

Sixty-first  
Legislative Assembly  
of North Dakota

**SENATE BILL NO.**

Introduced by

Senator Krauter

1 A BILL for an Act to create and enact a new section to chapter 57-02 of the North Dakota  
2 Century Code, relating to a property tax credit for disabled veterans; to create and enact a new  
3 section to chapter 57-02 of the North Dakota Century Code, relating to certification of property  
4 tax credits provided to disabled veterans; to amend subsection 20 of section 57-02-08 of the  
5 North Dakota Century Code; to provide an appropriation; and to provide an effective date.

6 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

7 **SECTION 1.** A new section to chapter 57-02 of the North Dakota Century Code is  
8 created and enacted as follows:

9 **Property tax credit for disabled veterans.** A disabled veteran of the United States  
10 armed forces with an armed forces service-connected disability of fifty percent or great, who  
11 was discharged under honorable conditions or who has been retired from the armed forces of  
12 the United States, or the unremarried surviving spouse if the veteran is deceased, is eligible for  
13 a credit applied against the first one hundred twenty thousand dollars of true and full valuation  
14 of the fixtures, buildings, and improvements of the person's homestead equal to the percentage  
15 of the disabled veteran's service-connected disability certified by the department of veterans  
16 affairs for the purpose of applying for a property tax exemption.

17 If two disabled veterans are married to each other and living together, their combined  
18 credits may not exceed one hundred percent of one hundred twenty thousand dollars of true  
19 and full value of the fixtures, building, and improvements of the homestead. If a disabled  
20 veteran co-owns the homestead property with someone of other than the disabled veteran's  
21 spouse, the credit is limited to that disabled veteran's interest in the fixtures, buildings, and  
22 improvements of the homestead, to a maximum amount calculated by multiplying one hundred  
23 twenty thousand dollars of true and full valuation by the disabled veteran's percentage of

1 interest in the homestead property and multiplying the result by the applicant's certified  
2 disability percentage.

3 Any disabled veteran or unremarried surviving spouse claiming a credit under this  
4 section for the first time shall file with the county auditor an affidavit showing the facts herein  
5 required, a description of the property, and a certificate from the United States department of  
6 veterans affairs, or its successors, certifying to the amount of the disability. The affidavit and  
7 certificate must be open for public inspection. Any person shall thereafter furnish to the  
8 assessor or other assessment officials when requested to do so any information which is  
9 believed will support the claim for credit for any subsequent year.

10 For purposes of this section, and except as otherwise provided in this section,  
11 "homestead" has the meaning provided in section 47-18-01 except that it also applies to any  
12 person who otherwise qualifies under the provisions of this section whether or not the person is  
13 the head of a family. The board of county commissioners is hereby authorized to cancel the  
14 portion of unpaid taxes that represents the credit calculated in accordance with this section for  
15 any year in which the qualifying owner has held title to the homestead property. Cancellation of  
16 taxes for any tax year prior to enactment of this section shall be based on the law that was in  
17 effect for that tax year.

18 **SECTION 2.** Chapter 57-02 of the North Dakota Century Code is created and enacted  
19 as follows:

20 **Property tax credit for disabled veterans - Certification.**

- 21 1. Prior to the first of March of each year, the county auditor of each county shall  
22 certify to the state tax commissioner on forms prescribed by the state tax  
23 commissioner the name and address of each person for whom the property tax  
24 credit for homesteads of disabled veterans was allowed for the preceding year, the  
25 amount of credit allowed, the total of the tax mill rates of all taxing districts,  
26 exclusive of any state mill rates, that was applied to other real estate in such taxing  
27 districts for the preceding year, and such other information as may be prescribed  
28 by the tax commissioner.
- 29 2. The tax commissioner shall audit the certifications, make any corrections that may  
30 be required, and certify to the state treasurer for payment to each county on or  
31 before the first of June of each year, the sum of the amounts computed by

multiplying the credit allowed for each homestead of a disabled veteran in the county by the total of the tax mill rates, exclusive of any state mill rates, that was applied to other real estate in such taxing districts for the preceding year.

3. The county treasurer upon receipt of the payment from the state treasurer shall apportion and distribute it without delay to the county and to the local taxing districts of the county on the basis on which the general real estate tax for the preceding year is apportioned and distributed.

4. On or before the first day of June of each year, the tax commissioner shall certify to the state treasurer the amount computed by multiplying the property tax credit allowed for homesteads of disabled veterans in the state for the preceding year by one mill for deposit into the state medical center fund.

5. Supplemental certifications by the county auditor and by the state tax commissioner and supplemental payments by the state treasurer may be made after the dates prescribed in this section to make such corrections as may be necessary because of errors or because of approval of any application for abatement filed by person because the credit provided for the homestead of a disabled veteran was not allowed in whole or in part.

**SECTION 3. AMENDMENT.** Subsection 20 of section 57-02-08 of the North Dakota Century Code is amended and reenacted as follows:

20. Fixtures, buildings, and improvements up to the amount of valuation specified, when owned and occupied as a homestead, as hereinafter defined, by any of the following persons:

- a. A paraplegic disabled veteran of the United States armed forces or any veteran who has been awarded specially adapted housing by the ~~veterans'~~ administration department of veterans affairs, or the unmarried surviving spouse if such veteran is deceased, for the first one hundred twenty thousand dollars of true and full valuation of the fixtures, buildings, and improvements.
- ~~b. A disabled veteran of the United States armed forces who was discharged under honorable conditions or who has been retired from the armed forces of the United States with an armed forces service-connected disability of fifty percent or greater, or the unmarried surviving spouse if the veteran is~~

~~deceased for a percentage, equal to the percentage of the disabled veteran's  
certified rated service connected disability, applied against the first one  
hundred twenty thousand dollars of true and full valuation of the fixtures,  
buildings, and improvements.~~

- e. b. Any permanently and totally disabled person who is permanently confined to use of a wheelchair, or, if deceased, the unremarried surviving spouse of a permanently and totally disabled person. If the spouse of a permanently and totally disabled person owns the homestead or if it is jointly owned by them, the same reduction in assessed valuation applies as long as both reside thereon. The provisions of this subdivision do not reduce the liability for special assessments levied upon the homestead. The phrase "permanently confined to use of a wheelchair" means that the person cannot walk with the assistance of crutches or any other device and will never be able to do so and that a physician selected by the local governing board has so certified.

Any person claiming an exemption under this subsection for the first time shall file with the county auditor an affidavit showing the facts herein required and a description of the property ~~and, in addition, a disabled veteran claiming exemption under subdivision b shall also file with the affidavit a certificate from the United States veterans' administration, or its successors, certifying to the amount of the disability.~~ The affidavit ~~and certificate~~ must be open for public inspection. ~~After the initial filing of a claim for exemption under this subsection, the exemption is automatically renewed each following year but the veteran or veteran's unremarried surviving spouse must refile if that person sells the property or no longer claims it as a primary place of residence or if the veteran dies or receives a change in the percentage of the certified rated service connected disability.~~ Any person thereafter shall furnish to the assessor or other assessment officials when requested to do so any information which is believed will support the claim for exemption for any subsequent year.

For purposes of this subsection, and except as otherwise provided in this subsection, "homestead" has the meaning provided in section 47-18-01 except that it also applies to any person who otherwise qualifies under the provisions of this

subsection whether or not the person is the head of a family. The board of county commissioners is hereby authorized to cancel the unpaid taxes for any year in which the ~~veteran~~ qualifying owner has held title to the exempt property.

~~This subsection does not apply within a county in which a resolution approved by the board of county commissioners is in effect disallowing the exemption under this subsection for the taxable year.~~

**SECTION 4. APPROPRIATION.** There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$2,700,000, or so much of the sum as may be necessary, to the tax commissioner for the purpose of reimbursements provided by this Act for July 1, 2009, and ending June 30, 2011.

**SECTION 5. EFFECTIVE DATE.** This Act is effective for taxable years beginning after December 31, 2008.
