2. If the director has suspended a license under chapter 39-20, or after a violation of section 39-08-01 or equivalent ordinance, upon written application of the offender the director may issue for good cause a temporary restricted license that takes effect after thirty days of the suspension have been served after a first offense under section 39-08-01 or chapter 39-20. 2. If the issue to be determined by the hearing concerns license suspension for operating a commercial motor vehicle while having an alcohol concentration of at least four one-hundredths of one percent by weight, the hearing must be before ~~a hearing officer assigned by the director~~ an administrative law judge and at a time and place designated by the director of the office of administrative hearings. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the person had been driving or was in actual physical control of a commercial motor vehicle in violation of section 39-06.2-10.1, whether the person was lawfully detained, whether the person was tested in accordance with section 39-06.2-10.2, and whether the test results show the person had an alcohol concentration of at least four one-hundredths of one percent by weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood or urine sample from the office of the director of the state crime laboratory or the director's designee, or a certified copy of the checklist and test records from a certified breath test operator establish prima facie the alcohol concentration shown therein. Whether the person was warned that the privilege to drive might be suspended based on the results of the test is not an issue.
3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-06.2-10.2, the hearing must be before ~~a hearing officer assigned by the director~~ an administrative law judge at a time and place designated by the director of the office of administrative hearings. accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. Whether the person was warned that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.

4. At a hearing under this section, the regularly kept records of the director may be introduced. Those records establish prima facie their contents without further foundation. For purposes of this chapter, the following are deemed regularly kept records of the director: any copy of a certified copy of an analytical report of a blood or urine sample received by the director from the director of the state crime laboratory or the director's designee or a law enforcement officer, a certified copy of the checklist and test records received by the director from a certified breath test operator, and any copy of a certified copy of a certificate of the director of the state crime laboratory or the director's designee relating to approved methods, devices, operators, materials, and checklists used for testing for alcohol concentration received by the director from the director of the state crime laboratory or the director's designee, or the recorder, unless the board of county commissioners has designated a different official to maintain the certificate.

If the ~~hearing officer~~ administrative law judge finds, based on a preponderance of the evidence, that the person refused a test under section 39-06.2-10.2 or that the person had an alcohol concentration of at least four one-hundredths of one percent by weight, the ~~hearing officer shall~~ administrative law judge immediately shall take possession of the person's temporary driver's permit issued under this chapter. If the ~~hearing officer~~ administrative law judge does not find against the person, the ~~hearing officer~~ administrative law judge shall sign, date, and mark on the person's permit an extension of driving privileges for the next twenty days and shall return the permit to the person. The ~~hearing officer~~ administrative law judge shall report the findings, conclusions, and decisions to the director within ten days of the conclusion of the hearing. If the ~~hearing officer~~ administrative law judge has determined in favor of the person, the director shall return the person's commercial driver's license by regular mail to the address on file with the director under section 39-06.2-08.
6. If the person who requested a hearing under this section fails to appear at the hearing without justification, the right to the hearing is waived, and the ~~hearing officer's~~ administrative law judge's determination on license revocation, suspension, or denial will be based on the written request for hearing, law enforcement officer's report, and other evidence as may be available. On the date for which the hearing is scheduled, the ~~hearing officer~~ administrative law judge shall mail to the person, by regular mail, at the address on file with the director under section 39-06-20, or at any other address for the person or the person's legal representative supplied in the request for hearing, a copy of the decision which serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. The law enforcement officer shall sign and note the date on the temporary operator's permit. The temporary operator's permit serves as the director's official notification to the person of the director's intent to revoke, suspend, or deny driving privileges in this state.

SECTION 12. AMENDMENT. Section 39-20-03.2 of the North Dakota Century Code is amended and reenacted as follows:

39-20-03.2. Action following test result or on refusing test by nonresident operator. If a person licensed in another state refuses in this state to submit to a test provided under section 39-20-01 or 39-20-14, or who submits to a test under section 39-20-01, 39-20-02, or 39-20-03 and the test results show the person to have an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight at the time of performance of a test within two hours after driving or being in physical control of a motor vehicle, the following procedures apply:

The temporary permit must be signed and dated by the officer and serves as the director's official notification to the person of the director's intent to revoke, suspend, or deny

driving privileges in this state, and of the hearing procedures under this chapter.

2. If the test was administered by saliva or urine sample or by drawing blood, the law enforcement officer, on reviewing the alcohol concentration analysis showing the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, shall mail or issue to the person a notification of the test results, a temporary operator's permit extending nonresident operating privileges in this state for twenty-five days from the date of mailing or issuance or until earlier terminated by the decision of a ~~hearing officer~~ an administrative law judge under section 39-20-05, and notice of the intent to revoke, suspend, or deny driving privileges in this state, together with the notice provided under section 39-06.1-07 of the procedures available under this chapter. SECTION 13. AMENDMENT. Subsection 1 of section 39-20-04 of the North Dakota Century Code is amended and reenacted as follows:

1. If a person refuses to submit to testing under section 39-20-01 or 39-20-14, none may be given, but the law enforcement officer shall immediately take possession of the person's operator's license if it is then available and shall immediately issue to that person a temporary operator's permit, if the person then has valid operating privileges, extending driving privileges for the next twenty-five days or until earlier terminated by a decision of a ~~hearing officer~~ an administrative law judge under section 39-20-05. The law enforcement officer shall sign and note the date on the temporary operator's permit. The temporary operator's permit serves as the director's official notification to the person of the director's intent to revoke driving privileges in this state and of the hearing procedures under this chapter. The director, upon the receipt of that person's operator's license and a certified written report of the law enforcement officer in the form required by the director, forwarded by the officer within five days after issuing the temporary operator's permit, showing that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while in violation of section 39-08-01 or equivalent ordinance or, for purposes of section 39-20-14, had reason to believe that the person committed a moving traffic violation or was involved in a traffic accident as a driver, and in conjunction with the violation or accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol, that the person was lawfully arrested if applicable, and that the person had refused to submit to the test or tests under section 39-20-01 or 39-20-14, shall revoke that person's license or permit to drive and any nonresident operating privilege for the appropriate period under this section, or if the person is a resident without a license or a permit to operate a motor vehicle in this state, the director shall deny to the person the issuance of a license or permit for the appropriate period under this section after the date of the alleged violation,

subject to the opportunity for a prerevocation hearing and postrevocation review as provided in this chapter. In the revocation of the person's operator's license the director shall give credit for time in which the person was without an operator's license after the day of the person's refusal to submit to the test except that the director may not give credit for time in which the person retained driving privileges through a temporary operator's permit issued under this section or section 39-20-03.2. The period of revocation or denial of issuance of a license or permit under this section is:

- a. One year if the person's driving record shows that within the five years preceding the most recent violation of this section, the person's operator's license has not previously been suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.
- b. Three years if the person's driving record shows that within the five years preceding the most recent violation of this section, the person's operator's license has been once previously suspended, revoked, or issuance denied for a violation of this chapter or section 39-08-01 or equivalent ordinance.

Four years if the person's driving record shows that within the five years preceding the most recent violation of this section, the person's operator's license has at least twice previously been suspended, revoked, or issuance denied under this chapter, or for a violation of section 39-08-01 or equivalent ordinance, or any combination of the same, and the suspensions, revocations, or denials resulted from at least two separate arrests.

SECTION 14. AMENDMENT. Section 39-20-05 of the North Dakota Century Code is amended and reenacted as follows:

39-20-05. Administrative hearing on request.

1. Before issuing an order of suspension, revocation, or denial under section 39-20-04 or 39-20-04.1, the director shall afford that person an opportunity for a hearing if the person mails or communicates by other means authorized by the director a request for the hearing to the director within ten days after the date of issuance of the temporary operator's permit. The hearing must be held within thirty days after the date of issuance of the temporary operator's permit. If ~~no~~ a hearing is not requested within the time limits in this section, and ~~no~~ an affidavit is not submitted within the time limits under subsection 2 of section 39-20-04, the expiration of the temporary operator's permit serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state.
2. If the issue to be determined by the hearing concerns license suspension for operating a motor vehicle while having an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the hearing must be before ~~a hearing officer assigned by the director~~ an administrative law judge and at a time and place designated by the director of the office of administrative hearings. The hearing must be recorded and its scope may cover only the issues of whether the arresting officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest, unless the person was under twenty-one years of age and the alcohol concentration was less than eight one-hundredths of one percent by weight, then arrest is not required and is not an issue under any provision of this chapter; whether the person was tested in accordance with section 39-20-01 or 39-20-03 and, if applicable, section 39-20-02; and whether the test results show the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by

weight. For purposes of this section, a copy of a certified copy of an analytical report of a blood, urine, or saliva sample from the director of the state crime laboratory or the director's designee or a certified copy of the checklist and test records from a certified breath test operator establish prima facie the alcohol concentration shown therein. Whether the person was informed that the privilege to drive might be suspended based on the results of the test is not an issue.

3. If the issue to be determined by the hearing concerns license revocation for refusing to submit to a test under section 39-20-01 or 39-20-14, the hearing must be before ~~a hearing officer assigned by the director~~ an administrative law judge at a time and place designated by the director of the office of administrative hearings. The hearing must be recorded. The scope of a hearing for refusing to submit to a test under section 39-20-01 may cover only the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle in violation of section 39-08-01 or equivalent ordinance or, with respect to a person under twenty-one years of age, the person had been driving or was in actual physical control of a vehicle while having an alcohol concentration of at least two one-hundredths of one percent by weight; whether the person was placed under arrest; and whether that person refused to submit to the test or tests. The scope of a hearing for refusing to submit to a test under section 39-20-14 may cover only the issues of whether the law enforcement officer had reason to believe the person committed a moving traffic violation or was involved in a traffic accident as a driver, whether in conjunction with the violation or the accident the officer has, through the officer's observations, formulated an opinion that the person's body contains alcohol and, whether the person refused to submit to the onsite screening test. Whether the person was informed that the privilege to drive would be revoked or denied for refusal to submit to the test or tests is not an issue.
4. At a hearing under this section, the regularly kept records of the director may be introduced. Those records establish prima facie their contents without further foundation. For purposes of this chapter, the following are deemed regularly kept records of the director: any copy of a certified copy of an analytical report of a blood, urine, or saliva sample received by the director from the director of the state crime laboratory or the director's designee or a law enforcement officer, a certified copy of the checklist and test records received by the director from a certified breath test operator, and any copy of a certified copy of a certificate of the director of the state crime laboratory or the director's designee relating to approved methods, devices, operators, materials, and checklists used for testing for alcohol concentration received by the director from the director of the state crime laboratory, the director's designee, or the recorder, unless the board of county commissioners has designated a different official to maintain the certificate.
5. At a hearing under this section, the administrative law judge may introduce records, conduct examinations, and present evidence relating to the issues to be determined at the hearing. The department may be represented by legal counsel at any hearing under this section.
6. At the close of the hearing, the ~~hearing officer~~ administrative law judge shall notify the person of the ~~hearing officer's~~ administrative law judge's findings of fact, conclusions of law, and decision based on the findings and conclusions and shall immediately deliver to the person a copy of the decision. If the ~~hearing officer~~ administrative law judge does not find in favor of the person, the copy of the decision serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. If the ~~hearing officer~~ administrative law judge finds, based on a preponderance of the evidence, that the person refused a test under section 39-20-01 or 39-20-14 or that the person had an alcohol concentration of at least eight one-hundredths of one percent by weight or, with respect to a person under twenty-one years of age, an alcohol concentration of at least two one-hundredths of one percent by weight, the ~~hearing officer shall~~ administrative law judge immediately shall take possession of the person's temporary operator's permit issued under this chapter. If the ~~hearing officer~~ administrative law judge does not find against the person, the ~~hearing officer~~ administrative law judge shall sign,

date, and mark on the person's permit an extension of driving privileges for the next twenty days and shall return the permit to the person. The ~~hearing officer~~ administrative law judge shall report the findings, conclusions, and decisions to the director within ten days of the conclusion of the hearing. If the ~~hearing officer~~ administrative law judge has determined in favor of the person, the director shall return the person's operator's license by regular mail to the address on file with the director under section 39-06-20.

- 6- 7. If the person who requested a hearing under this section fails to appear at the hearing without justification, the right to the hearing is waived, and the ~~hearing officer's~~ administrative law judge's determination on license revocation, suspension, or denial will be based on the written request for hearing, law enforcement officer's report, and other evidence as may be available. The ~~hearing officer shall~~ administrative law judge, on the date for which the hearing is scheduled, shall mail to the person, by regular mail, at the address on file with the director under section 39-06-20, or at any other address for the person or the person's legal representative supplied in the request for hearing, a copy of the decision which serves as the director's official notification to the person of the revocation, suspension, or denial of driving privileges in this state. Even if the person for whom the hearing is scheduled fails to appear at the hearing, the hearing is deemed to have been held on the date for which it is scheduled for purposes of appeal under section 39-20-06.

SECTION 15. AMENDMENT. Section 39-20-06 of the North Dakota Century Code is amended and reenacted as follows:

39-20-06. Judicial review. Any ~~person whose operator's license or privilege has been suspended, revoked, or denied~~ party adversely affected by the decision of the ~~hearing officer~~ administrative law judge under section 39-20-05 may appeal within seven days after the date of the hearing under section 39-20-05 as shown by the date of the ~~hearing officer's~~ administrative law judge's decision, section 28-32-42 notwithstanding, by serving on the director and filing a notice of appeal and specifications of error in the district court in the county where the events occurred for which the demand for a test was made, or in the county in which the administrative hearing was held. The court shall set the matter for hearing, and the petitioner shall give twenty days' notice of the hearing to the director and to the ~~hearing officer who rendered the decision. Neither the director nor the~~ hearing officer. The court may not stay the decision pending decision on appeal. Within twenty days after receipt of the notice of appeal, the director ~~or the hearing officer who rendered the decision~~ shall file in the office of the clerk of court to which the appeal is taken a certified transcript of the testimony and all other proceedings. It is the record on which the appeal must be determined. ~~No~~ The court may not hear additional evidence ~~may be heard~~. The court shall affirm the decision of the ~~director or hearing officer~~ administrative law judge unless ~~if the court finds the evidence insufficient to warrant the conclusion reached by the director or hearing officer~~ the court finds the evidence insufficient to warrant the conclusion reached by the administrative law judge. The court may direct that the matter be returned to the ~~director or hearing officer~~ administrative law judge for rehearing and the presentation of additional evidence.
