply the result determined under subdivision c by a factor calculated by the superintendent of public instruction to result in the expenditure, over the course of the biennium, of the full amount provided for the purpose of this section.
- e. 4. The result of the calculations under this section is the supplemental payment to which a high school district is entitled, in addition to any other amount provided under chapter 15.1-27.

SECTION 8. AMENDMENT. Section 15.1-27-15 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-15. Per student payments - Isolated schools.

- 1. If an elementary school has fewer than fifty students and fifteen percent or more of its students would have to travel beyond a fifteen-mile [24.15-kilometer] radius from their residences in order to attend another school, the weighting factor provided under section 15.1-27-07 must be increased by ~~twenty~~ twenty-five percent ~~for the first fifteen students~~. If the school has fewer than fifteen students, the payment received must be for fifteen students.
- 2. If a high school has fewer than thirty-five students and fifteen percent or more of its students would have to travel beyond a twenty-mile [32.2-kilometer] radius from their residences in order to attend another school, the weighting factor provided under section 15.1-27-06 must be increased by ~~twenty~~ twenty-five percent ~~for the first twenty students~~. If the school has fewer than twenty students, the payment received must be for twenty students.

SECTION 9. AMENDMENT. Section 15.1-27-37 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-37. Compensation of teachers - Claim for reimbursement - Rules.

- 1. On or before October first of each year or within thirty days after the conclusion of the negotiation process provided for in chapter 15.1-16, the board of a school district may file a claim with the superintendent of public instruction for the reimbursement of moneys to be expended by the district during the school year to at least maintain the level of compensation provided to teachers employed by the district during the ~~2002-03~~ preceding school year.
- 2. The claim must include:
 - a. The number of full-time equivalent teachers employed by the district as of September fifteenth of the current school year;
 - b. The number of full-time equivalent teachers whose level of compensation will be at least equal to that provided during the ~~2002-03~~ preceding school year; and
 - c. The total amount of any compensation increases provided to full-time equivalent teachers over the level of compensation provided during the ~~2002-03~~ preceding school year.
- 3. a. For the ~~2003-04~~ 2005-06 school year, the reimbursement provided for in this section may not exceed ~~three~~ two thousand ~~four~~ hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, ~~2003~~ 2005. The

superintendent of public instruction shall distribute an amount equal to six hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2005, in the same manner as per student payments under chapter 15.1-27.

- b. For the ~~2004-05~~ 2006-07 school year, the reimbursement provided for in this section may not exceed ~~three~~ one thousand eight hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, ~~2004~~ 2006. The superintendent of public instruction shall distribute an amount equal to one thousand two hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2006, in the same manner as per student payments under chapter 15.1-27.
- c. For the 2007-08 school year, the reimbursement provided for in this section may not exceed one thousand two hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2007. The superintendent of public instruction shall distribute an amount equal to one thousand eight hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2007, in the same manner as per student payments under chapter 15.1-27.
- d. For the 2008-09 school year, the reimbursement provided for in this section may not exceed six hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2008. The superintendent of public instruction shall distribute an amount equal to two thousand four hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2008, in the same manner as per student payments under chapter 15.1-27.
- e. For the ~~2003-04~~ 2005-06 school year, the reimbursement under this section for each individual employed as of September 15, ~~2003~~ 2005, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to teach by the education standards and practices board, may not exceed ~~one thousand~~ eight hundred dollars. The superintendent of public instruction shall distribute an amount equal to two hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2005, in the same manner as per student payments under chapter 15.1-27.
- d. f. For the ~~2004-05~~ 2006-07 school year, the reimbursement under this section for each individual employed as of September 15, ~~2004~~ 2006, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to teach by the education standards and practices board, may not exceed ~~one thousand~~ six hundred dollars. The superintendent of public instruction shall distribute an amount equal to four hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2006, in the same manner as per student payments under chapter 15.1-27.
- g. For the 2007-08 school year, the reimbursement under this section for each individual employed as of September 15, 2007, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to teach by the education standards and practices board, may not exceed four hundred dollars. The superintendent of public instruction shall distribute an amount equal to six hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2007, in the same manner as per student payments under chapter 15.1-27.
- h. For the 2008-09 school year, the reimbursement under this section for each individual employed as of September 15, 2008, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to

teach by the education standards and practices board, may not exceed two hundred dollars. The superintendent of public instruction shall distribute an amount equal to eight hundred dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2008, in the same manner as per student payments under chapter 15.1-27.

4. For purposes of this section, the claim of a district may include proportionate expenditures made by the district to compensate individuals employed as teachers by the special education unit or the area career and technology center to which the district belongs.
5. The superintendent of public instruction may adopt rules regarding claims for and the payment of reimbursements under this section.

SECTION 10. A new section to chapter 15.1-27 of the North Dakota Century Code is created and enacted as follows:

Annual compensation - Maintenance of prior level. The amount of compensation paid by the board of a school district to an individual teacher during the 2005-06 school year may not be less than the amount paid to that same teacher during the 2004-05 school year for performing identical services. The amount of compensation paid by the board of a school district to an individual teacher during the 2006-07 school year may not be less than the amount paid to that same teacher during the 2005-06 school year for performing identical services.

SECTION 11. AMENDMENT. Section 15.1-27-40 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-40. Approved joint powers agreement - Reimbursement by superintendent of public instruction.

1. ~~The individual employed as a chief administrator for the purpose of carrying out the provisions of a joint powers agreement and any requirements under section 15.1-07-27 shall~~ executive director of an educational association governed by a joint powers agreement which the superintendent of public instruction has verified as meeting the requirements of section 15.1-07-28 shall annually submit to the superintendent of public instruction, at the time and in the manner designated by the superintendent, receipts for expenses incurred during a school year in delivering services and programs under section 15.1-07-27.
2. ~~The superintendent of public instruction, upon verifying the receipts, shall reimburse the chief administrator of the joint powers agreement for any expenses incurred in delivering services and programs under the auspices of the joint powers agreement as provided in section 15.1-07-27. The reimbursement may not exceed the lesser of:~~
 - a. ~~The total expenses incurred in delivering services and programs under section 15.1-07-27; or~~
 - b. ~~Fifty thousand dollars.~~
3. ~~The chief administrator~~ a report detailing all expenses incurred by the educational association and shall attribute the expenses on a per student basis by participating school district.
2. ~~The executive director shall deposit any moneys received under subsection 2 in the participating districts' by or on behalf of the association into the educational association's joint operating fund.~~
4. ~~The superintendent of public instruction may not provide any reimbursement to a chief administrator under this section unless the joint powers agreement under which the services and programs are delivered has been approved by the superintendent.~~

SECTION 12. AMENDMENT. Section 15.1-28-03 of the North Dakota Century Code is amended and reenacted as follows:

15.1-28-03. State tuition fund - ~~Apportionment~~ Payment.

1. On or before the third Monday in each January, February, March, April, August, September, October, November, and December, the office of management and budget shall certify to the superintendent of public instruction the amount of the state tuition fund. ~~The~~
2. Beginning July 1, 2005, and ending June 30, 2007, the superintendent of public instruction shall apportion:
 - a. Apportion seventy percent of the fund among the school districts of the state in proportion to the number of school-age children residing in each district, as shown by the latest enumeration provided for by law, and pay the amount apportioned to each school district.—The superintendent shall make the payments required by this section at the same time as the per student payments required under chapter 15.1-27; and
 - b. Distribute thirty percent of the fund at the same time and in the same manner as per student payments required under chapter 15.1-27.
3. Beginning July 1, 2007, and ending June 30, 2009, the superintendent of public instruction shall:
 - a. Apportion thirty percent of the fund among the school districts of the state in proportion to the number of school-age children residing in each district, as shown by the latest enumeration provided for by law, and pay the amount apportioned to each school district at the same time as the per student payments required under chapter 15.1-27; and
 - b. Distribute seventy percent of the fund at the same time and in the same manner as per student payments required under chapter 15.1-27.
4. Beginning July 1, 2009, and thereafter, the superintendent of public instruction shall distribute all moneys available in the fund at the same time and in the same manner as per student payments required under chapter 15.1-27.

SECTION 13. AMENDMENT. Section 15.1-29-02 of the North Dakota Century Code is amended and reenacted as follows:

15.1-29-02. Education of students in bordering states - Contract - Tuition.

1. A school district may contract with a school district in a bordering state for the education of students. A contract between school districts must provide for the payment of tuition at an agreed-upon amount.
2. For purposes of per student payments and tuition ~~apportionment~~ fund payments, a student who attends school in a bordering state under a contract provided for by this section is deemed to be in attendance in the student's school district of residence. The student's school district of residence is liable to the school district of the bordering state for payments as provided in the contract.
3. A school district in this state may not agree to accept students from a bordering state unless the tuition payable equals or exceeds the per student payment plus the tuition ~~apportionment~~ fund payment that the district would have received from this state for a student in the same grade if its student had been attending school in the bordering state.

SECTION 14. AMENDMENT. Section 15.1-31-03 of the North Dakota Century Code is amended and reenacted as follows:

15.1-31-03. Open enrollment - Per student aid - Tuition ~~apportionment~~ fund.

1. Once a student is enrolled in an admitting district, the student must remain enrolled in the admitting district until:
 - a. The student graduates;

- b. The student relocates to another district;
 - c. The student's parent applies for enrollment in another school district; or
 - d. The student's parent notifies the student's school district of residence that the student will attend school in the school district of residence the following year.
2. Payment for per student aid must be made to the admitting district in accordance with chapter 15.1-27.
 3. For purposes of tuition ~~apportionment~~ fund payments, a student whose application is approved under this section is considered a resident of the admitting district.
 4. Except as specifically provided in this chapter, chapter 15.1-29 does not apply to students involved in open enrollment.

SECTION 15. AMENDMENT. Section 37 of chapter 667 of the 2003 Session Laws is amended and reenacted as follows:

SECTION 37. CONTINGENT PAYMENTS - DISTRIBUTION. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in Senate Bill No. 2013 remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2003, and ending June 30, 2005, the superintendent of public instruction shall distribute the remaining moneys as follows:

1. The superintendent of public instruction shall return the first \$759,000 to the state general fund.
2. The superintendent of public instruction shall use the ~~first~~ next \$250,000, or so much of that amount as is necessary, for the purpose of providing reimbursements to the chief administrators of joint powers agreements pursuant to section 19 of this Act.
- ~~2.~~ 3. The superintendent of public instruction shall use the next \$1,000,000, or so much of that amount as is necessary, for the purpose of providing reorganization bonuses, pursuant to section 15.1-12-11.1, to school districts having reorganizations effective after July 1, 2003, and before July 1, 2005. If insufficient moneys exist to fully meet the requirements of this subsection, the superintendent of public instruction shall prorate the payments according to that percentage of the amount available to which a school district is entitled.
- ~~3.~~ 4. The superintendent of public instruction shall use the remainder of the moneys to provide additional per student payments on a prorated basis, according to the average daily membership of each school district during the 2004-05 school year.

SECTION 16. TRANSPORTATION GRANTS - DISTRIBUTION. The superintendent of public instruction shall distribute from the grants - state school aid line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, an amount equal to the state transportation aid payments distributed during the 2003-05 biennium. The superintendent of public instruction shall calculate the payment to which each school district is entitled based on the state transportation formula as it existed on June 30, 2001, except that the superintendent shall provide reimbursement for in-city mileage at the rate of fifty cents for schoolbuses having a capacity of ten or more students and reimbursement for vehicles having a capacity of nine or fewer students and transporting students who live outside the incorporated limits of a city at the rate of forty cents per mile. The superintendent of public instruction shall use the latest available student enrollment count in each school district. If insufficient moneys exist to fully meet the requirements of this section, the superintendent of public instruction shall prorate the payments according to the percentage of the amount available to which each school district is entitled. Nothing in this section permits reimbursement for any costs incurred in providing transportation for student attendance at extracurricular activities or events.

SECTION 17. CONTINGENCY - RETURN OF MONEYS TO THE GENERAL FUND. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in House Bill No. 1013 remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2005, and ending June 30, 2007, and if section 15 of this Act does not become effective before July 1, 2005, the superintendent of public instruction shall return the first \$759,000 to the state general fund.

SECTION 18. CONTINGENCY. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in House Bill No. 1013 remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2005, and ending June 30, 2007, and after the superintendent of public instruction has fulfilled any directives contained in section 17 of this Act, the superintendent shall distribute the remaining moneys as follows:

1. The superintendent of public instruction shall use the next \$450,000 of the moneys to provide additional payments to school districts serving English language learners, in accordance with section 15.1-27-12.
2. The superintendent of public instruction shall use the next \$1,000,000, or so much of that amount as is necessary, for the purpose of providing payments to educational associations governed by joint powers agreements that the superintendent of public instruction has verified as meeting the requirements of section 15.1-07-28.
3. The superintendent of public instruction shall use the remainder of the moneys to provide additional per student payments on a prorated basis, according to the latest available average daily membership of each school district.

SECTION 19. CONTINGENCY PAYMENTS - TEACHER COMPENSATION - ADDITIONAL PER STUDENT PAYMENTS. If any moneys appropriated by the legislative assembly to the grants - teacher compensation line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, remain after completion of all statutory obligations, the superintendent of public instruction shall use the remaining moneys to provide additional per student payments on a prorated basis, according to the latest available average daily membership of each school district.

SECTION 20. APPROPRIATION. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$30,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of contracting to provide transportation efficiency training to school district personnel, for the biennium beginning July 1, 2005, and ending June 30, 2007.

SECTION 21. APPROPRIATION.

1. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$2,000,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing funding to eligible educational associations, for the biennium beginning July 1, 2005, and ending June 30, 2007.
2.
 - a. The superintendent of public instruction shall use \$1,360,000, or so much of that sum as is necessary, to assist eligible educational associations with hiring and compensating staff.
 - b. The superintendent of public instruction shall use \$590,000, or so much of that sum as is necessary, to provide per student payments during each year of the biennium, to each eligible educational association, based on the number of students in average daily membership in each school district participating in the association.
 - c. The superintendent of public instruction shall use \$50,000, or so much of that sum as is necessary, to reimburse eligible educational associations formed on or after July 1, 2005, for expenses incurred in their formation.
3. No eligible educational association may receive more than \$250,000 under subdivision a of subsection 2 during the biennium.

4. For purposes of this section, an "eligible" educational association is one that is governed by a joint powers agreement which the superintendent of public instruction has verified as meeting the requirements of section 15.1-07-28.

SECTION 22. APPROPRIATION - REORGANIZATION BONUSES - CONTINGENCY. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$759,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing a reorganization bonus to any school district having a reorganization effective on July 1, 2005, pursuant to section 15.1-12-11.1, for the biennium beginning July 1, 2005, and ending June 30, 2007. If any moneys remain after the superintendent of public instruction completes the payment of bonuses for any reorganization effective on July 1, 2005, the superintendent shall use the remaining moneys to provide additional per student payments on a prorated basis, according to the latest available average daily membership of each school district.

SECTION 23. REPEAL. Sections 15.1-09-42 and 15.1-12-11.2 of the North Dakota Century Code are repealed.

SECTION 24. REPEAL. Section 15.1-12-11.1 of the North Dakota Century Code is repealed.

SECTION 25. REPEAL. Sections 15.1-27-36, 15.1-27-37, and 15.1-27-38 of the North Dakota Century Code are repealed.

SECTION 26. EFFECTIVE DATE. Section 24 of this Act becomes effective on December 31, 2005.

SECTION 27. EFFECTIVE DATE. Section 25 of this Act becomes effective on July 1, 2009.

SECTION 28. EMERGENCY. Section 15 of this Act is declared to be an emergency measure."
