3 program; and to provide for a report.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. APPROPRIATION.** There is appropriated out of any moneys in the
6 general fund in the state treasury, not otherwise appropriated, the sum of \$2,000,000, or so
7 much of the sum as may be necessary, to the state board for career and technical education for
8 the purpose of providing a \$500,000 grant each to Bismarck state college, Lake Region state
9 college, North Dakota state college of science, and Williston state college for curriculum design
10 and development relating to critical workforce needs as determined in collaboration with the

12 **SECTION 2. CURRICULUM DESIGN - USE OF FUNDS.** The funding appropriated in

15 commerce have agreed upon a plan for curriculum design and development relating to critical
16 workforce needs, including a dollar-for-dollar match from higher education institutions. In-kind
