4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

5 **SECTION 1.** A new chapter to title 43 of the North Dakota Century Code is created and 6 enacted as follows:

7 **Definitions.** As used in this chapter:

- 81."Administrative fee" means the fee charged to a client by a professional employer9organization for professional employer services. The term does not include any10amount of a fee which is for wages and salaries, benefits, workers' compensation11coverage, payroll taxes, withholding, or other assessment paid by the professional12employer organization to or on behalf of a covered employee under a professional13employer agreement.
- 142."Client" means any person that enters a professional employer agreement with a15professional employer organization.
- 16 <u>3.</u> <u>"Coemployer" means either a professional employer organization or a client.</u>
- 17 <u>4.</u> <u>"Coemployment relationship" means a relationship that is intended to be an</u>
 18 ongoing relationship rather than a temporary or project-specific relationship,
- 19 wherein the rights, duties, and obligations of an employer which arise out of an
- 20 employment relationship have been allocated between coemployers under a
 21 professional employer agreement and this chapter.
- 5. "Covered employee" means an individual having a coemployment relationship with
 a professional employer organization and a client, who has received written notice
 of coemployment with the professional employer organization, and whose

1		coemployment relationship is under a professional employer agreement subject to
2		this chapter. An individual who is an officer, director, shareholder, partner, or
3		manager of the client is a "covered employee" to the extent the professional
4		employer organization and the client have expressly agreed in the professional
5		employer agreement that the individual is a covered employee and if the individual
6		meets the criteria of this subsection and acts as an operational manager or
7		performs day-to-day operational services for the client.
8	<u>6.</u>	"Licensee" means a professional employer organization licensed under this
9		chapter.
10	<u>7.</u>	"Professional employer agreement" means a written contract between a client and
11		a professional employer organization which provides for the coemployment of a
12		covered employee, for the allocation of employer rights and obligations between
13		the client and the professional employer organization with respect to a covered
14		employee, and the assumption of the responsibilities required by this chapter.
15	<u>8.</u>	"Professional employer organization" means a person engaged in the business of
16		providing professional employer services. The term does not include an
17		arrangement through which a person that does not have as its principal business
18		activity the practice of entering a professional employer arrangement and does not
19		hold itself out as a professional employer organization and that shares an
20		employee with a commonly owned company within the meaning of section 414(b)
21		and (c) of the Internal Revenue Code of 1986; an independent contractor
22		arrangement through which a person assumes responsibility for a product
23		produced or a service performed by the person or the person's agents and retains
24		and exercises primary direction and control over the work performed by an
25		individual whose services are supplied under the arrangement; or the provision of
26		temporary help services.
27	<u>9.</u>	"Professional employer services" means the entering of a coemployment
28		relationship under this chapter.
29	<u>10.</u>	"Temporary help services" means services consisting of a person recruiting and
30		hiring its own employees; finding another organization that needs the services of
31		those employees; assigning those employees to perform work at or services for

	0	
1		the other organization to support or supplement the other organization's workforce,
2		to provide assistance in special work situations, such as an employee absence,
3		skill shortage, or seasonal workload or to perform a special assignment or project;
4		and customarily attempting to reassign the employees to another organization
5		when the employers finish each assignment.
6	<u>Rig</u>	hts, duties, and obligations unaffected.
7	<u>1.</u>	Neither this chapter nor a professional employer agreement may affect, modify, or
8		amend a collective bargaining agreement or any right or obligation of a client,
9		professional employer organization, or covered employee under federal law.
10	<u>2.</u>	Neither this chapter nor a professional employer agreement may:
11		a. Diminish, abolish, or remove any right of a covered employee to a client or
12		obligation of the client to a covered employee existing before the effective
13		date of the professional employer agreement.
14		b. Affect, modify, or amend any contractual relationship or restrictive covenant
15		between a covered employee and a client in effect at the time a professional
16		employer agreement becomes effective or prohibit or amend a contractual
17		relationship or restrictive covenant that is entered subsequently between a
18		client and a covered employee.
19	<u>3.</u>	A covered employee who is required under law to be licensed, registered, or
20		certified is deemed solely an employee of the client for purposes of the license,
21		registration, or certification requirement.
22	<u>4.</u>	Unless otherwise provided by this chapter, a professional employer organization is
23		not deemed to engage in any occupation, trade, profession, or other activity that is
24		subject to licensing, registration, or certification requirements or is otherwise
25		regulated solely by entering and maintaining a coemployment relationship with a
26		covered employee who is subject to the requirement.
27	<u>5.</u>	A client has the sole right of direction and control of the professional or licensed
28		activities of a covered employee and of the client's business. The covered
29		employee and client remain subject to regulation by the entity responsible for
30		licensing, registration, or certification of the covered employee or client.

1	<u>6.</u>	For purposes of determination of a tax credit or other economic incentive based on
2		employment, a covered employee is deemed an employee solely of the client. A
3		client is entitled to the benefit of any tax credit, economic incentive, or other benefit
4		arising as the result of the employment of a covered employee of the client. If the
5		grant or amount of the incentive is based on the number of employees, each client
6		
		must be treated as employing only those covered employees coemployed by the
7		client. A covered employee working for another client of the professional employer
8		organization may not be counted. Each professional employer organization shall
9		provide, upon request by a client or an agency or department of the state,
10		employment information reasonably required for administration of the tax credit or
11		economic incentive and which is necessary to support any request, claim,
12		application, or other action by a client seeking the tax credit or economic incentive.
13	<u>7.</u>	With respect to a bid, contract, purchase order, or agreement entered with the
14		state or a political subdivision, a client company's status or certification by any
15		agency of this state as a small, minority-owned, disadvantaged, or woman-owned
16		business enterprise or as a historically underutilized business is not affected
17		because the client company has entered an agreement with a professional
18		employer organization or uses the services of a professional employer
19		organization.
20	Lic	ensing requirements.
21	<u>1.</u>	After the effective date of this Act, a person may not provide, advertise, or
22		otherwise hold itself out as providing professional employer services, unless the
23		person is licensed under this chapter. A person engaged in the business of
24		providing professional employer services shall obtain a license regardless of its
25		use of the term or conducting business as a "professional employer organization",
26		<u>"staff leasing company", "registered staff leasing company", "employee leasing</u>
