

Introduced by

Representatives Grande, Haas, Kreidt

Senators Dever, Mutch

1 A BILL for an Act to create and enact a new section to chapter 23-35 of the North Dakota
2 Century Code, relating to health hazards created by methamphetamine precursor chemicals.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 23-35 of the North Dakota Century Code is
5 created and enacted as follows:

6 **Methamphetamine - Affected property - Abatement procedures.** If a law
7 enforcement officer finds real or personal property that is in a condition that may be hazardous
8 to the health of a person as a result of a methamphetamine precursor chemical, the law
9 enforcement officer may notify the appropriate public health unit. If the public health unit
10 determines the property is a hazard, the public health unit acting under the board of health shall
11 use the powers provided by this chapter to the board to abate the hazard. The public health
12 unit shall provide the owner of the property to be abated with a list of procedures needed to
13 abate the hazard and a list of private contractors able to perform the abatement.
