1 This amendment undoes the Senate's amendment to combine the four line items of the bill into two lines.

2 This amendment transfers \$618,524 from the Field Services Division to the Prisons Division to accurately reflect funding provided in the executive budget for housing inmates.

3 This amendment reduces funding for state employee health insurance premiums from \$559.15 to \$553.95 per month.

4 This amendment reduces general fund funding for the Youth Correctional Center extraordinary repairs by \$30,000.

5 This amendment reduces general fund funding of \$20,000 for the Youth Correctional Center equipment over \$5,000 for the purchase of security beds, resulting in a total of \$16,777 remaining for the security beds.

6 This amendment reduces general fund funding for operating expenses by a total of \$50,000 between Juvenile Community Services and the Youth Correctional Center.

7 This amendment reduces the general fund appropriation by \$205,000 and increases other funds spending authority by \$205,000 for the Field Services Division due to an increase in monthly supervision fees from \$36 to \$40 per offender. This amendment also amends North Dakota Century Code Section 12.1-32-07 relating to the maximum monthly rate the court shall order for supervision fees.

8 This amendment reduces general fund funding for the Field Services Division by \$150,000 for payments to the Bismarck Transition Center. The Bismarck Transition Center would need to increase the daily rate paid by each offender from \$12 to \$16 per day to make up for the decrease in payments by the Department of Corrections and Rehabilitation.

9 This amendment adds back \$1,100,000 of the \$1,300,000 reduction made by the Senate to the Prisons Division for inmate contract housing.

10 This amendment reduces general fund funding for Prisons Division extraordinary repairs by \$222,000, for a total of \$500,000 remaining for extraordinary repairs.

11 This amendment reduces general fund funding for Prisons Division equipment over \$5,000 by \$38,000, resulting in a total of \$150,615 remaining for equipment over \$5,000.

12 This amendment removes \$2,600,000 of other funds spending authority from Roughrider Industries for the purchase of the raw materials necessary for a general issue of license plates.

13 This amendment adds 1 FTE position for a pharmacy technician at the State Penitentiary to replace contracting with 3 pharmacy technicians and to provide pharmacy services for the Youth Correctional Center.

14 This amendment adds \$400,000 from the general fund to the equity pool line item for a total of \$1,500,000. The additional \$400,000 is to be used by the Department of Corrections and Rehabilitation, in addition to the \$100,000 added by the Senate, for salary equity adjustments for all the department's employees.

This amendment also:

- Adds a section of legislative intent regarding the development of the teacher salary composite schedule.
- Adds a section of legislative intent regarding salary equity for Field Services Division employees.
- Adds a section of legislative intent regarding inmates in short-term diversion.

- Adds a Legislative Council study regarding a strategic plan for the Department of Corrections and Rehabilitation incarceration and correctional facility needs.
