

PROPOSED AMENDMENTS TO SENATE BILL NO. 2398

Page 1, line 1, after "A BILL" replace the remainder of the bill with "for an Act to provide for a legislative council study of requirements for movement and exercise at the elementary and high school levels.

**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. MOVEMENT AND EXERCISE - LEGISLATIVE COUNCIL STUDY.** During the 2009-10 interim, the legislative council shall study the feasibility and desirability of requiring that fifteen minutes be set aside during the morning and afternoon of each schoolday so that elementary students may engage in instructionally structured or unstructured movement and exercise. The legislative council also shall study ways in which high school students can be required to engage in self-directed or school-directed movement and exercise for at least three thirty-minute periods each week. The study must examine the potential academic and physical benefits of allowing students time to exercise during the schoolday and it must address practical alternatives to exercising outdoors during inclement weather. The study also must address the role of physical education classes in meeting the durational requirements for exercise and exceptions for students whose individual circumstances would render participation impossible or inappropriate. The legislative council shall report its findings and recommendations, together with any legislation required to implement the recommendations, to the sixty-second legislative assembly."
