

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1166

Page 1, line 5, replace "the completion of the construction of a paved" with ", as part of the department's project development process, a four-lane alternate when it develops the environmental document for the next major reconstruction project for United States highway 52 from reference point 52-101.683 to reference point 52-122.789. If environmental clearance is obtained, the department shall select for construction the four-lane alternate as the preferred alternate."
