

PROPOSED AMENDMENTS TO HOUSE BILL NO. 1348

Page 1, line 20, remove "that part of" and after "establishment" insert "primarily"

Page 2, line 22, after "comprising" insert "or at an event, function, or concert of"

Page 2, line 23, after "school" insert "; is attending a public gathering at which primarily minors are engaged in an event, function, or concert that is the purpose of the gathering; or is on real property comprising a state or private institution of higher education except when that individual is on real property that is a dwelling unit or that unit's related parking and shared space. In addition, this section does not apply to an individual with a valid general game license issued by this state or who has successfully completed hunter education in this state or any other state or province, when that individual is on the real property comprising a state or private institution of higher education and that individual is on real property that is a dwelling unit or that unit's related parking and shared space. As used in this subsection, dwelling unit does not include a dormitory."
