

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1013

Page 1, line 4, after the second semicolon insert "to create a school for the deaf property and institution alternative use grant program;"

Page 7, after line 19, insert:

"SECTION 15. School for the deaf property and institution alternative use grant program. The office of management and budget shall administer a school for the deaf property and institution alternative use grant program to allow the school to explore opportunities for alternative uses. The school for the deaf may work with the local community and stakeholders to develop proposed property or institution alternative use plans, including partnerships with private industry and not-for-profit organizations, to be reviewed by the office of management and budget. In accordance with the provisions of the community and institution approved plan, the office of management and budget shall introduce any statutory and constitutional changes necessary to implement the plan and request funding for the grant under this section for consideration by the legislative assembly. Subject to approval of all necessary statutory and constitutional changes and necessary legislative appropriations, the office of management and budget shall provide a grant equal to the present value of the total estimated general fund appropriations and special fund revenue, service income, or other income related to the property of the school for the deaf for the next ten years. The office of management and budget shall use the rate of interest earned on state funds deposited at the Bank of North Dakota for calculating the present value of future appropriations and income. The grant is to assist the school for the deaf and community in the transition to an alternative use."
