Sixty-first Legislative Assembly of North Dakota

SECOND ENGROSSMENT with Conference Committee Amendments REENGROSSED HOUSE BILL NO. 1368

Introduced by

Representatives Kroeber, Glassheim, Hofstad, Nelson

Senators Lyson, Robinson

- 1 A BILL for an Act to create and enact chapter 18-13 of the North Dakota Century Code, relating
- 2 to reduced ignition propensity standards for cigarettes; to provide a penalty; to provide an
- 3 appropriation; to provide an effective date; and to provide an expiration date.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** Chapter 18-13 of the North Dakota Century Code is created and enacted
- 6 as follows:

7

- **18-13-01.** Definitions. In this chapter, unless the context otherwise requires:
- 8 <u>1.</u> "Agent" means any person authorized by the attorney general to purchase or sell
 9 packages of cigarettes.
- <u>"Cigarette" means any roll for smoking made wholly or in part of tobacco and</u>
 <u>encased in any material except tobacco.</u>
- 12 <u>3.</u> <u>"Manufacturer" means:</u>
- 13a.Any person that manufactures or otherwise produces cigarettes or causes14cigarettes to be manufactured or produced which the person intends to be15sold in this state, including cigarettes intended to be sold in the United States16through an importer;
- 17 b. The first purchaser that intends to resell in the United States cigarettes
 18 manufactured that the original manufacturer or maker does not intend to be
 19 sold in the United States; or
- 20
 c.
 Any person that becomes a successor of a person described in subdivision a

 21
 or b.
- <u>"Quality control and quality assurance program" means the laboratory procedures</u>
 <u>implemented to ensure that operator bias, systematic and nonsystematic</u>
 methodological errors, and equipment-related problems do not affect the results of

	-	
1		the testing and to ensure that the testing repeatability remains within the required
2		repeatability values stated in subdivision f of subsection 1 of section 18-13-02 for
3		all test trials used to certify cigarettes in accordance with this chapter.
4	<u>5.</u>	"Repeatability" means the range of values within which the repeat results of
5		cigarette test trials from a single laboratory will fall ninety-five percent of the time.
6	<u>6.</u>	"Retail dealer" means any person, other than a manufacturer or wholesale dealer,
7		engaged in selling cigarettes or tobacco products.
8	<u>7.</u>	"Sale" means any transfer of title or possession or both, exchange or barter,
9		conditional or otherwise, in any manner or by any means or any agreement to do
10		the same. The term includes the giving of cigarettes as samples, prizes, or gifts,
11		and the exchanging of cigarettes for any consideration other than money.
12	<u>8.</u>	"Sell" means to sell or to offer or agree to sell.
13	<u>9.</u>	"Wholesale dealer" means any person that sells cigarettes or tobacco products to
14		retail dealers or other persons for purposes of resale, and any person that owns,
15		operates, or maintains a cigarette or tobacco product vending machine in, at, or
16		upon premises owned or occupied by any other person.
17	<u>18-</u>	13-02. Test method and performance standard - Penalty.
18	<u>1.</u>	Except as provided in subsection 7, a cigarette may not be sold or offered for sale
19		in this state or offered for sale or sold to persons located in this state unless the
20		cigarette has been tested in accordance with the test method and meets the
21		performance standard specified in this section, a written certification has been filed
22		by the manufacturer with the state fire marshal in accordance with section
23		18-13-03, and the cigarette has been marked in accordance with section 18-13-04.
24		a. Testing of cigarettes must be conducted in accordance with the American
25		society of testing and materials standard E2187-04, "standard test method for
26		measuring the ignition strength of cigarettes".
27		b. Testing must be conducted on ten layers of filter paper.
28		c. No more than twenty-five percent of the cigarettes tested in a test trial in
29		accordance with this section may exhibit full-length burns. Forty replicate
30		tests must comprise a complete test trial for each cigarette tested.

1 2 3	<u>d</u>	
		complete test trial
3		complete test trial.
	<u>e</u>	
4		that has been accredited pursuant to standard ISO/IEC 17025 of the
5		international organization for standardization, or other comparable
6		accreditation standard required by the state fire marshal.
7	<u>f.</u>	A laboratory conducting testing in accordance with this section shall
8		implement a quality control and quality assurance program that includes a
9		procedure that will determine the repeatability of the testing results. The
10		repeatability value may not be greater than nineteen hundredths.
11	g	. This section does not require additional testing if cigarettes are tested
12		consistent with this chapter for any other purpose.
13	<u>h</u>	. Testing performed or sponsored by the state fire marshal to determine a
14		cigarette's compliance with the performance standard required must be
15		conducted in accordance with this section.
16	<u>2.</u> <u>E</u>	ach cigarette listed in a certification submitted pursuant to section 18-13-03 which
17	<u>u</u>	ses lowered permeability bands in the cigarette paper to achieve compliance with
18	tł	ne performance standard set forth in this section must have at least two nominally
19	ic	dentical bands on the paper surrounding the tobacco column. At least one
20	<u>C</u>	omplete band must be located at least fifteen millimeters from the lighting end of
21	<u>tł</u>	ne cigarette. For cigarettes on which the bands are positioned by design, at least
22	<u>tv</u>	wo bands must be located at least fifteen millimeters from the lighting end and ten
23	n	nillimeters from the filter end of the tobacco column, or ten millimeters from the
24	<u>la</u>	abeled end of the tobacco column for nonfiltered cigarettes.
25	<u>3.</u> A	manufacturer of a cigarette that the state fire marshal determines cannot be
26	<u>te</u>	ested in accordance with the test method prescribed in subdivision a of
27	<u>S</u>	ubsection 1 shall propose a test method and performance standard for the
28	<u>C</u>	igarette to the state fire marshal. Upon approval of the proposed test method and
29	a	determination by the state fire marshal that the performance standard proposed
30		
31		
 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 	2. E u t t <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u> <u>i</u>	 This section does not require additional testing if cigarettes are tested consistent with this chapter for any other purpose. Testing performed or sponsored by the state fire marshal to determine a cigarette's compliance with the performance standard required must be conducted in accordance with this section. Each cigarette listed in a certification submitted pursuant to section 18-13-03 while ses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard set forth in this section must have at least two nominates and set forth in this section must have at least two nominates and set forth in this section must have at least one complete band must be located at least fifteen millimeters from the lighting end and the cigarette. For cigarettes on which the bands are positioned by design, at least wo bands must be located at least fifteen millimeters from the lighting end and the cigarette. For cigarette that the state fire marshal determines cannot be abeled end of the tobacco column for nonfiltered cigarettes. A manufacturer of a cigarette that the state fire marshal determines cannot be asted in accordance with the test method prescribed in subdivision a of ubsection 1 shall propose a test method and performance standard for the igarette to the state fire marshal. Upon approval of the proposed test method and performance standard for the igarette to the state fire marshal.

1		performance standard to certify the cigarette pursuant to section 18-13-03. If the
2		state fire marshal determines that another state has enacted reduced cigarette
3		ignition propensity standards that include a test method and performance standard
4		that are the same as those contained in this chapter, and the state fire marshal
5		finds that the officials responsible for implementing those requirements have
6		approved the proposed alternative test method and performance standard for a
7		particular cigarette proposed by a manufacturer as meeting the fire safety
8		standards of that state's law or regulation under a legal provision comparable to
9		this section, the state fire marshal shall authorize that manufacturer to employ the
10		alternative test method and performance standard to certify that cigarette for sale
11		in this state unless the state fire marshal demonstrates a reasonable basis why the
12		alternative test should not be accepted under this chapter. All other applicable
13		requirements of this section apply to the manufacturer.
14	<u>4.</u>	Each manufacturer shall maintain copies of the reports of all tests conducted on all
15		cigarettes offered for sale for a period of three years, and shall make copies of
16		these reports available to the state fire marshal and the attorney general upon
17		written request. Any manufacturer who fails to make copies of these reports
18		available within sixty days of receiving a written request is subject to a civil penalty
19		not to exceed ten thousand dollars for each day after the sixtieth day that the
20		manufacturer does not make those copies available.
21	<u>5.</u>	The state fire marshal may adopt a subsequent American society of testing and
22		materials standard test method for measuring the ignition strength of cigarettes
23		upon a finding that the subsequent method does not result in a change in the
24		percentage of full-length burns exhibited by any tested cigarette when compared to
25		the percentage of full-length burns the same cigarette would exhibit when tested in
26		accordance with American society of testing and materials standard E2187-04 and
27		the performance standard in subdivision c of subsection 1.
28	<u>6.</u>	The state fire marshal shall review the effectiveness of this section and report each
29		interim to the legislative council the state fire marshal's findings and any
30		recommendation for legislation to improve the effectiveness of this chapter.
31	<u>7.</u>	The requirements of subsection 1 may not prohibit:

		<u>a.</u>	Wholesale or retail dealers from selling their existing inventory of cigarettes
			after July 31, 2010, if the wholesale or retail dealers can establish that the
			inventory was purchased before August 1, 2010, in comparable quantity to
			the inventory purchased during the same period of the prior year; or
		<u>b.</u>	The sale of cigarettes solely for the purpose of consumer testing. For
			purposes of this subsection, "consumer testing" means an assessment of
			cigarettes which is conducted by a manufacturer, or under the control and
			direction of a manufacturer, for the purpose of evaluating consumer
			acceptance of those cigarettes, utilizing only the quantity of cigarettes which
			is reasonably necessary for the assessment.
<u>8</u>	<u>}.</u>	<u>This</u>	s chapter must be interpreted and construed to effectuate its general purpose to
		mał	ke uniform this chapter with the laws of those states that have enacted reduced
		<u>ciga</u>	arette ignition propensity laws as of the date this chapter is enacted.
<u>1</u>	8-1	3-03	Certification and product change.
<u>1</u>	<u>.</u>	Eac	h manufacturer shall submit to the state fire marshal a written certification
		<u>atte</u>	sting that each cigarette listed in the certification has been tested in
		acc	ordance with section 18-13-02 and each cigarette listed in the certification
		mee	ets the performance standard set forth in subdivision c of subsection 1 of
		sec	tion 18-13-02.
2	<u>2.</u>	<u>Eac</u>	h cigarette listed in the certification must be described with the following
		<u>info</u>	rmation:
		<u>a.</u>	Brand or trade name on the package;
		<u>b.</u>	Style, such as light or ultra light;
		<u>C.</u>	Length in millimeters;
		<u>d.</u>	Circumference in millimeters;
		<u>e.</u>	Flavor, such as menthol or chocolate, if applicable;
		<u>f.</u>	Filter or nonfilter;
		<u>g.</u>	Package description, such as soft pack or box;
		<u>h.</u>	Marking approved in accordance with section 18-13-04;
		<u>i.</u>	The name, address, and telephone number of the laboratory, if different than
			the manufacturer that conducted the test; and
	<u>1</u> 1	8. 18-1 1. 2.	b. 8. This mak ciga 18-13-03 1. 1. Eac 12. Eac 2. Eac 2. Eac 1. Eac 1.

1		j. The date that the testing occurred.
2	<u>3.</u>	The certifications must be made available to the attorney general for purposes
3		consistent with this chapter and the state tax commissioner for the purposes of
4		ensuring compliance with this section.
5	<u>4.</u>	Each cigarette certified under this section must be recertified every three years.
6	<u>5.</u>	For each cigarette listed in the certification or recertification, a manufacturer shall
7		pay to the state fire marshal an initial fee of two hundred fifty dollars. The state fire
8		marshal may adjust this fee annually to ensure the fee defrays the actual costs of
9		the processing, testing, enforcement, and oversight activities required by this
10		chapter.
11	<u>6.</u>	There is established in the state treasury a special fund to be known as the
12		Reduced Cigarette Ignition Propensity and Firefighter Protection Act enforcement
13		fund. The fund must consist of all certification fees submitted by manufacturers,
14		and, in addition to any other moneys made available, be available pursuant to
15		legislative appropriation, to the state fire marshal solely to support processing,
16		testing, enforcement, and oversight activities under this chapter.
17	<u>7.</u>	If a manufacturer has certified a cigarette under this section and makes any
18		change to the cigarette which is likely to alter its compliance with the reduced
19		cigarette ignition propensity standards required by this chapter, that cigarette may
20		not be sold or offered for sale in this state until the manufacturer retests the
21		cigarette in accordance with the testing standards set forth in section 18-13-02 and
22		maintains records of that retesting as required by section 18-13-02. Any altered
23		cigarette that does not meet the performance standards set forth in section
24		18-13-02 may not be sold in this state.
25	<u>18-</u>	13-04. Marking of cigarette packaging.
26	<u>1.</u>	Cigarettes that are certified by a manufacturer in accordance with section 18-13-03
27		must be marked to indicate compliance with the requirements of section 18-13-02.
28		The marking must be in eight-point type or larger and consist of:
29		a. Modification of the product uniform product code to include a visible mark
30		printed at or around the area of the uniform product code which may consist

1		of alphanumeric or symbolic characters permanently stamped, engraved,
2		embossed, or printed in conjunction with the uniform product code;
3		b. Any visible combination of alphanumeric or symbolic characters permanently
4		stamped, engraved, or embossed upon the cigarette package or cellophane
5		wrap; or
6		c. Printed, stamped, engraved, or embossed text that indicates that the
7		cigarettes meet the standards of this chapter.
8	<u>2.</u>	A manufacturer may use only one marking and shall apply this marking uniformly
9		for all packages, including packs, cartons, and cases, and brands marked by that
10		manufacturer.
11	<u>3.</u>	The state fire marshal must be notified as to the marking that is selected.
12	<u>4.</u>	Before the certification of any cigarette, a manufacturer shall present its proposed
13		marking to the state fire marshal for approval. Upon receipt of the request, the
14		state fire marshal shall approve or disapprove the marking offered, except that the
15		state fire marshal shall approve any marking in use and approved for sale in New
16		York pursuant to the New York fire safety standards for cigarettes. Proposed
17		markings are deemed approved if the state fire marshal fails to act within ten
18		business days of receiving a request for approval.
19	<u>5.</u>	A manufacturer may not modify its approved marking unless the modification has
20		been approved by the state fire marshal in accordance with this section.
21	<u>6.</u>	A manufacturer certifying cigarettes in accordance with section 18-13-03 shall
22		provide a copy of the certifications to every wholesale dealer and agent to which
23		the manufacturer sells cigarettes, and shall provide sufficient copies of an
24		illustration of the package marking utilized by the manufacturer under this section
25		for each retail dealer to which the wholesale dealer or agent sells cigarettes. A
26		wholesale dealer and agent shall provide a copy of these package markings
27		received from the manufacturer to all retail dealers to which they sell cigarettes.
28		Wholesale dealers, agents, and retail dealers shall permit the state fire marshal,
29		the tax commissioner, the attorney general, and their employees to inspect
30		markings of cigarette packaging marked under this section.
31	<u>18-</u>	13-05. Penalties.

1	<u>1.</u>	A manufacturer, wholesale dealer, agent, or any other person that knowingly sells
2		or offers to sell cigarettes, other than through retail sale, in violation of section
3		18-13-02, for a first offense is subject to a civil penalty not to exceed ten thousand
4		dollars for each sale of cigarettes, and for a subsequent offense is subject to a civil
5		penalty not to exceed twenty-five thousand dollars for each sale, but the penalty
6		against any person may not exceed one hundred thousand dollars during any
7		thirty-day period.
8	<u>2.</u>	A retail dealer that knowingly sells cigarettes in violation of section 18-13-02:
9		a. For a first offense is subject to a civil penalty not to exceed five hundred
10		dollars, and for a subsequent offense is subject to a civil penalty not to
11		exceed two thousand dollars, for each sale or offer for sale of cigarettes if the
12		total number of cigarettes sold or offered for sale in the sale does not exceed
13		one thousand cigarettes; or
14		b. For a first offense is subject to a civil penalty not to exceed one thousand
15		dollars, and for a subsequent offense is subject to a civil penalty not to
16		exceed five thousand dollars for each sale or offer for sale of such cigarettes
17		if the total number of cigarettes sold or offered for sale in the sale exceeds
18		one thousand cigarettes, provided that this penalty may not exceed
19		twenty-five thousand dollars during a thirty-day period.
20	<u>3.</u>	In addition to any penalty prescribed by law, any manufacturer that knowingly
21		makes a false certification pursuant to section 18-13-03 is subject to a civil penalty
22		of at least seventy-five thousand dollars, but not to exceed two hundred fifty
23		thousand dollars for each false certification.
24	<u>4.</u>	Any person violating any other provision in this chapter is subject to a civil penalty
25		for a first offense not to exceed one thousand dollars, and for a subsequent
26		offense to a civil penalty not to exceed five thousand dollars for each violation.
27	<u>5.</u>	If any law enforcement personnel or duly authorized representative of the state fire
28		marshal discovers any cigarettes for which no certification has been filed as
29		required by section 18-13-03, or which have not been marked as required by
30		section 18-13-04, that personnel or representative may seize and take possession
31		of the cigarettes. Cigarettes seized under this subsection must be destroyed;

	-		
1		provided, however, that before the destruction of the cigarettes, the true holder of	
2		the trademark rights in the cigarette brand is permitted to inspect the cigarette.	
3	<u>6.</u>	In addition to any other remedy provided by law, the state fire marshal or attorney	
4		general may file an action in district court for a violation of this chapter, including	
5		petitioning for:	
6		a. Preliminary or permanent injunctive relief against any manufacturer, importer,	
7		wholesale dealer, retail dealer, agent, or any other person to enjoin the	
8		person from selling or offering to sell any cigarette that does not comply with	
9		the requirements of this chapter; or	
10		b. To recover any costs or damages suffered by the state because of a violation	
11		of this chapter, including enforcement costs relating to the specific violation	
12		and attorney's fees.	
13	<u>7.</u>	Each violation of this chapter or of rules adopted to implement this chapter	
14		constitutes a separate civil violation for which the state fire marshal or attorney	
15		general may obtain relief.	
16	18-13-06. Implementation.		
17	<u>1.</u>	The state fire marshal may adopt rules to implement this chapter.	
18	<u>2.</u>	The state tax commissioner in the regular course of conducting inspections of	
19		wholesale dealers, agents, and retail dealers, as authorized under chapter 57-36,	
20		may inspect such cigarettes to determine if the cigarettes are marked as required	
21		by section 18-13-04. If the cigarettes are not marked as required, the state tax	
22		commissioner shall notify the state fire marshal.	
23	<u>18-</u>	13-07. Inspection. The attorney general and the state fire marshal may examine	
24	the books,	papers, invoices, and other records of any person in possession, control, or	
25	occupancy	of any premises where cigarettes are placed, stored, sold, or offered for sale, as	
26	well as the	stock of cigarettes on the premises. Every person in the possession, control, or	
27	occupancy	of any premises where cigarettes are placed, sold, or offered for sale, shall give the	
28	attorney ge	neral and the state fire marshal the means, facilities, and opportunity for the	
29	examination	ns authorized by this section.	
30	<u>18-</u>	13-08. Fire prevention and public safety fund. There is established in the state	
31	treasury a s	special fund to be known as the fire prevention and public safety fund. The fund	

1 consists of all moneys recovered as penalties under section 18-13-05. The moneys must be

2 deposited to the credit of the fund and must be made available to the state fire marshal to

3 support fire safety and prevention programs upon legislative appropriation.

<u>18-13-09. Sale outside of North Dakota.</u> This chapter does not prohibit any person
from manufacturing or selling cigarettes that do not meet the requirements of section 18-13-02
if the cigarettes are or will be stamped for sale in another state or are packaged for sale outside
the United States and that person has taken reasonable steps to ensure that the cigarettes will
not be sold or offered for sale to persons located in this state.

9 18-13-10. Local regulation. Notwithstanding any other provision of law, home rule
10 charter, or ordinance made under a home rule charter, a political subdivision may not enact or
11 enforce any ordinance or regulation conflicting with any provision of this chapter or with any
12 policy of this state expressed by this chapter.

SECTION 2. APPROPRIATION. There is appropriated out of any moneys in the Reduced Cigarette Ignition Propensity and Firefighter Protection Act enforcement fund in the state treasury, not otherwise appropriated, the sum of \$200,000, or so much of the sum as may be necessary, to the attorney general to be made available to the state fire marshal for the purpose of processing, testing, enforcement, and oversight activities in this Act, for the biennium beginning July 1, 2009, and ending June 30, 2011.

SECTION 3. APPROPRIATION. There is appropriated out of any moneys in the fire prevention and public safety fund, not otherwise appropriated, the sum of \$25,000, or so much of the sum as may be necessary, to the attorney general to be made available to the state fire marshal for the purpose of supporting fire safety and prevention programs, for the biennium beginning July 1, 2009, and ending June 30, 2011.

SECTION 4. EFFECTIVE DATE - EXPIRATION DATE. This Act becomes effective
 August 1, 2010, however, this Act becomes ineffective on the date the state fire marshal
 certifies to the legislative council that a federal reduced cigarette ignition propensity standard
 has been adopted and has become effective.
