11 beneficiary.
- 12           2. A beneficiary is definite if the beneficiary can be ascertained now or in the future,  
13 subject to any applicable rule against perpetuities.
- 14           3. A power in a trustee to select a beneficiary from an indefinite class is valid. If the  
15 power is not exercised within a reasonable time, the power fails and the property  
16 subject to the power passes to the persons who would have taken the property had  
17 the power not been conferred.

18           **59-12-03. (403) Trusts created in other jurisdictions.** A trust not created by will is  
19 validly created if its creation complies with the law of the jurisdiction in which the trust  
20 instrument was executed, or the law of the jurisdiction in which at the time of creation the settlor  
21 was domiciled, had a place of abode, or was a national; a trustee was domiciled or had a place  
22 of business; or any trust property was located.

23           **59-12-04. (404) Trust purposes.** A trust may be created only to the extent its  
24 purposes are lawful and possible to achieve. A trust and its terms must be for the benefit of its  
25 beneficiaries.

- 27           1. A charitable trust may be created for the relief of poverty, the advancement of  
28 education or religion, the promotion of health, governmental or municipal purposes,  
29 or other purposes the achievement of which is beneficial to the community.
- 30           2. If the terms of a charitable trust do not indicate a particular charitable purpose or  
31 beneficiary, the court may select one or more charitable purposes or beneficiaries.

1           The selection must be consistent with the settlor's intention to the extent it can be  
2           ascertained.

3           3. The settlor of a charitable trust, among others, may maintain a proceeding to  
4           enforce the trust.

5           **59-12-06. (406) Creation of trust induced by fraud, duress, or undue influence.** A  
6 trust is void or subject to reformation by the court to the extent its creation was induced by  
7 fraud, duress, or undue influence.

8           **59-12-07. (407) Evidence of oral trust.** Except as required by section 47-11-02 or a  
9 statute other than chapters 59-09, 59-10, 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17,  
10 59-18, and 59-19, a trust need not be evidenced by a trust instrument, but the creation of an  
11 oral trust and its terms, or an amendment or revocation of an oral trust, may be established only  
12 by clear and convincing evidence.

13           **59-12-08. (408) Trust for care of animal.**

14           1. A trust may be created to provide for the care of an animal alive during the settlor's  
15 lifetime. The trust terminates upon the death of the animal or, if the trust was  
16 created to provide for the care of more than one animal alive during the settlor's  
17 lifetime, upon the death of the last surviving animal.

18           2. A trust authorized by this section may be enforced by a person appointed in the  
19 terms of the trust or, if no person is so appointed, by a person appointed by the  
20 court. A person having an interest in the welfare of the animal may request the  
21 court to appoint a person to enforce the trust or to remove a person appointed.

22           3. Property of a trust authorized by this section may be applied only to its intended  
23 use, except to the extent the court determines that the value of the trust property  
24 exceeds the amount required for the intended use. Except as otherwise provided  
25 in the terms of the trust, property not required for the intended use must be  
26 distributed to the settlor, if then living, otherwise to the settlor's successors in  
27 interest.

29 otherwise provided in section 59-12-08 or by another statute, the following rules apply:

- 1           1. A trust may be created for a noncharitable purpose without a definite or definitely  
2                   ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be  
3                   selected by the trustee.
- 4           2. A trust authorized by this section may be enforced by a person appointed in the  
5                   terms of the trust or, if no person is so appointed, by a person appointed by the  
6                   court.
- 7           3. Property of a trust authorized by this section may be applied only to its intended  
8                   use, except to the extent the court determines that the value of the trust property  
9                   exceeds the amount required for the intended use. Except as otherwise provided  
10                  in the terms of the trust, property not required for the intended use must be  
11                  distributed to the settlor, if then living, otherwise to the settlor's successors in  
12                  interest.

13           **59-12-10. (410) Modification or termination of trust - Proceedings for approval or**  
14 **disapproval.**

- 15           1. In addition to the methods of termination prescribed by sections 59-12-11,  
16                   59-12-12, 59-12-13, and 59-12-14, a trust terminates to the extent the trust is  
17                   revoked or expires pursuant to its terms, no purpose of the trust remains to be  
18                   achieved, or the purposes of the trust have become unlawful or impossible to  
19                   achieve.
- 20           2. A proceeding to approve or disapprove a proposed modification or termination  
21                   under sections 59-12-11, 59-12-12, 59-12-13, 59-12-14, 59-12-15, and 59-12-16,  
22                   or trust combination or division under section 59-12-17, may be commenced by a  
23                   trustee or beneficiary. The settlor of a charitable trust may maintain a proceeding  
24                   to modify the trust under section 59-12-13.

25           **59-12-11. (411) Modification or termination of noncharitable irrevocable trust by**  
26 **consent.**

- 27           1. A noncharitable irrevocable trust may be terminated upon consent of all of the  
28                   beneficiaries if the court concludes that continuance of the trust is not necessary to  
29                   achieve any material purpose of the trust. A noncharitable irrevocable trust may be  
30                   modified upon consent of all of the beneficiaries if the court concludes that  
31                   modification is not inconsistent with a material purpose of the trust.

- 1           2. Upon termination of a trust under subsection 1, the trustee shall distribute the trust  
2                   property as agreed by the beneficiaries.
- 3           3. If not all of the beneficiaries consent to a proposed modification or termination of  
4                   the trust under subsection 1, the modification or termination may be approved by  
5                   the court if the court is satisfied that if all of the beneficiaries had consented, the  
6                   trust could have been modified or terminated under this section and the interests of  
7                   a beneficiary who does not consent will be adequately protected.

8           **59-12-12. (412) Modification or termination because of unanticipated**  
9 **circumstances or inability to administer trust effectively.**

- 10          1. Upon petition by the trustee, the attorney general, or an interested party other than  
11                   the settlor, the court may modify the administrative or dispositive terms of a trust or  
12                   terminate the trust if, because of circumstances not anticipated by the settlor,  
13                   modification or termination will further the purposes of the trust. To the extent  
14                   practicable, the modification must be made in accordance with the settlor's  
15                   probable intention.
- 16          2. The court may modify the administrative terms of a trust if continuation of the trust  
17                   on its existing terms would be impracticable or wasteful or impair the trust's  
18                   administration.
- 19          3. Upon termination of a trust under this section, the trustee shall distribute the trust  
20                   property in a manner consistent with the purposes of the trust.

21          **59-12-13. (413) Cy pres.**

- 22          1. Except as otherwise provided in subsection 2, if a particular charitable purpose  
23                   becomes unlawful, impracticable, impossible to achieve, or wasteful, the trust does  
24                   not fail, in whole or in part; the trust property does not revert to the settlor or the  
25                   settlor's successors in interest; and the court may apply cy pres to modify or  
26                   terminate the trust by directing that the trust property be applied or distributed, in  
27                   whole or in part, in a manner consistent with the settlor's charitable purposes.
- 28          2. A provision in the terms of a charitable trust that would result in distribution of the  
29                   trust property to a noncharitable beneficiary prevails over the power of the court  
30                   under subsection 1 to apply cy pres to modify or terminate the trust.

31          **59-12-14. (414) Modification or termination of uneconomic trust.**

1           1. After notice to the qualified beneficiaries, the trustee of a trust consisting of trust  
2           property having a total value less than one hundred thousand dollars may  
3           terminate the trust if the trustee concludes that the value of the trust property is  
4           insufficient to justify the cost of administration.

5           2. The court may modify or terminate a trust or remove the trustee and appoint a  
6           different trustee if the court determines that the value of the trust property is  
7           insufficient to justify the cost of administration.

8           3. Upon termination of a trust under this section, the trustee shall distribute the trust  
9           property in a manner consistent with the purposes of the trust.

10          4. This section does not apply to an easement for conservation or preservation.

11          **59-12-15. (415) Reformation to correct mistakes.** The court may reform the terms of  
12 a trust, even if unambiguous, to conform the terms to the settlor's intention if it is proved by  
13 clear and convincing evidence that both the settlor's intent and the terms of the trust were  
14 affected by a mistake of fact or law, whether in expression or inducement.

15          **59-12-16. (416) Modification to achieve settlor's tax objectives.** To achieve the  
16 settlor's tax objectives, the court may modify the terms of a trust in a manner that is not contrary  
17 to the settlor's probable intention. The court may provide that the modification has retroactive  
18 effect.

19          **59-12-17. (417) Combination and division of trusts.** After notice to the qualified  
20 beneficiaries, a trustee may combine two or more trusts into a single trust or divide a trust into  
21 two or more separate trusts, if the result does not impair rights of any beneficiary or adversely  
22 affect achievement of the purposes of the trust. The terms of each new trust created by a  
23 division under this section do not have to be identical if the interest of each beneficiary is  
24 substantially the same under the terms of the trust prior to its division and the combined terms  
25 of all trusts after the division. Two or more trusts may be combined into a single trust if the  
26 interests of each beneficiary in the trust resulting from the combination are substantially the  
27 same as the combined interests of the beneficiary in the trusts prior to the combination. The  
28 trustee shall determine the terms controlling any trust after its combination as authorized by this  
29 section.

30          **59-12-18. Requisites of trust relating to real property.** A trust in relation to real  
31 property is not valid unless the trust is created or declared:

- 1           1. By a written instrument, subscribed by the trustee or by the trustee's agent thereto
- 2                   authorized in writing;
- 3           2. By the instrument under which the trustee claims the estate affected; or
- 4           3. By operation of law.

5           **SECTION 17.** Chapter 59-13 of the North Dakota Century Code is created and enacted  
6 as follows:

7           **59-13-01. (501) Rights of beneficiary's creditor or assignee.** To the extent a  
8 beneficiary's interest is not subject to a spendthrift provision, the court may authorize a creditor  
9 or assignee of the beneficiary to reach the beneficiary's interest by attachment of present or  
10 future distributions to or for the benefit of the beneficiary or other means. The court may limit  
11 the award to such relief as is appropriate under the circumstances.

12           **59-13-02. (502) Spendthrift provision.**

- 13           1. A spendthrift provision is valid if it restrains either the voluntary or involuntary  
14 transfer or both the voluntary and involuntary transfer of a beneficiary's interest.
- 15           2. A term of a trust providing that the interest of a beneficiary is held subject to a  
16 "spendthrift trust", or words of similar import, is sufficient to restrain both voluntary  
17 and involuntary transfer of the beneficiary's interest.
- 18           3. A beneficiary may not transfer an interest in a trust in violation of a valid spendthrift  
19 provision and, except as otherwise provided in this chapter, a creditor or assignee  
20 of the beneficiary may not reach the interest or a distribution by the trustee before  
21 its receipt by the beneficiary.

22           **59-13-03. (503) Exceptions to spendthrift provision.**

- 23           1. In this section, "child" includes any person for whom an order or judgment for child  
24 support has been entered by a court of competent jurisdiction.
- 25           2. A spendthrift provision is unenforceable against:
  - 26           a. A beneficiary's child, spouse, or former spouse who has a judgment or court  
27 order against the beneficiary for support or maintenance;
  - 28           b. A judgment creditor who has provided services for the protection of a  
29 beneficiary's interest in the trust; and
  - 30           c. A claim of this state or the United States to the extent a statute of this state or  
31 federal law so provides.

1           3. The exceptions contained in subsection 2 do not apply to a special needs trust that  
2           meets the qualifications of 42 U.S.C. 1396p(d)(4)(A) if the application of  
3           subsection 2 to the trust causes the trust to be counted as a resource for medicaid  
4           or supplemental security income purposes or if the application of subsection 2 of  
5           the trust renders an otherwise eligible beneficiary with a disability to be ineligible  
6           for any program of publicly funded assistance, including medicaid or supplemental  
7           security income.

8           4. A claimant against which a spendthrift provision cannot be enforced may obtain  
9           from a court an order attaching present or future distributions to or for the benefit of  
10          the beneficiary. The court may limit the award to such relief as is appropriate  
11          under the circumstances. If there is more than one permissible distributee, the  
12          court may grant such relief as is equitable.

13          **59-13-04. (504) Discretionary trusts - Effect of standard.**

14          1. In this section, "child" includes any person for whom an order or judgment for child  
15          support has been entered by a court of competent jurisdiction.

16          2. Except as otherwise provided in subsection 3, whether or not a trust contains a  
17          spendthrift provision, a creditor of a beneficiary may not compel a distribution that  
18          is subject to the trustee's discretion, even if the discretion is expressed in the form  
19          of a standard of distribution, or the trustee has abused the discretion.

20          3. To the extent a trustee has not complied with a standard of distribution or has  
21          abused a discretion, a distribution may be ordered by the court to satisfy a  
22          judgment or court order against the beneficiary for support or maintenance of the  
23          beneficiary's child, spouse, or former spouse and the court shall direct the trustee  
24          to pay the child, spouse, or former spouse such amount as is equitable under the  
25          circumstances but not more than the amount the trustee would have been required  
26          to distribute to or for the benefit of the beneficiary had the trustee complied with the  
27          standard or not abused the discretion.

28          4. This section does not limit the right of a beneficiary to maintain a judicial  
29          proceeding against a trustee for an abuse of discretion or failure to comply with a  
30          standard for distribution.

31          **59-13-05. (505) Creditor's claim against settlor.**

1           1. The following rules apply whether or not the terms of a trust contain a spendthrift  
2           provision. During the lifetime of the settlor, the property of a revocable trust is  
3           subject to claims of the settlor's creditors to the extent that the property would be  
4           subject to creditors' claims if the property had not been placed in the trust. With  
5           respect to an irrevocable trust, other than a special needs trust, a creditor or  
6           assignee of the settlor may reach the maximum amount that can be distributed to  
7           or for the settlor's benefit. If a trust has more than one settlor, the amount the  
8           creditor or assignee of a particular settlor may reach may not exceed the settlor's  
9           interest in the portion of the trust attributable to that settlor's contribution. After the  
10           death of a settlor, and subject to the settlor's right to direct the source from which  
11           liabilities will be paid, the property of a trust that was revocable immediately before  
12           the settlor's death is subject to claims of the settlor's creditors, costs of  
13           administration of the settlor's estate, the expenses of the settlor's funeral and  
14           disposal of remains, and statutory allowances to a surviving spouse and children to  
15           the extent the settlor's probate estate is inadequate to satisfy those claims, costs,  
16           expenses, and allowances. For purposes of this section, "statutory allowances"  
17           includes any homestead exception under chapter 47-18 and the allowances  
18           included in title 30.1.

19           2. For purposes of this section during the period the power may be exercised, the  
20           holder of a power of withdrawal is treated in the same manner as the settlor of a  
21           revocable trust to the extent of the property subject to the power and, upon the  
22           lapse, release, or waiver of the power, the holder is treated as the settlor of the  
23           trust only to the extent the value of the property affected by the lapse, release, or  
24           waiver exceeds the greater of the amount specified in section 2041(b)(2) or  
25           2514(e) of the Internal Revenue Code of 1986, or section 2503(b) of the Internal  
26           Revenue Code of 1986, or corresponding future provisions of federal tax law.

27           **59-13-06. (506) Overdue distribution.**

28           1. In this section, "mandatory distribution" means a distribution of income or principal  
29           which the trustee is required to make to a beneficiary under the terms of the trust,  
30           including a distribution upon termination of the trust. The term does not include a  
31           distribution subject to the exercise of the trustee's discretion even if:

- 1           a. The discretion is expressed in the form of a standard of distribution; or  
2           b. The terms of the trust authorizing a distribution couple language of discretion  
3                 with language of direction.
- 4           2. Whether or not a trust contains a spendthrift provision, a creditor or assignee of a  
5                 beneficiary may reach a mandatory distribution of income or principal, including a  
6                 distribution upon termination of the trust, if the trustee has not made the distribution  
7                 to the beneficiary within a reasonable time after the designated distribution date.

8           **59-13-07. (507) Personal obligations of trustee.** Trust property is not subject to  
9           personal obligations of the trustee, even if the trustee becomes insolvent or bankrupt.

10           **SECTION 18.** Chapter 59-14 of the North Dakota Century Code is created and enacted  
11 as follows:

12           **59-14-01. (601) Capacity of settlor of revocable trust.** The capacity required to  
13 create, amend, revoke, or add property to a revocable trust, or to direct the actions of the  
14 trustee of a revocable trust, is the same as that required to make a will.

15           **59-14-02. (602) Revocation or amendment of revocable trust.**

- 16           1. Unless the terms of a trust expressly provide that the trust is irrevocable, the settlor  
17                 may revoke or amend the trust. This subsection does not apply to a trust created  
18                 under an instrument executed before the effective date of this section.
- 19           2. If a revocable trust is created or funded by more than one settlor to the extent the  
20                 trust consists of community property, the trust may be revoked by either spouse  
21                 acting alone but may be amended only by joint action of both spouses; to the  
22                 extent the trust consists of property other than community property, each settlor  
23                 may revoke or amend the trust with regard to the portion of the trust property  
24                 attributable to that settlor's contribution; and upon the revocation or amendment of  
25                 the trust by fewer than all of the settlors, the trustee shall promptly notify the other  
26                 settlers of the revocation or amendment.
- 27           3. The settlor may revoke or amend a revocable trust by substantial compliance with  
28                 a method provided in the terms of the trust or, if the terms of the trust do not  
29                 provide a method or the method provided in the terms is not expressly made  
30                 exclusive, by a later will or codicil that expressly refers to the trust or any other  
31                 method manifesting clear and convincing evidence of the settlor's intent.

- 1           4. Upon revocation of a revocable trust, the trustee shall deliver the trust property as  
2           the settlor directs.
- 3           5. A settlor's powers with respect to revocation, amendment, or distribution of trust  
4           property may be exercised by an agent under a power of attorney only to the  
5           extent expressly authorized by the terms of the trust or the power, exercised in  
6           writing and delivered to the trustee.
- 7           6. A conservator of the settlor or, if no conservator has been appointed, a guardian of  
8           the settlor may exercise a settlor's powers with respect to revocation, amendment,  
9           or distribution of trust property only with the approval of the court supervising the  
10          conservatorship or guardianship.
- 11          7. A trustee who does not know that a trust has been revoked or amended is not  
12          liable to the settlor or settlor's successors in interest for distributions made and  
13          other actions taken on the assumption that the trust had not been amended or  
14          revoked.

15          **59-14-03. (603) Settlor's powers - Powers of withdrawal.**

- 16          1. While a trust is revocable and the settlor has capacity to revoke the trust, rights of  
17          the beneficiaries are subject to the control of, and the duties of the trustee are  
18          owed exclusively to, the settlor.
- 19          2. During the period the power may be exercised, the holder of a power of withdrawal  
20          has the rights of a settlor of a revocable trust under this section to the extent of the  
21          property subject to the power.

22          **59-14-04. (604) Limitation on action contesting validity of revocable trust -**

23          **Distribution of trust property.**

- 24          1. A person may commence a judicial proceeding to contest the validity of a trust that  
25          was revocable at the settlor's death within the earlier of three years after the  
26          settlor's death or one hundred twenty days after the trustee sent the person a copy  
27          of the trust instrument and a notice informing the person of the trust's existence, of  
28          the trustee's name and address, and of the time allowed for commencing a  
29          proceeding.
- 30          2. Upon the death of the settlor of a trust that was revocable at the settlor's death, the  
31          trustee may proceed to distribute the trust property in accordance with the terms of

1           the trust. The trustee is not subject to liability for doing so unless the trustee knows  
2           of a pending judicial proceeding contesting the validity of the trust or a potential  
3           contestant has notified the trustee of a possible judicial proceeding to contest the  
4           trust and a judicial proceeding is commenced within sixty days after the contestant  
5           sent the notification.

6           3. A beneficiary of a trust that is determined to have been invalid is liable to return  
7           any distribution received.

8           **SECTION 19.** Chapter 59-15 of the North Dakota Century Code is created and enacted  
9 as follows:

10           **59-15-01. (701) Accepting or declining trusteeship.**

11           1. Except as otherwise provided in subsection 3, a person designated as trustee  
12           accepts the trusteeship by substantially complying with a method of acceptance  
13           provided in the terms of the trust or, if the terms of the trust do not provide a  
14           method or the method provided in the terms is not expressly made exclusive, by  
15           accepting delivery of the trust property, exercising powers or performing duties as  
16           trustee, or otherwise indicating acceptance of the trusteeship.

17           2. A person designated as trustee who has not yet accepted the trusteeship may  
18           reject the trusteeship. A designated trustee who does not accept the trusteeship  
19           within a reasonable time after knowing of the designation is deemed to have  
20           rejected the trusteeship.

21           3. A person designated as trustee, without accepting the trusteeship, may act to  
22           preserve the trust property if, within a reasonable time after acting, the person  
23           sends a rejection of the trusteeship to the settlor or, if the settlor is dead or lacks  
24           capacity, to a qualified beneficiary and inspect or investigate trust property to  
25           determine potential liability under environmental or other law or for any other  
26           purpose.

27           **59-15-02. (702) Trustee's bond.**

28           1. A trustee shall give bond to secure performance of the trustee's duties only if the  
29           court finds that a bond is needed to protect the interests of the beneficiaries or is  
30           required by the terms of the trust and the court has not dispensed with the  
31           requirement.

1           2.   The court may specify the amount of a bond, its liabilities, and whether sureties are  
2                   necessary. The court may modify or terminate a bond at any time.

3           3.   A regulated financial service institution qualified to do trust business in this state  
4                   need not give bond, even if required by the terms of the trust.

5           **59-15-03. (703) Cotrustees.**

6           1.   Cotrustees who are unable to reach a unanimous decision may act by majority  
7                   decision.

8           2.   If a vacancy occurs in a cotrusteeship, the remaining cotrustees may act for the  
9                   trust.

10          3.   A cotrustee must participate in the performance of a trustee's function unless the  
11                   cotrustee is unavailable to perform the function because of absence, illness,  
12                   disqualification under other law, or other temporary incapacity or the cotrustee has  
13                   properly delegated the performance of the function to another trustee.

14          4.   If a cotrustee is unavailable to perform duties because of absence, illness,  
15                   disqualification under other law, or other temporary incapacity, and prompt action is  
16                   necessary to achieve the purposes of the trust or to avoid injury to the trust  
17                   property, the remaining cotrustee or a majority of the remaining cotrustees may act  
18                   for the trust.

19          5.   A trustee may not delegate to a cotrustee the performance of a function the settlor  
20                   reasonably expected the trustees to perform jointly. Unless a delegation was  
21                   irrevocable, a trustee may revoke a delegation previously made.

22          6.   Except as otherwise provided in subsection 7, a trustee who does not join in an  
23                   action of another trustee is not liable for the action.

24          7.   Each trustee shall exercise reasonable care to prevent a cotrustee from committing  
25                   a serious breach of trust and compel a cotrustee to redress a serious breach of  
26                   trust.

27          8.   A dissenting trustee who joins in an action at the direction of the majority of the  
28                   trustees and who notified any cotrustee of the dissent at or before the time of the  
29                   action is not liable for the action unless the action is a serious breach of trust.

30          **59-15-04. (704) Vacancy in trusteeship - Appointment of successor.**

- 1           1. A vacancy in a trusteeship occurs if a person designated as trustee rejects the  
2                   trusteeship, a person designated as trustee cannot be identified or does not exist,  
3                   a trustee resigns, a trustee is disqualified or removed, a trustee dies, or a guardian  
4                   or conservator is appointed for an individual serving as trustee.
- 5           2. If one or more cotrustees remain in office, a vacancy in a trusteeship need not be  
6                   filled. A vacancy in a trusteeship must be filled if the trust has no remaining  
7                   trustee.
- 8           3. A vacancy in a trusteeship of a noncharitable trust which is required to be filled  
9                   must be filled in the following order of priority. First, the vacancy must be filled by a  
10                  person designated in the terms of the trust to act as successor trustee. Second,  
11                  the vacancy must be filled by a person appointed by unanimous agreement of the  
12                  qualified beneficiaries. Finally, the vacancy must be filled by a person appointed  
13                  by the court.
- 14          4. A vacancy in a trusteeship of a charitable trust which is required to be filled must  
15                  be filled in the following order of priority. First, the vacancy must be filled by a  
16                  person designated in the terms of the trust to act as successor trustee. Second,  
17                  the vacancy must be filled by a person selected by the charitable organizations  
18                  expressly designated to receive distributions under the terms of the trust if the  
19                  attorney general concurs in the selection. Finally, the vacancy must be filled by a  
20                  person appointed by the court.
- 21          5. Whether or not a vacancy in a trusteeship exists or is required to be filled, the court  
22                  may appoint an additional trustee or special fiduciary whenever the court considers  
23                  the appointment necessary for the administration of the trust.

24           **59-15-05. (705) Resignation of trustee.**

- 25           1. A trustee may resign upon at least thirty days' notice to the qualified beneficiaries,  
26                   the settlor, if living, and all cotrustees or with the approval of the court.
- 27           2. In approving a resignation, the court may issue orders and impose conditions  
28                   reasonably necessary for the protection of the trust property.
- 29           3. Any liability of a resigning trustee or of any sureties on the trustee's bond for acts  
30                   or omissions of the trustee is not discharged or affected by the trustee's  
31                   resignation.

1           **59-15-06. (706) Removal of trustee.**

- 2           1.   The settlor, a cotrustee, or a beneficiary may request the court to remove a trustee,  
3           or a trustee may be removed by the court on its own initiative.
- 4           2.   The court may remove a trustee if the trustee has committed a serious breach of  
5           trust; if lack of cooperation among cotrustees substantially impairs the  
6           administration of the trust; if because of unfitness, unwillingness, or persistent  
7           failure of the trustee to administer the trust effectively, the court determines that  
8           removal of the trustee best serves the interests of the beneficiaries; or if there has  
9           been a substantial change of circumstances or removal is requested by all of the  
10          qualified beneficiaries, the court finds that removal of the trustee best serves the  
11          interests of all of the beneficiaries and is not inconsistent with a material purpose of  
12          the trust, and a suitable cotrustee or successor trustee is available.
- 13          3.   Pending a final decision on a request to remove a trustee, or in lieu of or in addition  
14          to removing a trustee, the court may order such appropriate relief under  
15          subsection 2 of section 59-18-01 as may be necessary to protect the trust property  
16          or the interests of the beneficiaries.

17          **59-15-07. (707) Delivery of property by former trustee.**

- 18          1.   Unless a cotrustee remains in office or the court otherwise orders, and until the  
19          trust property is delivered to a successor trustee or other person entitled to it, a  
20          trustee who has resigned or been removed has the duties of a trustee and the  
21          powers necessary to protect the trust property.
- 22          2.   A trustee who has resigned or been removed shall proceed expeditiously to deliver  
23          the trust property within the trustee's possession to the cotrustee, successor  
24          trustee, or other person entitled to the property.

25          **59-15-08. (708) Compensation of trustee.**

- 26          1.   If the terms of a trust do not specify the trustee's compensation, a trustee is entitled  
27          to compensation that is reasonable under the circumstances.
- 28          2.   If the terms of a trust specify the trustee's compensation, the trustee is entitled to  
29          be compensated as specified, but the court may allow more or less compensation  
30          if the duties of the trustee are substantially different from those contemplated when

1           the trust was created or the compensation specified by the terms of the trust would  
2           be unreasonably low or high.

3           **59-15-09. (709) Reimbursement of expenses.**

4           1. A trustee is entitled to be reimbursed out of the trust property, with interest as  
5           appropriate, for expenses that were properly incurred in the administration of the  
6           trust and, to the extent necessary to prevent unjust enrichment of the trust,  
7           expenses that were not properly incurred in the administration of the trust.

8           2. An advance by the trustee of money for the protection of the trust gives rise to a  
9           lien against trust property to secure reimbursement with reasonable interest.

10          **SECTION 20.** Chapter 59-16 of the North Dakota Century Code is created and enacted  
11 as follows:

12          **59-16-01. (801) Duty to administer trust.** Upon acceptance of a trusteeship, the  
13 trustee shall administer the trust in good faith, in accordance with its purposes and in  
14 accordance with chapters 59-09, 59-10, 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17,  
15 59-18, and 59-19.

16          **59-16-02. (802) Duty of loyalty.**

17          1. A trustee shall administer the trust solely in the interests of the beneficiaries.

18          2. Subject to the rights of persons dealing with or assisting the trustee as provided in  
19 section 59-18-12, a sale, encumbrance, or other transaction involving the  
20 investment or management of trust property entered into by the trustee for the  
21 trustee's own personal account or which is otherwise affected by a conflict between  
22 the trustee's fiduciary and personal interests is voidable by a beneficiary affected  
23 by the transaction unless the transaction was authorized by the terms of the trust;  
24 the transaction was approved by the court; the beneficiary did not commence a  
25 judicial proceeding within the time allowed by section 59-18-05; the beneficiary  
26 consented to the trustee's conduct, ratified the transaction, or released the trustee  
27 in compliance with section 59-18-09; or the transaction involves a contract entered  
28 into or claim acquired by the trustee before the person became or contemplated  
29 becoming trustee.

30          3. A sale, encumbrance, or other transaction involving the investment or management  
31 of trust property is presumed to be affected by a conflict between personal and

- 1           fiduciary interests if it is entered into by the trustee with the trustee's spouse; the  
2           trustee's descendants, siblings, parents, or their spouses; an agent or attorney of  
3           the trustee; or a corporation or other person or enterprise in which the trustee, or a  
4           person that owns a significant interest in the trustee, has an interest that might  
5           affect the trustee's best judgment.
- 6           4. A transaction between a trustee and a beneficiary that does not concern trust  
7           property but that occurs during the existence of the trust or while the trustee retains  
8           significant influence over the beneficiary and from which the trustee obtains an  
9           advantage is voidable by the beneficiary unless the trustee establishes that the  
10           transaction was fair to the beneficiary.
- 11           5. A transaction not concerning trust property in which the trustee engages in the  
12           trustee's individual capacity involves a conflict between personal and fiduciary  
13           interests if the transaction concerns an opportunity properly belonging to the trust.
- 14           6. An investment by a trustee in securities of an investment company or investment  
15           trust to which the trustee, or its affiliate, provides services in a capacity other than  
16           as trustee is not presumed to be affected by a conflict between personal and  
17           fiduciary interests if the investment complies with the prudent investor rule of  
18           chapter 59-17. In addition to its compensation for acting as trustee, the trustee  
19           may be compensated by the investment company or investment trust for providing  
20           those services out of fees charged to the trust. If the trustee receives  
21           compensation from the investment company or investment trust for providing  
22           investment advisory or investment management services, the trustee at least  
23           annually shall notify the persons entitled under section 59-16-13 to receive a copy  
24           of the trustee's annual report of the rate and method by which that compensation  
25           was determined.
- 26           7. In voting shares of stock or in exercising powers of control over similar interests in  
27           other forms of enterprise, the trustee shall act in the best interests of the  
28           beneficiaries. If the trust is the sole owner of a corporation or other form of  
29           enterprise, the trustee shall elect or appoint directors or other managers who will  
30           manage the corporation or enterprise in the best interests of the beneficiaries.

1           8. If fair to the beneficiaries, an agreement between a trustee and a beneficiary  
2           relating to the appointment or compensation of the trustee; payment of reasonable  
3           compensation to the trustee; a transaction between a trust and another trust,  
4           decedent's estate, or conservatorship of which the trustee is a fiduciary or in which  
5           a beneficiary has an interest; a deposit of trust money in a regulated financial  
6           service institution operated by the trustee; or an advance by the trustee of money  
7           for the protection of the trust is not precluded by this section.

8           9. The court may appoint a special fiduciary to make a decision with respect to any  
9           proposed transaction that might violate this section if entered into by the trustee.

10          **59-16-03. (803) Impartiality.** If a trust has two or more beneficiaries, the trustee shall  
11 act impartially in investing, managing, and distributing the trust property, giving due regard to  
12 the beneficiaries' respective interests.

13          **59-16-04. (804) Prudent administration.** A trustee shall administer the trust as a  
14 prudent person would by considering the purposes, terms, distributional requirements, and  
15 other circumstances of the trust. In satisfying this standard, the trustee shall exercise  
16 reasonable care, skill, and caution.

17          **59-16-05. (805) Costs of administration.** In administering a trust, the trustee may  
18 incur only costs that are reasonable in relation to the trust property, the purposes of the trust,  
19 and the skills of the trustee.

20          **59-16-06. (806) Trustee's skills.** A trustee who has special skills or expertise, or is  
21 named trustee in reliance upon the trustee's representation that the trustee has special skills or  
22 expertise, shall use those special skills or expertise.

23          **59-16-07. (807) Delegation by trustee.**

24          1. A trustee may delegate duties and powers that a prudent trustee of comparable  
25 skills could properly delegate under the circumstances. The trustee shall exercise  
26 reasonable care, skill, and caution in selecting an agent; establishing the scope  
27 and terms of the delegation, consistent with the purposes and terms of the trust;  
28 and periodically reviewing the agent's actions in order to monitor the agent's  
29 performance and compliance with the terms of the delegation.

30          2. In performing a delegated function, an agent owes a duty to the trust to exercise  
31 reasonable care to comply with the terms of the delegation.

1           3. A trustee who complies with subsection 1 is not liable to the beneficiaries or to the  
2           trust for an action of the agent to whom the function was delegated.

3           4. By accepting a delegation of powers or duties from the trustee of a trust that is  
4           subject to the law of this state, an agent submits to the jurisdiction of the courts of  
5           this state.

6           **59-16-08. (808) Powers to direct.**

7           1. While a trust is revocable, the trustee may follow a direction of the settlor that is  
8           contrary to the terms of the trust.

9           2. If the terms of a trust confer upon a person other than the settlor of a revocable  
10           trust power to direct certain actions of the trustee, the trustee shall act in  
11           accordance with an exercise of the power unless the attempted exercise is  
12           manifestly contrary to the terms of the trust or the trustee knows the attempted  
13           exercise would constitute a serious breach of a fiduciary duty that the person  
14           holding the power owes to the beneficiaries of the trust.

15           3. The terms of a trust may confer upon a trustee or other person a power to direct  
16           the modification or termination of the trust.

17           4. A person, other than a beneficiary, who holds a power to direct is presumptively a  
18           fiduciary who, as such, is required to act in good faith with regard to the purposes  
19           of the trust and the interests of the beneficiaries. The holder of a power to direct is  
20           liable for any loss that results from breach of fiduciary duty.

21           **59-16-09. (809) Control and protection of trust property.** A trustee shall take  
22           reasonable steps to take control of and protect the trust property.

23           **59-16-10. (810) Recordkeeping and identification of trust property.**

24           1. A trustee shall keep adequate records of the administration of the trust.

25           2. A trustee shall keep trust property separate from the trustee's own property.

26           3. Except as otherwise provided in subsection 4, a trustee, other than a trustee  
27           granted trust or fiduciary powers from a federal or state authority, shall cause the  
28           trust property to be designated so that the interest of the trust, to the extent  
29           feasible, appears in records maintained by a party other than a trustee or  
30           beneficiary.

1           4. If the trustee maintains records clearly indicating the respective interests, a trustee  
2           may invest as a whole the property of two or more separate trusts.

3           **59-16-11. (811) Enforcement and defense of claims.** A trustee shall take reasonable  
4           steps to enforce claims of the trust and to defend claims against the trust.

5           **59-16-12. (812) Collecting trust property.** A trustee shall take reasonable steps to  
6           compel a former trustee or other person to deliver trust property to the trustee and to redress a  
7           breach of trust known to the trustee to have been committed by a former trustee or other  
8           fiduciary.

9           **59-16-13. (813) Duty to inform and report.**

10          1. A trustee shall keep the qualified beneficiaries of the trust reasonably informed  
11          about the administration of the trust and of the material facts necessary for them to  
12          protect their interests. Unless unreasonable under the circumstances, a trustee  
13          shall promptly respond to a beneficiary's request for information related to the  
14          administration of the trust.

15          2. A trustee upon request of a beneficiary shall promptly furnish to the beneficiary a  
16          copy of the trust instrument.

17          3. A trustee within sixty days after accepting a trusteeship shall notify the qualified  
18          beneficiaries of the acceptance and of the trustee's name, address, and telephone  
19          number.

20          4. A trustee within sixty days after the date the trustee acquires knowledge of the  
21          creation of an irrevocable trust, or the date the trustee acquires knowledge that a  
22          formerly revocable trust has become irrevocable, whether by the death of the  
23          settlor or otherwise, shall notify the qualified beneficiaries of the trust's existence,  
24          of the identity of the settlor or settlors, of the right to request a copy of the trust  
25          instrument, and of the right to a trustee's report as provided in subsection 6.

26          5. A trustee shall notify the qualified beneficiaries in advance of any change in the  
27          method or rate of the trustee's compensation.

28          6. A trustee shall send to the distributees or permissible distributees of trust income  
29          or principal, and to other qualified or nonqualified beneficiaries who request it, at  
30          least annually and at the termination of the trust, a report of the trust property,  
31          liabilities, receipts, and disbursements, including the source and amount of the

1 trustee's compensation, a listing of the trust assets and, if feasible, their respective  
2 market values. Upon a vacancy in a trusteeship, unless a cotrustee remains in  
3 office, a report must be sent to the qualified beneficiaries by the former trustee. A  
4 personal representative, conservator, or guardian may send the qualified  
5 beneficiaries a report on behalf of a deceased or incapacitated trustee.

6 7. A beneficiary may waive the right to a trustee's report or other information  
7 otherwise required to be furnished under this section. A beneficiary, with respect  
8 to future reports and other information, may withdraw a waiver previously given.

9 **59-16-14. (814) Discretionary powers - Tax savings.**

10 1. Notwithstanding the breadth of discretion granted to a trustee in the terms of the  
11 trust, including the use of such terms as "absolute", "sole", or "uncontrolled", the  
12 trustee shall exercise a discretionary power in good faith and in accordance with  
13 the terms and purposes of the trust and the interests of the beneficiaries.

14 2. Subject to subsection 4, and unless the terms of the trust expressly indicate that a  
15 rule in this subsection does not apply, a person other than a settlor who is a  
16 beneficiary and trustee of a trust that confers on the trustee a power to make  
17 discretionary distributions to or for the trustee's personal benefit may exercise the  
18 power only in accordance with an ascertainable standard relating to the trustee's  
19 individual health, education, support, or maintenance within the meaning of section  
20 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code of 1986, or  
21 corresponding future provisions of federal tax law, and a trustee may not exercise  
22 a power to make discretionary distributions to satisfy a legal obligation of support  
23 that the trustee personally owes another person.

24 3. A power whose exercise is limited or prohibited by subsection 2 may be exercised  
25 by a majority of the remaining trustees whose exercise of the power is not so  
26 limited or prohibited. If the power of all trustees is so limited or prohibited, the court  
27 may appoint a special fiduciary with authority to exercise the power.

28 4. Subsection 2 does not apply to a power held by the settlor's spouse who is the  
29 trustee of a trust for which a marital deduction, as defined in section 2056(b)(5) or  
30 2523(e) of the Internal Revenue Code of 1986, or corresponding future provisions  
31 of federal tax law, was previously allowed; any trust during any period that the trust

1           may be revoked or amended by its settlor; or a trust if contributions to the trust  
2           qualify for the annual exclusion under section 2503(c) of the Internal Revenue  
3           Code of 1986, or corresponding future provisions of federal tax law.

4           **59-16-15. (815) General powers of trustee.** A trustee, without authorization by the  
5 court, may exercise powers conferred by the terms of the trust and, except as limited by the  
6 terms of the trust, all powers over the trust property which an unmarried competent owner has  
7 over individually owned property, any other powers appropriate to achieve the proper  
8 investment, management, and distribution of the trust property, and any other powers conferred  
9 by chapters 59-09, 59-10, 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17, 59-18, and 59-19.  
10 The exercise of a power is subject to the fiduciary duties prescribed by this chapter.

11           **59-16-16. (816) Specific powers of trustee.** Without limiting the authority conferred  
12 by section 59-16-15, a trustee may:

14           settlor or any other person.

21           business trust, corporation, or other form of business or enterprise, continue the

24           otherwise changing the form of business organization or contributing additional  
25           capital.
- 26           7. With respect to stocks or other securities, exercise the rights of an absolute owner,  
27           including the right to vote, or give proxies to vote, with or without power of  
28           substitution, or enter into or continue a voting trust agreement; hold a security in  
29           the name of a nominee or in other form without disclosure of the trust so that title  
30           may pass by delivery; pay calls, assessments, and other sums chargeable or  
31           accruing against the securities, and sell or exercise stock subscription or

- 1           conversion rights; and deposit the securities with a depository or other regulated  
2           financial service institution.

14           beyond the duration of the trust, and exercise an option so acquired.
- 15          11. Insure the property of the trust against damage or loss and insure the trustee, the  
16           trustee's agents, and beneficiaries against liability arising from the administration of  
17           the trust.
- 18          12. Abandon or decline to administer property of no value or of insufficient value to  
19           justify its collection or continued administration.
- 20          13. With respect to possible liability for violation of environmental law, inspect or  
21           investigate property the trustee holds or has been asked to hold, or property owned  
22           or operated by an organization in which the trustee holds or has been asked to  
23           hold an interest for the purpose of determining the application of environmental law  
24           with respect to the property; take action to prevent, abate, or otherwise remedy any  
25           actual or potential violation of any environmental law affecting property held directly  
26           or indirectly by the trustee, whether taken before or after the assertion of a claim or  
27           the initiation of governmental enforcement; decline to accept property into trust or  
28           disclaim any power with respect to property that is or may be burdened with liability

6           agents of the trust, and other expenses incurred in the administration of the trust.
- 7           16. Exercise elections with respect to federal, state, and local taxes.
- 8           17. Select a mode of payment under any employee benefit or retirement plan, annuity,

11           appropriate action to collect the proceeds.
- 12           18. Make loans out of trust property, including loans to a beneficiary on terms and

- 21           21. Pay an amount distributable to a beneficiary who is under a legal disability or who  
22           the trustee reasonably believes is incapacitated, by paying it directly to the  
23           beneficiary or applying it for the beneficiary's benefit, or by paying it to the  
24           beneficiary's conservator or, if the beneficiary does not have a conservator, the  
25           beneficiary's guardian; paying it to the beneficiary's custodian under chapter  
26           47-24.1 and for that purpose, creating a custodianship or custodial trust; if the  
27           trustee does not know of a conservator, guardian, custodian, or custodial trustee,  
28           paying it to an adult relative or other person having legal or physical care or  
29           custody of the beneficiary, to be expended on the beneficiary's behalf; or managing  
30           it as a separate fund on the beneficiary's behalf, subject to the beneficiary's  
31           continuing right to withdraw the distribution.

- 1        22. On distribution of trust property or the division or termination of a trust, make  
2        distributions in divided or undivided interests, allocate particular assets in  
3        proportionate or disproportionate shares, value the trust property for those  
4        purposes, and adjust for resulting differences in valuation.
- 5        23. Resolve a dispute concerning the interpretation of the trust of the trust's  
6        administration by mediation, arbitration, or other procedure for alternative dispute  
7        resolution.
- 8        24. Prosecute or defend an action, claim, or judicial proceeding in any jurisdiction to  
9        protect trust property and the trustee in the performance of the trustee's duties.
- 10       25. Sign and deliver contracts and other instruments that are useful to achieve or  
11       facilitate the exercise of the trustee's powers.
- 12       26. On termination of the trust, exercise the powers appropriate to wind up the  
13       administration of the trust and distribute the trust property to the persons entitled to  
14       the property.

15       **59-16-17. (817) Distribution upon termination.**

- 16       1. Upon termination or partial termination of a trust, the trustee may send to the  
17       beneficiaries a proposal for distribution. The right of any beneficiary to object to  
18       the proposed distribution terminates if the beneficiary does not notify the trustee of  
19       an objection within thirty days after the proposal was sent, but only if the proposal  
20       informed the beneficiary of the right to object and of the time allowed for objection.
- 21       2. Upon the occurrence of an event terminating or partially terminating a trust, the  
22       trustee shall proceed expeditiously to distribute the trust property to the persons  
23       entitled to it, subject to the right of the trustee to retain a reasonable reserve for the  
24       payment of debts, expenses, and taxes.
- 25       3. A release by a beneficiary of a trustee from liability for breach of trust is invalid to  
26       the extent it was induced by improper conduct of the trustee or the beneficiary, at  
27       the time of the release, did not know of the beneficiary's rights or of the material  
28       facts relating to the breach.

29       **SECTION 21.** Chapter 59-17 of the North Dakota Century Code is created and enacted  
30 as follows:

31       **59-17-01. Prudent investor rule.**

1           1. Except as otherwise provided in subsection 2, a trustee who invests and manages  
2           trust assets owes a duty to the beneficiaries of the trust to comply with the prudent  
3           investor rule set forth in this chapter.

4           2. The prudent investor rule, a default rule, may be expanded, restricted, eliminated,  
5           or otherwise altered by the provisions of a trust. A trustee is not liable to a  
6           beneficiary to the extent that the trustee acted in reasonable reliance on the  
7           provisions of the trust.

8           **59-17-02. Standard of care - Portfolio strategy - Risk and return objectives.**

9           1. A trustee shall invest and manage trust assets as a prudent investor would, by  
10          considering the purposes, terms distribution requirements, and other  
11          circumstances of the trust. In satisfying this standard, the trustee shall exercise  
12          reasonable care, skill, and caution.

13          2. A trustee's investment and management decisions respecting individual assets  
14          must be evaluated not in isolation but in the context of the trust portfolio as a whole  
15          and as a part of an overall investment strategy having risk and return objectives  
16          reasonably suited to the trust.

17          3. Among circumstances a trustee shall consider in investing and managing trust  
18          assets are any of the following that are relevant to the trust or its beneficiaries:

19           a. General economic conditions;

20           b. The possible effect of inflation or deflation;

21           c. The expected tax consequences of investment decisions or strategies;

22           d. The role that each investment or course of action plays within the overall trust  
23           portfolio, which may include financial assets, interests in closely held  
24           enterprises, tangible and intangible personal property, and real property;

25           e. The expected total return from income and the appreciation of capital;

26           f. Other resources of the beneficiaries;

27           g. Needs for liquidity, regularity of income, and preservation or appreciation of  
28           capital; and

29           h. An asset's special relationship or special value, if any, to the purposes of the  
30           trust or to one or more of the beneficiaries.

1           4. A trustee shall make a reasonable effort to verify facts relevant to the investment  
2                   and management of trust assets.

3           5. A trustee may invest in any kind of property or type of investment consistent with  
4                   the standards of this title.

5           **59-17-03. Diversification.** A trustee shall diversify the investments of the trust unless  
6 the trustee reasonably determines that, because of special circumstances, the purposes of the  
7 trust are better served without diversifying.

8           **59-17-04. Duties at inception of trusteeship.** Within a reasonable time after  
9 accepting a trusteeship or receiving trust assets, a trustee shall review the trust assets and  
10 make and implement decisions concerning the retention and disposition of assets, in order to  
11 bring the trust portfolio into compliance with the purposes, terms, distribution requirements, and  
12 other circumstances of the trust and with the requirements of this chapter.

13           **59-17-05. Reviewing compliance.** Compliance with the prudent investor rule is  
14 determined in light of the facts and circumstances existing at the time of a trustee's decision or  
15 action and not by hindsight.

16           **59-17-06. Language invoking standard of this chapter.** The following terms or  
17 comparable language in the provisions of a trust, unless otherwise limited or modified,  
18 authorizes any investment or strategy permitted under this chapter: "investments permissible  
19 by law for investment of trust funds", "legal investments", "authorized investments", "using the  
20 judgment and care under the circumstances then prevailing that persons of prudence,  
21 discretion, and intelligence exercise in the management of their own affairs, not in regard to  
22 speculation but in regard to the permanent disposition of their funds, considering the probable  
23 income as well as the probable safety of their capital", "prudent man rule", "prudent trustee  
24 rule", "prudent person rule", and "prudent investor rule".

25           **SECTION 22.** Chapter 59-18 of the North Dakota Century Code is created and enacted  
26 as follows:

27           **59-18-01. (1001) Remedies for breach of trust.**

28           1. A violation by a trustee of a duty the trustee owes to a beneficiary is a breach of  
29                   trust.

30           2. To remedy a breach of trust that has occurred or may occur, the court may compel  
31                   the trustee to perform the trustee's duties; enjoin the trustee from committing a

1           breach of trust; compel the trustee to redress a breach of trust by paying money,  
2           restoring property, or other means; order a trustee to account; appoint a special  
3           fiduciary to take possession of the trust property and administer the trust; suspend  
4           the trustee; remove the trustee as provided in section 59-15-06; reduce or deny  
5           compensation to the trustee; subject to section 59-18-12, void an act of the trustee,  
6           impose a lien or a constructive trust on trust property, or trace trust property  
7           wrongfully disposed of and recover the property or its proceeds; or order any other  
8           appropriate relief.

9           **59-18-02. (1002) Damages for breach of trust.**

- 10          1. A trustee who commits a breach of trust is liable to the beneficiaries affected for  
11           the greater of the amount required to restore the value of the trust property and  
12           trust distributions to what they would have been had the breach not occurred or the  
13           profit the trustee made by reason of the breach.
- 14          2. Except as otherwise provided in this subsection, if more than one trustee is liable  
15           to the beneficiaries for a breach of trust, a trustee is entitled to contribution from the  
16           other trustee or trustees. A trustee is not entitled to contribution if the trustee was  
17           substantially more at fault than another trustee or if the trustee committed the  
18           breach of trust in bad faith or with reckless indifference to the purposes of the trust  
19           or the interests of the beneficiaries. A trustee who received a benefit from the  
20           breach of trust is not entitled to contribution from another trustee to the extent of  
21           the benefit received.

22           **59-18-03. (1003) Damages in absence of breach.** A trustee is accountable to an  
23           affected beneficiary for any profit made by the trustee arising from the administration of the  
24           trust, even absent a breach of trust. Absent a breach of trust, a trustee is not liable to a  
25           beneficiary for a loss or depreciation in the value of trust property or for not having made a  
26           profit.

27           **59-18-04. (1004) Attorney's fees and costs.** In a judicial proceeding involving the  
28           administration of a trust, the court, as justice and equity may require, may award costs and  
29           expenses, including reasonable attorney's fees, to any party, to be paid by another party or  
30           from the trust that is the subject of the controversy.

31           **59-18-05. (1005) Limitation of action against trustee.**

- 1           1. A beneficiary may not commence a proceeding against a trustee for breach of trust  
2                   more than one year after the date the beneficiary or a representative of the  
3                   beneficiary was sent a report that adequately disclosed the existence of a potential  
4                   claim for breach of trust and informed the beneficiary of the time allowed for  
5                   commencing a proceeding.
- 6           2. A report adequately discloses the existence of a potential claim for breach of trust if  
7                   it provides sufficient information so that the beneficiary or representative knows of  
8                   the potential claim or should have inquired into its existence.
- 9           3. If subsection 1 does not apply, a judicial proceeding by a beneficiary against a  
10                   trustee for breach of trust must be commenced within five years after whichever  
11                   occurs first: the removal, resignation, or death of the trustee; the termination of the  
12                   beneficiary's interest in the trust; or the termination of the trust.

13           **59-18-06. (1006) Reliance on trust instrument.** A trustee who acts in reasonable  
14 reliance on the terms of the trust as expressed in the trust instrument is not liable to a  
15 beneficiary for a breach of trust to the extent the breach resulted from the reliance.

16           **59-18-07. (1007) Event affecting administration or distribution.** If the happening of  
17 an event, including marriage, divorce, performance of educational requirements, or death,  
18 affects the administration or distribution of a trust, a trustee who has exercised reasonable care  
19 to ascertain the happening of the event is not liable for a loss resulting from the trustee's lack of  
20 knowledge.

21           **59-18-08. (1008) Exculpation of trustee.**

- 22           1. A term of a trust relieving a trustee of liability for breach of trust is unenforceable to  
23                   the extent that the term relieves the trustee of liability for breach of trust committed  
24                   in bad faith or with reckless indifference to the purposes of the trust or the interests  
25                   of the beneficiaries or was inserted as the result of an abuse by the trustee of a  
26                   fiduciary or confidential relationship to the settlor.
- 27           2. An exculpatory term drafted or caused to be drafted by the trustee is invalid as an  
28                   abuse of a fiduciary or confidential relationship unless the trustee proves that the  
29                   exculpatory term is fair under the circumstances and that its existence and  
30                   contents were adequately communicated to the settlor.

1           **59-18-09. (1009) Beneficiary's consent, release, or ratification.** A trustee is not  
2 liable to a beneficiary for breach of trust if the beneficiary consented to the conduct constituting  
3 the breach, released the trustee from liability for the breach, or ratified the transaction  
4 constituting the breach, unless the consent, release, or ratification of the beneficiary was  
5 induced by improper conduct of the trustee or at the time of the consent, release, or ratification,  
6 the beneficiary did not know of the beneficiary's rights or of the material facts relating to the  
7 breach.

8           **59-18-10. (1010) Limitation on personal liability of trustee.**

- 9           1. Except as otherwise provided in the contract, a trustee is not personally liable on a  
10 contract properly entered into in the trustee's fiduciary capacity in the course of  
11 administering the trust if the trustee in the contract disclosed the fiduciary capacity.  
12           2. A trustee is personally liable for torts committed in the course of administering a  
13 trust or for obligations arising from ownership or control of trust property, including  
14 liability for violation of environmental law, only if the trustee is personally at fault.  
15           3. A claim based on a contract entered into by a trustee in the trustee's fiduciary  
16 capacity, on an obligation arising from ownership or control of trust property, or on  
17 a tort committed in the course of administering a trust, may be asserted in a judicial  
18 proceeding against the trustee in the trustee's fiduciary capacity, whether or not the  
19 trustee is personally liable for the claim.

20           **59-18-11. (1011) Interest as general partner.**

- 21           1. Except as otherwise provided in subsection 3 or unless personal liability is imposed  
22 in the contract, a trustee who holds an interest as a general partner in a general or  
23 limited partnership is not personally liable on a contract entered into by the  
24 partnership after the trust's acquisition of the interest if the fiduciary capacity was  
25 disclosed in the contract or in a statement previously filed under title 45.  
26           2. Except as otherwise provided in subsection 3, a trustee who holds an interest as a  
27 general partner is not personally liable for torts committed by the partnership or for  
28 obligations arising from ownership or control of the interest unless the trustee is  
29 personally at fault.  
30           3. The immunity provided by this section does not apply if an interest in the  
31 partnership is held by the trustee in a capacity other than that of trustee or is held

1           by the trustee's spouse or one or more of the trustee's descendants, siblings, or  
2           parents, or the spouse of any of them.

3           4. If the trustee of a revocable trust holds an interest as a general partner, the settlor  
4           is personally liable for contracts and other obligations of the partnership as if the  
5           settlor were a general partner.

6           **59-18-12. (1012) Protection of person dealing with trustee.**

7           1. A person other than a beneficiary who in good faith assists a trustee, or who in  
8           good faith and for value deals with a trustee, without knowledge that the trustee is  
9           exceeding or improperly exercising the trustee's powers, is protected from liability  
10          as if the trustee properly exercised the power.

11          2. A person other than a beneficiary who in good faith deals with a trustee is not  
12          required to inquire into the extent of the trustee's powers or the propriety of their  
13          exercise.

14          3. A person who in good faith delivers assets to a trustee need not ensure their  
15          proper application.

16          4. A person other than a beneficiary who in good faith assists a former trustee, or who  
17          in good faith and for value deals with a former trustee, without knowledge that the  
18          trusteeship has terminated, is protected from liability as if the former trustee were  
19          still a trustee.

20          5. Comparable protective provisions of other laws relating to commercial transactions  
21          or transfer of securities by fiduciaries prevail over the protection provided by this  
22          section.

23          **59-18-13. (1013) Certification of trust.**

24          1. Instead of furnishing a copy of the trust instrument to a person other than a  
25          beneficiary, the trustee may furnish to the person a certification of trust containing  
26          information that includes that the trust exists and the date the trust instrument was  
27          executed, the identity of the settlor, the identity and address of the currently acting  
28          trustee, the powers of the trustee, the revocability or irrevocability of the trust and  
29          the identity of any person holding a power to revoke the trust, the authority of  
30          cotrustees to sign or otherwise authenticate and whether all or less than all are

- 1           required in order to exercise powers of the trustee, the trust's taxpayer  
2           identification number, and the manner of taking title to trust property.
- 3           2. A certification of trust may be signed or otherwise authenticated by any trustee.  
4           3. A certification of trust must state that the trust has not been revoked, modified, or  
5           amended in any manner that would cause the representations contained in the  
6           certification of trust to be incorrect.
- 7           4. A certification of trust need not contain the dispositive terms of a trust.  
8           5. A recipient of a certification of trust may require the trustee to furnish copies of  
9           those excerpts from the original trust instrument and later amendments which  
10           designate the trustee and confer upon the trustee the power to act in the pending  
11           transaction.
- 12           6. A person who acts in reliance upon a certification of trust without knowledge that  
13           the representations contained therein are incorrect is not liable to any person for so  
14           acting and may assume without inquiry the existence of the facts contained in the  
15           certification. Knowledge of the terms of the trust may not be inferred solely from  
16           the fact that a copy of all or part of the trust instrument is held by the person relying  
17           upon the certification.
- 18           7. A person who in good faith enters into a transaction in reliance upon a certification  
19           of trust may enforce the transaction against the trust property as if the  
20           representations contained in the certification were correct.
- 21           8. A person making a demand for the trust instrument in addition to a certification of  
22           trust or excerpts is liable for damages if the court determines that the person did  
23           not act in good faith in demanding the trust instrument.
- 24           9. This section does not limit the right of a person to obtain a copy of the trust  
25           instrument in a judicial proceeding concerning the trust.

26           **SECTION 23.** Chapter 59-19 of the North Dakota Century Code is created and enacted  
27 as follows:

28           **59-19-01. (1102) Electronic records and signatures.** The provisions of chapters  
29 59-09, 59-10, 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17, 59-18, and 59-19 governing the  
30 legal effect, validity, or enforceability of electronic records or electronic signatures, and of  
31 contracts formed or performed with the use of such records or signatures, conform to the

1 requirements of section 102 of the Electronic Signatures in Global and National Commerce Act  
2 [15 U.S.C. 7002] and supersede, modify, and limit the requirements of the Electronic Signatures  
3 in Global and National Commerce Act.

4 **59-19-02. (1106) Application to existing relationships.**

5 1. Except as otherwise provided in chapters 59-09, 59-10, 59-11, 59-12, 59-13,  
6 59-14, 59-15, 59-16, 59-17, 59-18, and 59-19 as of August 1, 2007:

7 a. Chapters 59-09, 59-10, 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17,  
8 59-18, and 59-19:

9 (1) Apply to all trusts created before, on, or after that date;

10 (2) Apply to all judicial proceedings concerning trusts commenced on or  
11 after that date; and

12 (3) Apply to judicial proceedings concerning trusts commenced before that  
13 date unless the court finds that application of a particular provision of  
14 these chapters would substantially interfere with the effective conduct of  
15 the judicial proceedings or prejudice the rights of the parties, in which  
16 case the particular provision of these chapters do not apply and the  
17 superseded law applies;

18 b. Any rule of construction or presumption provided in chapters 59-09, 59-10,  
19 59-11, 59-12, 59-13, 59-14, 59-15, 59-16, 59-17, 59-18, and 59-19 applies to  
20 trust instruments executed before that date unless there is a clear indication  
21 of a contrary intent in the terms of the trust; and

22 c. An act done before that date is not affected by chapters 59-09, 59-10, 59-11,  
23 59-12, 59-13, 59-14, 59-15, 59-16, 59-17, 59-18, and 59-19.

24 2. If a right is acquired, extinguished, or barred upon the expiration of a prescribed  
25 period that has commenced to run under any other statute before August 1, 2007,  
26 that statute continues to apply to the right even if it has been repealed or  
27 superseded.

28 **SECTION 24.** Chapter 59-20 of the North Dakota Century Code is created and enacted  
29 as follows:

30 **59-20-01. Private foundations - Charitable trusts - Split-interest trusts.**

- 1           1. Any will or trust instrument creating a trust that is a "private foundation", as defined  
2           in section 509(a) of the Internal Revenue Code of 1954, or a "charitable trust", as  
3           defined in section 4947(a)(1) of the Internal Revenue Code of 1954, or a  
4           "split-interest trust", as defined in section 4947(a)(2) of the Internal Revenue Code  
5           of 1954, and any other instrument governing the trustee of any such trust, or the  
6           use, retention, or disposition of any of the income or property of such trust, may be  
7           deemed to have incorporated within the will, trust instrument, or other governing  
8           instrument, with the same effect as though such language were included in the will,  
9           trust instrument, or other governing instrument, the following provisions with  
10          respect to the trust and the trustee thereof, and, except as the contrary is provided  
11          in subsection 2, such provisions govern the administration and distribution of any  
12          such trust, irrespective of any provisions of any applicable will, trust instrument, or  
13          other governing instrument, statute, or law of this state to the contrary:
- 14          a. The trustee shall distribute for each taxable year of the trust amounts at least  
15             sufficient to avoid liability for the tax imposed by section 4942(a) of the  
16             Internal Revenue Code of 1954, as now enacted or as hereafter amended.
- 17          b. The trustee may not engage in any act of "self-dealing", as defined in  
18             section 4941(d) of the Internal Revenue Code of 1954, which would give rise  
19             to any liability for the tax imposed by section 4941(a) of the Internal Revenue  
20             Code of 1954.
- 21          c. The trustee may not retain any "excess business holdings", as defined in  
22             section 4943(c) of the Internal Revenue Code of 1954, which would give rise  
23             to any liability for the tax imposed by section 4943(a) of the Internal Revenue  
24             Code of 1954.
- 25          d. The trustee may not make any investments that would jeopardize the carrying  
26             out of any of the exempt purposes of the trust, within the meaning of section  
27             4944 of the Internal Revenue Code of 1954, so as to give rise to any liability  
28             for the tax imposed by section 4944(a) of the Internal Revenue Code of 1954.
- 29          e. The trustee may not make any "taxable expenditure", as defined in  
30             section 4945(d) of the Internal Revenue Code of 1954, which would give rise

1                   to any liability for the tax imposed by section 4945(a) of the Internal Revenue  
2                   Code of 1954.

3           2.   Subsection 1 does not apply to the extent that a court of competent jurisdiction  
4                   determines that application would be contrary to the terms of the will, trust  
5                   instrument, or other governing instrument described in subsection 1 and that such  
6                   will, trust instrument, or other governing instrument may not be changed to conform  
7                   to subsection 1.

8           3.   As used in this section, "trustee" means a corporation, individual, or other legal  
9                   entity acting as an original, added, or successor trustee of a testamentary or  
10                   inter vivos trust estate. Any reference to a particular section of the Internal  
11                   Revenue Code of 1954 includes, as now enacted or as hereafter amended, such  
12                   section and any provision of federal law as is or may hereafter be applicable,  
13                   cognate to such section.

14           4.   This section does not impair the rights and powers of the attorney general or the  
15                   courts of this state with respect to any trust.
