MOTION

SEN. STENEHJEM MOVED that the Senate be on the Fifteenth order for the purpose of electing an Interim President Pro Tem, which motion prevailed.

NOMINATIONS FOR INTERIM PRESIDENT PRO TEM

SEN. GRINDBERG: It is a pleasure to nominate Sen. John Andrist as our next President Pro Tem. John and I were both elected in 1992 and have served the past four sessions together on the Appropriations Committee. Senator Andrist has served with distinction, demonstrated a high degree of moral character and is well respected all across North Dakota as a leader. He has a strong sense of humor and a natural gift of conveying his thoughts and opinions with his writing skills. John will be an effective and esteemed President Pro Tem. I am honored to place my friend, Senator John Andrist's name in nomination as our next President Pro Tem.

SEN. NELSON: Mr. President. In 1995 I moved over to the Senate from the House. That year, you were also introduced to Sen. Les LaFountain, District 9 (one of my former students at NDSU) and a young, energetic redhead from Mantador. He occupied the seat now occupied

by Sen. Hacker and those around him tried to show him the ropes and keep him occupied - we would all soon know why the latter was necessary. The following session, this young redhead joined the leadership team of Mathern and Krauter. He rallied our troops well. He held forth on his committees and people were listening. Later, he became assistant leader and learned that job well too. There was an advantage to him being on Appropriations - it kept him busy - especially during these conference committee days. Black clips on jackets, certain sound machines showing up in strange places, desk phones being greased, connected or disconnected, weird e-mails, some caught it more than others. Who could blame anyone in this chamber for retaliatory actions? Despite all this, our candidate for President Pro Tem has endeared himself to most, is loved by the media and, as soon as we are gone from here, will be part of the media. We wish him well in his new venture. Keep alert - he may call you. I'm pleased to place in nomination for President Pro Tem - Sen. Joel Heitkamp of District 26. Thank you, Mr. President.

ANNOUNCEMENT

PRESIDENT DALRYMPLE ANNOUNCED that the vote for the office of Interim President Pro Tem showed that the Senate was in favor of electing Sen. Andrist as Interim President Pro Tem.

REMARKS BY SENATOR HEITKAMP

I want to thank the good Senator from Fargo for pointing out everything I have been up to the past couple of days and for a wonderful nomination. She has been a great friend in the Senate for quite a while and I couldn't have had anybody better. It's an honor to be nominated and it's an honor to ask you, Members of the Senate, to cast a unanimous ballot for Sen. Andrist from Crosby.

MOTION

The motion made by Sen. Heitkamp to cast a unanimous ballot for Sen. Andrist for Interim President Pro Tem prevailed.

OATH OF OFFICE

SEN. STENEHJEM MOVED that a committee of two be appointed to escort Sen. Andrist to the rostrum, which motion prevailed.

THE PRESIDENT APPOINTED Sens. G. Lee and Lindaas to escort Sen. Andrist to the rostrum for the Oath of Office, which was administered by the President.

REMARKS OF INTERIM PRESIDENT PRO TEM ANDRIST

Mr. President and My very good friends in the Senate: All boys have dreams, and I remember visiting the legislature many times as a young man, and thinking, "Wow! Wouldn't it be wonderful to be able to do that some day". It was another of those dreams that I didn't take seriously, along with my aspiration to be a professional basketball player. Yet here I am, testament to the fact some dreams can come true.

Alex Haley, late author of the book "Roots" once said, "When you see a turtle sitting on a fence post, you know he had a lot of help". And one of the things I've learned along the way is that we never achieve anything without the help of enablers. Mr. President, my life has been full of enablers - my wife, my family members, my community, my newspaper colleagues, and you, my friends, on both the right and left.

I have enormous respect for the leadership skills of Sen. Heitkamp, who deserves this honor as much as I do. I am grateful to Sen. Grindberg, my Senate soul mate since 1993, and to all of you for helping this very short country boy reach a little bit higher to snare one more impossible dream. Again, thank you. I'll do my very best to serve you honestly and fairly.

The resolution must specify an effective date for the fee which is no more than two years before the expected implementation date of the emergency services communication system to be funded by the fee. The resolution must include a provision for submitting the proposed fee to the electors of the county or city before the imposition of the fee is effective. The resolution must specify a fee that does not exceed one dollar per month per telephone access line and per wireless access line.

The telephone exchange access service provider may collect an additional fee, equal in amount to the basic fee on those subscribers within the exchange boundary. The additional fee amounts collected must be remitted as provided in this chapter.
- 6- 7. A fee imposed under this section before August 1, 2001, may be extended to all wireless service at each subscriber service address within the area in which the fee is imposed only if that extension of the fee has been approved by a majority vote of the governing body of the city or county upon at least thirty days' prior notice in the official newspaper of the city or county that the governing body will consider the issue or by majority vote of the electors of the city or county voting on the question upon placement of the question on the ballot by the governing body of the city or county at a regular or special city or county election.

REMARKS OF MAJORITY LEADER STENEHJEM

Mr. President and Fellow Senators: When we convened in January we found our state in very good shape. Although it's always easier to begin a legislative session knowing that we have some available funds, we also know that there will be a great demand on those funds and we are always accountable to the taxpayers of North Dakota. I am proud that we've been able to do some very good work for the people of North Dakota.

Our young people are our greatest resource. We've given our schools over \$32 million dollars so they can continue the excellent job of educating our kids. And we've increased funding to our colleges and universities over \$25 million.

What kind of society would we be if we did not take care of those in greatest need? Our human services budget is large, but the need is also great. We've increased funding to those essential services over \$71 million dollars.

We've enacted laws that make it harder to cook illegal drugs that poison our people and clog our prison system.

Our state employees are second to none and we've been able to increase their pay 4% for each of the next two years. Our employees at the Department of Corrections deal with issues every day that we can barely comprehend. Although I think many of us would have liked to do more, we've at least taken a step toward equity pay for these dedicated folks.

We've passed legislation to encourage the development of alternative energy in North Dakota. Ethanol and bio diesel are not only fuels of the future, they also help our farmers today. Our prairie winds are another commodity ripe for harvest so we created a transmission authority and increased the property tax break on wind towers.

None of this could have been accomplished without your tireless dedication and the commitment of our staff. Thank you to the Legislative Council, front desk and office staff,

pages, committee Clerks, sergeants-at-arms and all the other employees of the Senate. We couldn't function without you. I'd also like to thank the employees who take care of this beautiful building. We all know that a legislative season puts additional strain on our facilities and increases the work load for the staff. They take it in stride, always with a smile. Thank you also to our state agencies for their consistent cooperation as we worked through this process.

Thank you to my caucus for the faith you have put in me by allowing me to serve as your Majority Leader. It is truly an honor and an experience that I will never forget. You are an outstanding group of people and I am humbled to serve you. A special Thanks to Senator Randy Christmann, Assistant Majority Leader; Senator Duane Mutch, Dean of the Senate; and Senator Jerry Klein, Caucus Leader. And to our presiding officers, Lieutenant Governor Jack Dalrymple and Senator Tony Grindberg, President Pro Tempore, thanks for the excellent job keeping us all on track.

Thank you, Senator O'Connell, for being open and honest with me and I appreciate being able to be open and honest with you. You have led your caucus with distinction and they have echoed your professionalism. We may come from different political parties, but our common goal is always to do the very best job for our fellow citizens of North Dakota. They, after all, are the only reason any of us are here.

As we close this 59th Legislative Session, I encourage all of you to go back to your communities and tell them what good work we have done together. You can be proud that we have left our great state in great shape.

Please, everyone, drive carefully and have a safe trip home. I look forward to the time when our paths cross again.

REMARKS OF MINORITY LEADER O'CONNELL

I would like to take just a minute of time to acknowledge the wonderful staff we have had working for us here in the Senate during the 59th Legislative Session. This year we have had wonderful coverage from the press. Their presence was always polite and kept the public in the know. Under the supervision of Connie, the pages Amanda, Zach, Dan, and Christine have worked hard to serve our Senators. They kept the Senators organized and deep in printouts. The Sergeants-at-Arms rule the chamber. They make the place run orderly, they can herd a group of school classes through the chambers smoothly, keep lobbyists at bay, and welcome the people of North Dakota in to see their government at work. Mel, Bob, and Jack with help from Arlene when she was not keeping us in supplies, kept the chamber a very respectable and honorable place. Our front desk personnel make everything come together. Lt. Governor Dalrymple, Joe, Tim, Karen, Bill, and Barb, thank you. Your ability to have the bills appear before the Senate in an orderly manner is a great skill. You work together well and brighten everyone's day with the smiles and willingness to help. All of you are important to make our jobs easier. Thank you so much. A special thank you to Hank for keeping the place clean and orderly and the rail fingerprint free. And a big thank you to staff in both the majority and minority offices for their great dedicated work.

MOTION

SEN. CHRISTMANN MOVED that the remarks of Majority Leader Stenehjem and Minority Leader O'Connell be printed in the Journal, which motion prevailed.

MOTION

SEN. CHRISTMANN MOVED that the absent members be excused, which motion prevailed.

MOTION

SEN. STENEHJEM MOVED that the Senate be on the Fourth, Fifteenth, and Sixteenth orders of business and at the conclusion of those orders, the Senate stand adjourned sine die.

Pursuant to Senator Stenehjem's motion the Senate stood adjourned sine die.

William R. Horton, Secretary
