

Sixty-first  
Legislative Assembly  
of North Dakota

**SENATE BILL NO. 2417**

Introduced by

Senators Fiebiger, Potter

1 A BILL for an Act to provide for a study by the department of transportation of the feasibility and  
2 desirability of building a glass recycling plant.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. DEPARTMENT OF TRANSPORTATION STUDY - GLASS RECYCLING**

5 **PLANT.** During the 2009-10 interim, the director of the department of transportation shall study  
6 the feasibility and desirability of building, financing, or encouraging construction of a glass  
7 recycling plant for the purpose of providing materials to be used in road construction and  
8 maintenance. The study must include a study of the uses by the department and other parties  
9 of materials made from recycled glass, the cost and effectiveness of these materials, the  
10 marketability of these materials, the use of other recycled goods in road construction and  
11 maintenance, different options for funding and ownership of the plant, and potential effects to  
12 the recycled glass market and to landfills. The director shall report the findings of the study and  
13 any recommendations to the sixty-second legislative assembly.
