2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

Engrossed HB 1031 enables a developer who receives a property tax exemption under tax increment financing to also qualify for an income tax exemption.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

Most developers who utilize the tax increment financing program would not be affected by the provisions of Engrossed HB 1031. Those few developers, if any, who receive a property tax exemption under tax increment financing would also potentially qualify for the new and expanding business property or income tax exemption provided by NDCC Ch. 40-57.1, under the provisions of this bill. Engrossed HB 1031 may result in a small indeterminate reduction of income tax revenue should any developers use this provision.

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
