Sixty-first Legislative Assembly

| 1 | 2. | After deduction of the amount provided in subsection 1, annual revenue collected | | |
|----|-----------|---|--|--|
| 2 | | under this chapter from oil and gas produced in each county must be allocated as | | |
| 3 | | follows: | | |
| 4 | | a. The first one million dollars of annual revenue after the deduction of the | | |
| 5 | | amount provided for in subsection 1 from oil or gas produced in any county | | |
| 6 | | must be allocated to that the county. | | |
| 7 | | b. The second next one million dollars of annual revenue after the deduction for | | |
| 8 | | the amount provided for in subsection 1 from oil and gas produced in any | | |
| 9 | | county must be allocated seventy-five percent to that the county and | | |
| 10 | | twenty-five percent to the state general fund. | | |
| 11 | | c. The third next one million dollars of annual revenue after the deduction of the | | |
| 12 | | amount provided for in subsection 1 from oil or gas produced in any county | | |
| 13 | | must be allocated fifty percent to that the county and fifty percent to the state | | |
| 14 | | general fund. | | |
| 15 | | d. All annual revenue after the deduction of the amount provided for in | | |
| 16 | | subsection 1 above three million dollars from oil or gas produced in any | | |
| 17 | | county remaining after the allocation in subdivision c must be allocated | | |
| 18 | | twenty-five percent to that the county and seventy-five percent to the state | | |
| 19 | | general fund. However, the | | |
| 20 | <u>3.</u> | The amount to which each county is entitled pursuant to this under subsection 2 | | |
| 21 | | must be limited based upon the population of allocated within the county according | | |
| 22 | | to the last official decennial federal census as follows: | | |
| 23 | | a. Counties having a population of three thousand or less shall receive no more | | |
| 24 | | than three million nine hundred thousand dollars for allocation under | | |
| 25 | | subsection 4 for each fiscal year; however, a county may receive up to four | | |
| 26 | | million nine hundred thousand dollars under this subdivision. A county may | | |
| 27 | | receive the full amount to which it is entitled under subsection 2 for each fiscal | | |
| 28 | | year if during that fiscal year the county levies a total of at least ten mills for | | |
| 29 | | combined levies for county road and bridge, farm-to-market and federal-aid | | |
| 30 | | road, and county road purposes. Any amount received by a county | | |
| 31 | | exceeding three million nine hundred thousand dollars under this subdivision | | |

Sixty-first Legislative Assembly

| 1 | | | is not subject to allocation under subsection $\frac{3}{4}$ but must be credited by the |
|----|-------------------------|-----------|---|
| 2 | | | county treasurer to the county general infrastructure fund. |
| 3 | | b. | Counties having a population of over three thousand but less than six |
| 4 | | | thousand shall receive no more than four million one hundred thousand |
| 5 | | | dollars for allocation under subsection 4 for each fiscal year; however, a |
| 6 | | | county may receive up to five million one hundred thousand dollars under this |
| 7 | | | subdivision. A county may receive the full amount to which it is entitled under |
| 8 | | | subsection 2 for each fiscal year if during that fiscal year the county levies a |
| 9 | | | total of at least ten mills for combined levies for county road and bridge, |
| 10 | | | farm-to-market and federal-aid road, and county road purposes. Any amount |
| 11 | | | received by a county exceeding four million one hundred thousand dollars |
| 12 | | | under this subdivision is not subject to allocation under subsection $\frac{3}{4}$ but |
| 13 | | | must be credited by the county treasurer to the county general infrastructure |
| 14 | | | fund. |
| 15 | | c. | Counties having a population of six thousand or more shall receive no more |
| 16 | | | than four million six hundred thousand dollars for allocation under |
| 17 | | | subsection 4 for each fiscal year; however, a county may receive up to five |
| 18 | | | million six hundred thousand dollars under this subdivision. A county may |
| 19 | | | receive the full amount to which it is entitled under subsection 2 for each fiscal |
| 20 | | | year if during that fiscal year the county levies a total of ten mills or more for |
| 21 | | | combined levies for county road and bridge, farm-to-market and federal-aid |
| 22 | | | road, and county road purposes. Any amount received by a county |
| 23 | | | exceeding four million six hundred thousand dollars under this subdivision is |
| 24 | | | not subject to allocation under subsection $\frac{3}{4}$ but must be credited by the |
| 25 | | | county treasurer to the county general infrastructure fund. |
| 26 | | Any | allocations for any county pursuant to this subsection which exceed the |
| 27 | | app | licable limitation for that county as provided in subdivisions a through c must be |
| 28 | | dep | osited instead in the state's general fund. |
| 29 | 3. <u>4.</u> | <u>a.</u> | Forty-five percent of all revenues as may by the legislative assembly be |
| 30 | | | allocated to any county hereunder for allocation under this subsection must |
| 31 | | | be credited by the county treasurer to the county general fund. |

Sixty-first Legislative Assembly

1 <u>b.</u> Thirty-five percent of all revenues allocated to any county for allocation under 2 this subsection must be apportioned by the county treasurer no less than 3 quarterly to school districts within the county on the average daily attendance 4 distribution basis, as certified to the county treasurer by the county 5 superintendent of schools. However, no school district may receive in any 6 single academic year an amount under this subsection greater than the 7 county average per student cost multiplied by seventy percent, then multiplied 8 by the number of students in average daily attendance or the number of 9 children of school age in the school census for the county, whichever is 10 greater. Provided, however, that in any county in which the average daily 11 attendance or the school census, whichever is greater, is fewer than four 12 hundred, the county is entitled to one hundred twenty percent of the county 13 average per student cost multiplied by the number of students in average 14 daily attendance or the number of children of school age in the school census 15 for the county, whichever is greater. Once this level has been reached 16 through distributions under this subsection, all excess funds to which the 17 school district would be entitled as part of its thirty-five percent share must be 18 deposited instead in the county general fund. The county superintendent of 19 schools of each oil-producing county shall certify to the county treasurer by 20 July first of each year the amount to which each school district is limited 21 pursuant to this subsection. As used in this subsection, "average daily 22 attendance" means the average daily attendance for the school year 23 immediately preceding the certification by the county superintendent of 24 schools required by this subsection. 25 Twenty percent of all revenues allocated to any county hereunder for c. 26 allocation under this subsection must be paid apportioned no less than 27 quarterly by the state treasurer to the incorporated cities of the county.

Apportionment among cities under this subsection must be based upon the population of each incorporated city according to the last official decennial federal census. Once this level has been reached through distributions under this subsection, all excess funds to which any city would be entitled except for

| 1 | | this- | limitation must be deposited instead in that county's general fund. |
|----|---------------|------------------|--|
| 2 | | Pro √ | ided, however, that in In determining the population of any city that |
| 3 | | <u>rece</u> | ives a direct allocation under subsection 1, that city's population for |
| 4 | | purp | oses of this subdivision must be reduced by forty percent. In determining |
| 5 | | the p | oopulation of any city in which total employment increases by more than |
| 6 | | two | hundred percent seasonally due to tourism, the population of that city for |
| 7 | | purp | oses of determining the per capita limitation in this section subdivision |
| 8 | | mus | t be increased by adding to the population of the city as determined by |
| 9 | | the I | ast official decennial federal census a number to be determined as |
| 10 | | follo | ws: |
| 11 | a. | <u>(1)</u> | Seasonal employees of state and federal tourist facilities within five |
| 12 | | | miles [8.05 kilometers] of the city must be included by adding the |
| 13 | | | months all such employees were employed during the prior year and |
| 14 | | | dividing by twelve. |
| 15 | b. | <u>(2)</u> | Seasonal employees of all private tourist facilities within the city and |
| 16 | | | seasonal employees employed by the city must be included by adding |
| 17 | | | the months all such employees were employed during the prior year |
| 18 | | | and dividing by twelve. |
| 19 | C. | <u>(3)</u> | The number of visitors to the tourist attraction within the city or within |
| 20 | | | five miles [8.05 kilometers] of the city which draws the largest number |
| 21 | | | of visitors annually must be included by taking the smaller of either of |
| 22 | | | the following: |
| 23 | | (1) | (a) The total number of visitors to that tourist attraction the prior year |
| 24 | | | divided by three hundred sixty-five; or |
| 25 | | (2) | (b) Four hundred twenty. |
| 26 | <u>5. a.</u> | Fort | y-five percent of all revenues allocated to a county infrastructure fund |
| 27 | | unde | er subsection 3 must be credited by the county treasurer to the county |
| 28 | | gene | eral fund. |
| 29 | <u>b.</u> | <u>Thirt</u> | y-five percent of all revenues allocated to the county infrastructure fund |
| 30 | | unde | er subsection 3 must be allocated by the board of county commissioners |
| 31 | | to or | for the benefit of townships or school districts in the county on the basis |

| 1 | | of applications by townships for funding to offset oil and gas development |
|----|----------------|--|
| 2 | | impact to township roads or applications by school districts for repair or |
| 3 | | replacement of school district vehicles necessitated by damage or |
| 4 | | deterioration attributable to travel on oil and gas development-impacted |
| 5 | | roads. For unorganized townships within the county, the board of county |
| 6 | | commissioners may expend an appropriate portion of revenues under this |
| 7 | | subdivision to offset oil and gas development impact to township roads in |
| 8 | | those townships. Allocations to organized townships or to school districts |
| 9 | | under this subdivision may be made only for reimbursement of qualifying |
| 10 | | expenditures previously made by the applicant township or school district. |
| 11 | | The amount deposited during each calendar year in the county infrastructure |
| 12 | | fund which is designated for allocation under this subdivision and which is |
| 13 | | unexpended and unobligated at the end of the calendar year must be |
| 14 | | transferred by the county treasurer to the county road and bridge fund for use |
| 15 | | on county road and bridge projects. |
| 16 | <u>C.</u> | Twenty percent of all revenues allocated to any county infrastructure fund |
| 17 | | under subsection 3 must be allocated by the county treasurer no less than |
| 18 | | quarterly to the incorporated cities of the county. Apportionment among cities |
| 19 | | under this subsection must be based upon the population of each |
| 20 | | incorporated city according to the last official decennial federal census. In |
| 21 | | determining the population of any city that receives a direct allocation under |
| 22 | | subsection 1, that city's population for purposes of this subdivision must be |
| 23 | | reduced by forty percent. |
| 24 | SECTIO | N 2. EFFECTIVE DATE. This Act is effective for taxable events occurring after |
| 25 | June 30, 2009. | |
