<sup>1</sup> This amendment restores funding for salaries and wages removed by the House to recognize anticipated savings from vacant positions and employee turnover.

<sup>2</sup> This amendment restores salary equity funding removed by the House.

<sup>3</sup> This amendment increases the funding for administrative and support services from the general fund and decreases the funding from the water development trust fund to provide that all administrative and support services are paid by the general fund.

<sup>4</sup> A section is added, as an emergency measure, appropriating federal fiscal stimulus funds made available to the state under the federal American Recovery and Reinvestment Act of 2009 for the Southwest Pipeline Project.

This amendment also adds sections to provide:

- Legislative intent that \$75 million be committed by the state to match a grant of federal funds for Fargo flood control.
- For continuation of the \$45 million appropriated for Fargo flood control beyond the 2009-11 biennium.
- Legislative intent that the State Water Commission provided funding for the following projects during the 2009-11 biennium:
 

Digital elevation mapping project	\$300,000
Renwick Dam	\$100,000
Evaluation, in conjunction with state, local, and federal officials, of long-term flood control solutions in the Red River Valley	\$500,000
Michigan Spillway	\$500,000
- Legislative intent that the State Water Commission assist the Nelson County Water Resource District by providing engineering and permitting services during the 2009-11 biennium.
- The State Water Commission may not, during the 2009-11 biennium, acquire any property or interest in property for the Red River Water Supply Project until the project is approved by the federal government.
