¹ This amendment removes funding added in the executive budget for state employee salary equity adjustments, the same as the House version.

² This amendment provides **one-time** contingent funding from the general fund for a geothermal heating system in the new Veterans' Home facility. The general fund money may be spent only to the extent that federal funds made available to the state through the Department of Commerce under the American Recovery and Reinvestment Act of 2009 are not available for this purpose, the same as the House version.

³ This amendment decreases funding from the general fund for capital assets by \$20,000 for carpet and tile replacement and decreases funding for operating expenses by \$24,900, of which \$1,619 is from the general fund, for various exercise equipment items under \$5,000, the same as the House version.

⁴ Funding for travel expenses is reduced by \$22,000, the same as the House version.

⁵ This amendment decreases funding for capital assets to remove funding for a Bobcat utility vehicle, the same as the House version. The Veterans' Home may use funding from federal fiscal stimulus funds, if available, to make this purchase.

⁶ This amendment decreases funding for salaries and wages to remove funding for temporary maintenance salaries, the same as the House version.

⁷ This amendment removes the special fund appropriation and adds contingent funding from the general fund for purchasing a thermal imager if federal funds made available to the state under the American Recovery and Reinvestment Act of 2009 are not available for this purpose, the same as the House version.

⁸ This amendment decreases funding from the general fund for operating expenses, the same as the House version.

⁹ This amendment provides, in a separate section, funding from federal fiscal stimulus funding for the following items, the same as the House version:

Thermal imager (funding from the Department of Commerce)	\$5,500
Electronic health records system	98,400
Bobcat utility vehicle	14,691
Geothermal heating system (funding from the Department of Commerce)	3,039,414
Total federal funds	\$3,158,005

¹⁰ This amendment reduces general fund support for the Veterans' Home by 3 percent and increases funding from other funds by the same amount.

This amendment also:

- Adds a section that directs the Office of Management and Budget to provide three-fourths of 1 percent of any general fund salary equity pool appropriated for salary equity increases for state employees to the Veterans' Home, for the biennium beginning July 1, 2009, and ending June 30, 2011.
- Adds a section to provide the appropriation for the geothermal heating system appropriated in Section 1 of the bill and the federal fiscal stimulus funds appropriation section of the bill are emergency measures.
- Adds a section to require the construction project manager to submit written quarterly summary reports to the Budget Section regarding the new Veterans' Home construction project.
- Removes the carpet and floor tile repairs from **one-time** funding and identifies the geothermal heating system and the portion of salaries and wages for the FTE positions in the new building from the general fund (\$502,240) as **one-time** funding.
- Adds a section to provide the general fund appropriation for the thermal imager (\$5,500), the electronic health records system (\$98,400), and the geothermal heating system in the new Veterans' Home facility (\$3,039,414) may only be spent to the extent that federal funds, available under the American Recovery and Reinvestment Act of 2009, are not available for these items.

These changes were also included in the House version.
