**2A. Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill requires districts to offer Personal Finance, requires students to take a ½ unit of Personal Finance in order to graduate, and requires 22 units of high school coursework for graduation.

**B. Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

This bill would require students to graduate with 22 units. Currently 68 districts require less than 22 credits to graduate. Based on student course enrollment in these 68 districts, approximately 3,745 students would need to take an additional course to graduate. The cost for 1 credit through the ND Center for Distance Education is \$336. Based on these assumptions, the additional annual cost would be \$1,250,000 or \$2,500,000 per biennium. The bill would become effective July 1, 2010.

The cost of requiring an additional half unit of personal finance would be included in the above estimate.

**3. State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

**A. Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

**B. Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

**C. Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*

There was no appropriation identified for this bill.
