

Introduced by

1 A BILL for an Act to create and enact a new section to chapter 65-02 of the North Dakota
2 Century Code, relating to reporting of inappropriate influence on workforce safety and insurance
3 claims decisions.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new section to chapter 65-02 of the North Dakota Century Code is
6 created and enacted as follows:

7 **Inappropriate influence - Report.** If an employee of the organization believes that the
8 employee has been subject to inappropriate influence from another employee or officer of the
9 organization or from an elected or other appointed official or if an employee believes that a
10 decision regarding a claim for benefits has been inappropriately made due to inappropriate
11 influence, the employee may file a statement detailing the employee's concerns with the
12 director of the organization. The director shall investigate any statement filed under this section
13 and provide a summary of the investigation to the board of directors and to the legislative
14 council's interim workers compensation review committee.
