- (1) The numerator is the federal adjusted gross income allocable and apportionable to this state; and
- (2) The denominator is the federal adjusted gross income from all sources reduced by the net income from the amounts specified in subdivisions a and b of subsection 2.

In the case of married individuals filing a joint return, if one spouse is a resident of this state for the entire year and the other spouse is a nonresident for part or all of the tax year, the tax on the joint return must be computed under this subdivision.

g. For taxable years beginning after December 31, 2001, the tax commissioner shall prescribe new rate schedules that apply in lieu of the schedules set forth in subdivisions a through e. The new schedules must be determined by increasing the minimum and maximum dollar amounts for each income bracket for which a tax is imposed by the cost-of-living adjustment for the taxable year as determined by the secretary of the United States treasury for purposes of section 1(f) of the United States Internal Revenue Code of 1954, as amended. For this purpose, the rate applicable to each income bracket may not be changed, and the manner of applying the cost-of-living adjustment must be the same as that used for adjusting the income brackets for federal income tax purposes.

2. For purposes of this section, "North Dakota taxable income" means the federal taxable income of an individual, estate, or trust as computed under the Internal Revenue Code of 1986, as amended, adjusted as follows:

- a. Reduced by interest income from obligations of the United States and income exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.
- b. Reduced by the portion of a distribution from a qualified investment fund described in section 57-38-01 which is attributable to investments by the qualified investment fund in obligations of the United States, obligations of North Dakota or its political subdivisions, and any other obligation the interest from which is exempt from state income tax under federal statute or United States or North Dakota constitutional provisions.
- c. Reduced by the amount equal to the earnings that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.
- d. Reduced by thirty percent of the excess of the taxpayer's net long-term capital gain for the taxable year over the net short-term capital loss for that year, as computed for purposes of the Internal Revenue Code of 1986, as amended. The adjustment provided by this subdivision is allowed only to the extent the net long-term capital gain is allocated to this state.
- e. Increased by the amount of a lump sum distribution for which income averaging was elected under section 402 of the Internal Revenue Code of 1986 [26 U.S.C. 402], as amended. This adjustment does not apply if the taxpayer received the lump sum distribution while a nonresident of this state and the distribution is exempt from taxation by this state under federal law.
- f. Increased by an amount equal to the losses that are passed through to a taxpayer in connection with an allocation and apportionment to North Dakota under chapter 57-35.3.
- g. - h. Reduced by income from a new and expanding business exempt from state income tax under section 40-57.1-04.
- i. Reduced by interest and income from bonds issued under chapter 11-37.
- j. Reduced by up to ten thousand dollars of qualified expenses that are related to a donation by a taxpayer or a taxpayer's dependent, while living, of one or more human organs to another human being for human organ transplantation. A taxpayer may claim the reduction in this subdivision only once for each instance of organ donation during the taxable year in which the human organ donation and the human organ transplantation occurs but if qualified expenses are incurred in more than one taxable year, the reduction for those expenses must be claimed in the year in which the expenses are incurred. For purposes of this subdivision:
 - (1) "Human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person.
 - (2) "Organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow.
 - (3) "Qualified expenses" means lost wages not compensated by sick pay and unreimbursed medical expenses as defined for federal income tax purposes, to the extent not deducted in

computing federal taxable income, whether or not the taxpayer itemizes federal income tax deductions.

- k. Increased by the amount of the contribution upon which the credit under section 57-38-01.21 is computed, but only to the extent that the contribution reduced federal taxable income.
 - l. Reduced by the amount of any payment received by a veteran or beneficiary of a veteran under section 37-28-03 or 37-28-04.
 - m. Reduced by the amount received by a taxpayer that was paid by an employer under paragraph 4 of subdivision a of subsection 2 of section 57-38-01.25 to hire the taxpayer for a hard-to-fill position under section 57-38-01.25, but only to the extent the amount received by the taxpayer is included in federal taxable income. The reduction applies only if the employer is entitled to the credit under section 57-38-01.25. The taxpayer must attach a statement from the employer in which the employer certifies that the employer is entitled to the credit under section 57-38-01.25 and which specifically identified the type of payment and the amount of the exemption under this section.
- 3. Married individuals filing a joint federal income tax return shall file a joint state income tax return if the return is filed under this section. If separate federal income tax returns are filed, one spouse's state income tax return may be filed under this section and the other spouse's income tax return may be filed under the other provisions of this chapter.
 - 4.
 - a. A resident individual, estate, or trust must be allowed a credit against the tax otherwise due under this section for the amount of any income tax imposed on the taxpayer for the taxable year by another state or territory of the United States or the District of Columbia on income derived from sources therein and which is also subject to tax under this section.
 - b. The credit provided under this subsection may not exceed the proportion of the tax otherwise due under this section that the amount of the taxpayer's adjusted gross income derived from sources in the other taxing jurisdiction bears to the taxpayer's federal adjusted gross income as reported on the taxpayer's federal income tax return.
 - c. The tax commissioner may require written proof of the tax paid to another state. The required proof must be provided in a form and manner as determined by the tax commissioner.
 - 5. Individuals, estates, or trusts that file an amended federal income tax return changing their federal taxable income figure for a year for which an election to file state income tax returns has been made under this section shall file an amended state income tax return to reflect the changes on the federal income tax return.
 - 6. The tax commissioner may prescribe procedures and guidelines to prevent requiring income that had been previously taxed under this chapter from becoming taxed again because of the provisions of this section and may prescribe procedures and guidelines to prevent any income from becoming exempt from taxation because of the provisions of this section if it would otherwise have been subject to taxation under the provisions of this chapter.

liability for purposes of this section for taxable years beginning before January 1, 2001, reduced by the total amount of the federal credit for prior year minimum tax claimed on the taxpayer's federal income tax return for all taxable years beginning after December 31, 2000.

- b. The credit under this subsection is equal to fourteen percent of the portion of the unused federal credit for prior year minimum tax claimed on the taxpayer's federal income tax return and may not exceed the taxpayer's tax liability under this section for the taxable year. For a nonresident taxpayer, the credit determined under this subsection must be multiplied by the percentage that the nonresident taxpayer's North Dakota adjusted gross income is of the nonresident's federal adjusted gross income.
 - c. The credit under this subsection is not allowed for taxable years beginning after December 31, 2004.
10. a. If an individual taxpayer engaged in a farming business elects to average farm income under section 1301 of the Internal Revenue Code [26 U.S.C. 1301], the taxpayer may elect to compute tax under this subsection. If an election to compute tax under this subsection is made, the tax imposed by subsection 1 for the taxable year must be equal to the sum of the following:
- (1) The tax computed under subsection 1 on North Dakota taxable income reduced by elected farm income.
 - (2) The increase in tax imposed by subsection 1 which would result if North Dakota taxable income for each of the three prior taxable years were increased by an amount equal to one-third of the elected farm income. However, if other provisions of this chapter other than this section were used to compute the tax for any of the three prior years, the same provisions in effect for that prior tax year must be used to compute the increase in tax under this paragraph. For purposes of applying this paragraph to taxable years beginning before January 1, 2001, the increase in tax must be determined by recomputing the tax in the manner prescribed by the tax commissioner.
- b. For purposes of this subsection, "elected farm income" means that portion of North Dakota taxable income for the taxable year which is elected farm income as defined in section 1301 of the Internal Revenue Code of 1986 [26 U.S.C. 1301], as amended, reduced by the portion of an exclusion claimed under subdivision d of subsection 2 that is attributable to a net long-term capital gain included in elected farm income.
 - c. The reduction in North Dakota taxable income under this subsection must be taken into account for purposes of making an election under this subsection for any subsequent taxable year.
 - d. The tax commissioner may prescribe rules, procedures, or guidelines necessary to administer this subsection.
11. The tax commissioner may prescribe tax tables, to be used in computing the tax according to subsection 1, if the amounts of the tax tables are based on the tax rates set forth in subsection 1. If prescribed by the tax commissioner, the tables must be followed by every individual, estate, or trust determining a tax under this section.

If the attorney general receives federal funding in excess of federal funding amounts appropriated by the sixtieth legislative assembly for the 2007-09 biennium, the attorney general may spend the additional federal funds, subject to emergency commission approval, but may not spend funding appropriated from the general fund or the multijurisdictional task force grant fund for similar purposes for the biennium beginning July 1, 2007, and ending June 30, 2009.

SECTION 10. LEGISLATIVE INTENT - FULL-TIME EQUIVALENT POSITIONS - BACKGROUND CHECKS. It is the intent of the sixtieth legislative assembly that of the five new full-time equivalent positions authorized for the attorney general's office to assist with conducting background checks, the attorney general may fill the positions only as necessary to meet workload demands for the biennium beginning July 1, 2007, and ending June 30, 2009.

SECTION 11. SOBRIETY PROGRAM PILOT PROJECT. The attorney general may establish a pilot sobriety program in one or more judicial districts of the state during the biennium beginning July 1, 2007, and ending June 30, 2009. The attorney general, in cooperation with law enforcement, the judiciary, the department of corrections and rehabilitation, and the department of transportation traffic safety division, may develop guidelines, policies, and procedures for the administration of the pilot sobriety program and to test offenders to enforce compliance with the sobriety program, including urine testing and electronic monitoring, and to establish user fees, all of which are not subject to chapter 28-32. There is created the North Dakota sobriety program fund. The fund consists of moneys received from grants from the United States, agencies of this state, private grants, gifts, or donations, and user fees. The funds are appropriated as a continuing appropriation to the attorney general for expenses necessary for the administration and operation of the sobriety program, including training and travel costs, equipment, and supplies for the biennium beginning July 1, 2007, and ending June 30, 2009.

SECTION 12. ATTORNEY GENERAL - AUTHORIZED USE OF STATE PROPERTY. The attorney general is authorized to construct a new crime laboratory building on property owned by the state of North Dakota near the existing facility housing the crime laboratory. The attorney general, if necessary to allow for construction of the new crime laboratory, may move the state department of health's storage building located on the site. The attorney general, to the extent possible, shall locate the building to minimize the effect on the operations of the water commission in the area.

SECTION 13. BUILDING PROJECT - BUDGET SECTION REPORTS. The attorney general shall provide periodic reports to the budget section on the status of the construction of a new crime laboratory during the 2007-08 interim.

SECTION 14. LEGISLATIVE INTENT - CRIME LABORATORY - SPACE PLAN. It is the intent of the sixtieth legislative assembly that the facility management division of the office of management and budget develop a plan for the use of space

SECTION 15. ATTORNEY GENERAL REFUND FUND TRANSFER TO THE GENERAL FUND - EXCEPTION. Notwithstanding section 54-12-18, the attorney general may retain the balance in the attorney general refund fund that would otherwise be transferred to the general fund on June 30, 2007."

² Funding is added for a criminal investigator for conducting criminal investigation computerized forensic investigations and examinations, the same as the House version.

³ This amendment provides funding from funds received from the Information Technology Department for 2 FTE criminal justice information sharing (CJIS) positions. The Senate version provided funding from the general fund for these positions and the House removed the positions and funding. The section added by the House clarifying the services that may be provided by ITD relating to the criminal justice information sharing system is replaced with a section authorizing the CJIS board to hire a director position and to contract with BCI for federal fingerprint identification processing.

⁴ Funding of \$87,936 from the general fund and 1 FTE is added to provide a total of 5 new FTE positions and \$442,756 from the general fund for the Attorney General to conduct background checks in accordance with provisions of Senate Bill No. 2260. A section of legislative intent is added that the Attorney General fill the FTE positions only as the workload is sufficient to justify filling the positions. Special funds are added to allow the Attorney General to collect and pay fees relating to FBI background checks. The House also made these changes.

⁵ Funding is added with an emergency clause relating to costs of conducting background checks for the remainder of the 2005-07 biennium, in accordance with provisions of Senate Bill No. 2260.

⁶ Funding added by the Senate for salary equity increases for attorneys and employees of the Crime Laboratory and the Bureau of Criminal Investigation is removed, the same as the House version.

⁷ The salaries and wages line item is increased to provide additional salary equity funding for employees of the Attorney General's office. The House had added \$79,000 from the general fund for additional salary equity increases for employees of the Crime Laboratory and Bureau of Criminal Investigation.

⁸ Funding from the multijurisdictional task force grant fund created by House Bill No. 1330 is provided for salaries and wages relating to the administration of the multijurisdictional grant program.

⁹ Additional funding added by the Senate to purchase land and construct a new Crime Laboratory in north Bismarck is removed. The Attorney General is authorized in Section 8 of the engrossed bill to spend \$3,280,722 of remaining bond proceeds and \$1,642,840, of which \$1,442,840 is from the general fund and \$200,000 of other funds, except that the other funds may not be from the Attorney General refund fund, is appropriated in Section 3 of the bill. The Attorney General may use this funding, which totals \$4,923,562 for constructing a new Crime Laboratory building designed to allow for expansion on state land located near the current Crime Laboratory location. Sections are added authorizing the Attorney General to build on state land near the existing Crime Laboratory and providing that the Attorney General report to the Budget Section on the status of the project. The amounts provided are \$400,000 more, \$200,000 of which is from the general fund, than the funding provided by the House. The conference committee also added language authorizing the Attorney General to move the State Department of Health storage building from the site if necessary to allow for the building construction.

¹⁰ Authorization and funding added by the Senate for the Attorney General to purchase the Professional North Building which houses the Bureau of Criminal Investigation is removed, the same as the House version. Funding is provided to continue to lease the building, the same as the House version.

¹¹ The conference committee appropriated \$42,000 from the general fund for operating costs of the existing crime lab facility for the last nine months of the 2007-09 biennium. This funding may be used only for operating costs of this facility during the period of time it is unoccupied.

A section is added providing that if additional federal funds become available, the Attorney General may not spend general fund moneys appropriated for similar purposes, the same as the House version.

A section is added identifying one-time funding included in the budget and providing for a report to the 61st Legislative Assembly on the agency's use of one-time funding. The House added a similar section.

Sections are added by the conference committee which:

- Allow the Attorney General to retain the June 30, 2007, balance in the Attorney General refund fund rather than transferring the balance to the general fund.
- Provide for a sobriety program pilot project.
- Provide legislative intent that Facility Management develop a plan for the existing Crime Laboratory space when the new Crime Laboratory is completed.

Funding provided by the Senate but removed by the House for a .5 FTE horse racing auditor position is included in the conference committee version.

Funding of \$279,599 is included for additional Crime Laboratory operating costs resulting from inflation and the building expansion. This amount was included in the executive budget and the Senate version, but was removed by the House.

Engrossed SB 2003 was placed on the Seventh order of business on the calendar.
